Hi Brad,  
Do you have specific roadways to close and a map. Also, do you have a rain date?

Hi Brad,  
Your lane closures for the Reindeer Run where approved in court yesterday. If you go to our home page, [www.wilco.org](http://www.wilco.org), on the left hand side of the page towards the middle, click on Commissioner's Court and you can get the entire agenda and back up information that was submitted.

Please let me know if there is anything else we can do to help.

Kind Regards,
