Re: New Project Numbers & Budgets

In anticipation of the approval of Professional Service Agreements (PSA) for engineering services on CR 101 and CR 119 Road Bond projects; please move \$1,800,000.00 from Chandler Road, Phase 3A&B (P-175) into two (2) new P#'s (\$900,000.00 in each new P#). This should cover these two new projects through design phases over the next year.
