Ballasts Possibly Consisting of PCBs:

Out of the four (4) work sites, the County believes the Treatment Center site in Granger, TX is the only one that may still have some PCB ballasts in operation. In the unlikely event that a vendor may have to remove ballasts consisting of PCBs, below, please provide a unit cost for the safe and proper disposal of any ballasts with PCBs you may encounter on this project. Please fill and provide this completed form with your bid submission.

Per unit cost for disposal of PCB Ballasts: \$ 25.00
