Town of Wickenburg
c/o Tim Suan, Deputy Town Manager
155 N. Tegner St., Ste A
Wickenburg, AZ 85390

Re: Letter of Intent

Dear Mr. Suan,

This letter intends to express a keen interest in purchasing the property owned by the Town of Wickenburg located at 74 W. Wickenburg Way. The Humane Society of Wickenburg Board of Directors has been able to tour the property and is aware of its current condition and value. With the purchase of this property, the Humane Society of Wickenburg intends to move its thrift shop operations to this location and expand community services by offering vaccination and microchipping clinics for publicly owned pets. Proceeds from the thrift shop benefit the Humane Society of Wickenburg operations, which operate an animal shelter facility that temporarily houses stray and homeless dogs and cats and provides community assistance programs. The additional space at this location would enable the organization to expand its current thrift shop operations and increase revenue to serve more stray and homeless animals. It would also provide a place to host community vaccination and microchipping clinics at a convenient downtown location for residents.

Thank you for considering this opportunity for the Humane Society of Wickenburg to better serve the Wickenburg community.

Sincerely,

A handwritten signature in cursive script that reads "Tammy Hankins".

Tammy Hankins
President and CEO
Humane Society of Wickenburg
