Provide for the safety of patrons:

4ft tall snow fencing will line the entire extension with 2 exits for patrons to enter and exit. At each of those exits security will ensure no alcohol comes on the premises or off the premises. As they enter, security will do a brief look of their person to ensure no liquor, beer or other alcoholic beverages are being brought on the premises. Should a patron attempt to bring liquor, beer or any other alcoholic beverage on the premises they will be stopped at the gate by security and asked to return said items outside of the premises.

Prevent the unauthorized removal of spirituous liquor from the extension of premises.

Security along with signs stating "No Liquor Beyond This Point" will be posted on either side of each exit. Security will ensure only one person leaves at a time and will ensure no liquor will leave the permitted premises. If a patron attempts to leave the premises with liquor, beer or any other alcoholic beverage, security will stop them, inform them no

liquor is allowed outside of the premises and remove the beverage from their possession.
