Discuss and consider approving a line item transfer for Fleet

Background

To achieve Obamas goal of using renewable energy, the County must now use Ethanol in unleaded fuel. Fuel containing Ethanol in tanks that have been in service for several years typically have problems. Ethanol works like a solvent and will break up scaling that may exist and will also migrate to any water present in the bottom of the tank. When this occurs, fuel will be dirty, clog up filters and will ultimately spread to all vehicles that fuel from that tank. In order to alleviate this problem, it would be best to run current storage tanks out of fuel and have them cleaned of residue. This transfer will cover the cleaning of the tanks.

SUBJECT: Confirmation of Deputy Appointment

Pursuant to LGC 86.011, I respectfully request your confirmation to the appointment of James Ward as Deputy Constable Precinct 3.

James Ward successfully completed an extensive selection process and background investigation. He is filling a vacant position held open for over five (5) months to ensure we selected an experienced, well qualified and high caliber individual to serve Williamson County law enforcement.

Prior to his police service, James Ward served our country honorably in the Marine Corp from 1994 through 1998. He worked in the private sector for a few years after leaving the military. His police experience originally began in the Dallas area at the City of The Colony. AN ACT

relating to the creation of a district court records technology fund.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter D, Chapter 51, Government Code, is amended by adding Section 51.305 to read as follows:

Sec. 51.305. DISTRICT COURT RECORDS TECHNOLOGY FUND.

(a) In this section:

(1) "Court document" means any instrument, document, paper, or other record that the district clerk is authorized to accept for filing or maintenance.

(2) "Deterioration" means any naturally occurring process or a natural disaster that results in the destruction or partial destruction of a court document.

(3) "Preservation" means any process that:

(A) suspends or reduces the deterioration of a court document; or

(B) provides public access to a court document in a manner that reduces the risk of deterioration.

(4) "Restoration" means any process that permits the visual enhancement of a court document, including making the document more legible.

~~(b) The commissioners court of a county may adopt a district court records archive fee of not more than \$5 for the filing of a~~

1 suit, including an appeal from an inferior court, or a
2 cross-action, counterclaim, intervention, contempt action, motion
3 for new trial, or third-party petition, in a district court in the
4 county as part of the county's annual budget. The fee must be set
5 and itemized in the county's budget as part of the budget
6 preparation process and must be approved in a public meeting. The
7 fee is for preservation and restoration services performed in
8 connection with maintaining a district court records archive.

9 (c) The county treasurer, or the official who discharges the
10 duties commonly delegated to the county treasurer, in a county that
11 adopts a fee under Subsection (b) shall establish a district court
12 records technology fund in the general fund of the county for
13 deposit of fees paid under Section 51.317(f).

14 (d) Subject to Subsection (f), money generated from the fee
15 imposed under this section may be expended only for the

22 ~~(f) The district clerk in a county that adopts a fee under~~
23 ~~this section shall prepare an annual written plan for the~~
24 ~~preservation and restoration of the district court records archive.~~
25 ~~The plan may include a proposal for entering into a contract with~~
26 ~~another person for preservation and restoration services. The~~
27 ~~commissioners court shall publish notice of a public hearing on the~~

1 ~~plan in a newspaper of general circulation in the county not later~~
2 ~~than the 15th day before the date of the hearing. After the public~~
3 ~~hearing, the plan shall be considered for approval by the~~
4 ~~commissioners court. Money in the district court records~~
5 ~~technology fund may be expended only as provided by the plan. All~~
6 ~~expenditures from the records technology fund must comply with~~
7 ~~Subchapter C, Chapter 262, Local Government Code.~~

8 (g) If a county imposes a fee under this section, a notice
9 shall be posted in a conspicuous place in the district clerk's
10 office. The notice must state the amount of the fee in the
11 following form: "THE COMMISSIONERS COURT OF _____
12 (Insert name of county) COUNTY HAS DETERMINED THAT A RECORDS

14 court) IS NEEDED TO PRESERVE AND RESTORE DISTRICT COURT RECORDS."

15 (h) Money remaining from the collection of fees imposed
16 under this section after completion of a district court records
17 archive preservation and restoration project may be expended for
18 records management and preservation purposes in the manner provided
19 by Section 51.317(d). The commissioners court of a county may not
20 impose a fee under this section after the district court records
21 archive preservation and restoration project is complete.

DISTRICT CLERK-WILLIAMSON COUNTY, TEXAS PRESERVATION AND RESTORATION RECORDS PLAN

SUMMARY

The purpose of this document is to define the restoration and preservation, digital capture, storage, retention and management of archived records belonging to the District Clerk's Office. It has been identified that we still have several records archives that need to be reproduced for space availability purposes. It is the intent of the District Clerk to follow guidelines set by the Texas State Library and Archives Commissioner.

GOAL

The goal is to produce and archive all documents, regardless of type, as efficiently as possible. The District Clerk's Office is also restoring records, suspending and reducing deterioration of public records, improving public access to these documents in a manner that reduces the risk of deterioration, and possibly reducing or eliminating paper documents.

SCOPE

The scope of this document includes the following:

- All records filed with the District Clerk
- Plans to restore and preserve records with significant historical value
- Future plans are to improve public and governmental access

This document addresses the restoration and preservation of District Clerk records Archive only.

Currently the District Clerk holds hundreds of documents regarding civil and criminal actions that occur on a daily basis.
