Hi Barry:

I talked with Terry Goodwin with Big Tex a couple of days ago. He is in the same boat as the rest of us concerning Asphalt prices.

We need to go ahead and grant his request so we can proceed with the Seal Coating Contract.

Thanks, Greg

Increase for Big Tex paving and renewal of contract.

Let me know if you agree with the 24% increase. I will have it on Tuesday's agenda if you do.

Thank You,

Mr. Terry Goodwin  
 Big Tex Paving

Dear Terry

Due to asphalt prices increasing dramatically, your price on AC-5 or AC-10 this summer for Williamson County will be \$1.70 gallon FOB Corpus Christi. If prices continue to increase you may see more increases in the near future.

If you have any questions, feel free to give me a call. Again we appreciate your business.

Sincerely,
