Re: Used Oil Tank

This is a good faith agreement between H&H Waste Oil Inc. and Williamson County Precinct 4. H&H agrees to supply Williamson County with one- 500 gallon metal tank for used oil collection. This tank is to be set at 101 Landfill Road, Hutto, Texas,, and used to store the following products, used motor oil, hydraulic oil, transmission fluid, gear oil, old diesel fuel, and other petroleum products approved by Williamson County personnel.

The terms of this agreement are as follows, H&H Waste Oil Inc. shall be the sole vendor for disposing of all used oil collected by this Williamson County Collection Center. Should Williamson County Officials decide to use another Vendor other than H&H Waste Oil Inc. for the recycling of their used oil, H&H will have the right to terminate this agreement and withdraw the tank from it's current location. Should H&H close down, sell out, or seize to exist, than the 500 gallon tank shall become the sole property of Williamson County Precinct 4. Once signed by the proper official from each party stated herein, this document shall become a legal and bin den agreement, between H&H Waste Oil Inc. and Williamson County Precinct 4.

Authorized Signature,
H&H Waste Oil Inc.

John E. Fisher
