Commissioner Ron Morrison,

The Williamson County Emergency Services District #3 has had a vacancy on the board for sometime now and we have recently found someone that is interested in being an ESD #3 board member. The applicants name is Michael Anderson.

Michael is not a stranger to the Hutto Fire Department. Michael was employed by Hutto Fire Department for a few years as a part-time employee.

At last night's ESD meeting, our board took action on approving Michael and to notify you of our request.

We ask that you approve this appointment at your earliest convenience.

Thank you,

Glenn Trubee
President
