TECHNOLOGY GROUP

June 6, 2025

To Whom it may concern:

I am writing this letter to confirm that Ferguson Waterworks is the Sole Authorized Level 1 Distributor for Neptune Technology Group for the entire State of Arizona and Nevada. To obtain Level 1 status distributors must employ a Meter and Reading Systems Specialist that receives yearly training direct from Neptune on all our Products.

Ferguson handles our full line of Neptune Meters, Radio Frequency Meter Reading Systems, and parts.

Ferguson is the only Distributor authorized to submit bids and pricing request on our Neptune Products in the State of Arizona. Only products purchased through our authorized distributors are warranted by Neptune's Nationally Published Warranty.

If you have any question or need anything else, please give me a call at (281) 794-3133. We appreciate your business.

Sincerely,

Charlie Trimble
