Background

Our main office is in need of an additional copier/scanner. Copies and scanning are done on a continuous basis throughout the day and employees are waiting in line to use the copier. This creates a longer wait for the customer and is not a good use of the employee's time. Additional copier/scanner is needed which will be placed in the accounting section.

Background

I apparently wore out my laptop as I keep getting errors that won't go away and IT can't make go away. The Judicial Search won't work anymore through Internet Explorer browser and no one knows why. That just happened as of last week. I have had memory issues with it for over a year and after replacing the RAM once already and increasing its capacity, it is back to giving me memory errors again. With the new release of Odyssey, every time it updates it breaks our Anthem software on my PC. This only seems to occur on our older machines. Otis suggested I get a new one to replace this 2006 model.

POSSESSION AND USE AGREEMENT FOR UTILITY RELOCATION PURPOSES

STATE OF TEXAS	§	Project No.: SH195
	§	Parcel No.: 109—utility easements
COUNTY OF WILLIAMSON	§	CSJ No.: 0440-02-0112

This agreement, effective the _____ day of _____, 2011, between the CHISHOLM TRAIL SPECIAL UTILITY DISTRICT and PEDERNALES ELECTRIC COOPERATIVE, INC., acting by and through Williamson County, Texas (collectively the "County"), and W. CHARLES SCHNEIDER, a/k/a Wilford Charles Schneider, Individually and as Trustee of the WCS Heritage Trust, JANIS K. JOHNSON, Individually and as Trustee of JKJ Heritage Trust, and JOHN B. SCHNEIDER, Individually and as Trustee of the JBS Heritage Trust (the "Grantor(s)"), grants an irrevocable right to possession and use to the County, its contractors, agents and all others deemed necessary by the County for the purpose of constructing electric and waterline utility relocations adjacent to the proposed State Highway No. 195 improvement project. The property involved is described more fully in field notes and plat map attached as Exhibit "A" and made a part of this Agreement by reference, and includes the temporary construction easement as shown in Exhibit "A" (the "Property").

1. For the consideration paid by the County which is set forth in Paragraph two below, the receipt and sufficiency of which is acknowledged, Grantor(s) grant, bargain, sell and convey to the County exclusive possession and use of the Property for the purpose of electric facility and water line facility relocations and appurtenances thereto and the right to remove any improvements. This Possession and Use Agreement will extend to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc., their contractors, and assigns. This grant will allow the construction, relocation, replacement, repair, improvement, operation and maintenance of these utilities on the Property.

2. In full consideration for this irrevocable grant of possession and use, the County will tender to the Grantor(s) the sum of TEN THOUSAND THREE HUNDRED TWENTY ONE and 00/100 Dollars ($10,321.00). The Grantor(s) agrees that this sum represents adequate and full compensation for the possession and use of the Property. The County will be entitled to take possession and use of the Property upon tender of payment. The parties agree that the sum tendered represents 90 percent of the County's approved value. The approved value is the County's determination of the just compensation owed to the Grantor(s) for the full electric/waterline easement interest and temporary construction easement interest to be acquired by the County in the Property, and damages to the remainder, if any. The parties agree that this sum will be deducted from any final settlement amount, award or verdict. In the event the final award or verdict for the utility easement interests is less than the amount the County has paid for the possession and use of the property, then the Grantors agree that the original amount tendered represents an overpayment and that the County is entitled to seek a refund.

3. The GRANTOR warrants and represents by, through, and under the GRANTOR, but not otherwise, that the title to the Property is free and clear of all liens on the title to the Property, or that any necessary and proper releases will be executed for the Property prior to or simultaneously with the first payment of funds being disbursed under this agreement. GRANTOR further agrees to indemnify State from all unreleased or undisclosed liens, claims or encumbrances that are known to

Grantor and that affect the Property. This conveyance is made by GRANTOR and accepted by County subject to the following:

a. visible and apparent easements not appearing of record;

b. any discrepancies, conflicts, or shortages in area or boundary lines or any encroachments or any overlapping of improvements which a current survey would show; and

c. easements, restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances, and encumbrances for taxes and assessments (other than liens and conveyances) that affect the Property and are presently of record in the Official Public Records of the county in which the Property is located, but only to the extent that said items are still valid and in force and effect at this time.

4. This agreement is made with the understanding that the County will continue to negotiate in good faith with the Grantor(s) to acquire the easement interest in the Property by direct purchase. It is further understood in the event a settlement is not reached within ninety (90) days of the effective date of this Agreement, at the Grantor's request the County shall begin proceedings in eminent domain to acquire fee title to the Property. The County will not unreasonably delay the commencement of proceedings under eminent domain once the time provided for in this paragraph has expired.

5. The parties agree that the valuation date for purposes of determining the value of the just compensation for the Property to be acquired shall be the date of the deposit by County of any amount by which a special commissioners' award exceeds the consideration paid for this Agreement or the date of the special commissioners award if it does not exceed the amount of the consideration paid for this Agreement. The Property shall be valued, as of the date of valuation, as if any improvements located thereon as of the date the consideration is paid for this Agreement are still located on the Property.

6. This grant will not prejudice Grantor's rights to receive full and just compensation for the easement interests to be acquired by the County in the Property, encumbered with the improvements thereon, if any, and damages, if any, to the remainder of Grantors' lands. This grant will not prejudice Grantor(s) rights to any relocation benefits for which they may be eligible.

7. In the event the County institutes eminent domain proceedings, the County will not be liable to Grantor(s) for interest upon any award or judgment as a result of such proceedings for any period of time prior to the date of the award. Payment of any interest may be deferred by the County until entry of judgment.

8. The purpose of this agreement is to allow the County to proceed with its construction project without delay and to allow the Grantor(s) to avoid litigation at this time.

9. Grantors reserve all of the oil, gas and sulphur in and under the land herein conveyed but waive all right of ingress and egress to the surface for the purpose of exploring, developing, mining or drilling. The extraction of oil, gas and minerals may not affect the geological stability of the surface.

10. The undersigned Grantor(s) agree(s) to pay all taxes, including prorated taxes for the current year, and special assessments due at the time the County takes possession of the Property.

11. This agreement will also extend to and bind the heirs, devisees, executors, administrators, legal representatives, successors and assigns of the parties.

12. It is agreed the County will record this document

13. Other conditions: The parties agree that the grant of this Possession and Use Agreement, and the presence of any utility provider facilities constructed upon the property may not be used as evidence or as an assumption of the existence of a utility easement or any utility provider facilities on the Property as part of the valuation of the parent tract(s) by the State in connection with its acquisition of parcel 109 right of way or the value thereof.

To have and to hold the Agreement herein described and conveyed, together with all the rights and appurtenances belonging to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc, acting by and through Williamson County, and their assigns forever, for the purposes and subject to the limitations set forth above.

IN WITNESS WHEREOF, THIS INSTRUMENT IS EXECUTED ON THIS THE 29 DAY OF APRIL, 2011.

POSSESSION AND USE AGREEMENT FOR UTILITY RELOCATION PURPOSES

STATE OF TEXAS	§	Project No.: SH195
	§	Parcel No.: 109A—utility easements
COUNTY OF WILLIAMSON	§	CSJ No.: 0440-02-0112

This agreement, effective the _____ day of _____, 2011, between the CHISHOLM TRAIL SPECIAL UTILITY DISTRICT and PEDERNALES ELECTRIC COOPERATIVE, INC., acting by and through Williamson County, Texas (collectively the "County"), and JOHN SCHNEIDER, Trustee of the JBS Heritage Trust (the "Grantor(s)"), grants an irrevocable right to possession and use to the County, its contractors, agents and all others deemed necessary by the County for the purpose of constructing electric and waterline utility relocations adjacent to the proposed State Highway No. 195 improvement project. The property involved is described more fully in field notes and plat map attached as Exhibit "A" and made a part of this Agreement by reference, and includes the temporary construction easement as shown in Exhibit "A" (the "Property").

1. For the consideration paid by the County which is set forth in Paragraph two below, the receipt and sufficiency of which is acknowledged, Grantor(s) grant, bargain, sell and convey to the County exclusive possession and use of the Property for the purpose of electric facility and water line facility relocations and appurtenances thereto and the right to remove any improvements. This Possession and Use Agreement will extend to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc., their contractors, and assigns. This grant will allow the construction, relocation, replacement, repair, improvement, operation and maintenance of these utilities on the Property.

2. In full consideration for this irrevocable grant of possession and use, the County will tender to the Grantor(s) the sum of TWENTY FOUR THOUSAND NINE HUNDRED THIRTY-SIX and 00/100 Dollars ($24,936.00). The Grantor(s) agrees that this sum represents adequate and full compensation for the possession and use of the Property. The County will be entitled to take possession and use of the Property upon tender of payment. The parties agree that the sum tendered represents 90 percent of the County's approved value. The approved value is the County's determination of the just compensation owed to the Grantor(s) for the full electric/waterline easement interest and temporary construction easement interest to be acquired by the County in the Property, and damages to the remainder, if any. The parties agree that this sum will be deducted from any final settlement amount, award or verdict. In the event the final award or verdict for the utility easement interests is less than the amount the County has paid for the possession and use of the property, then the Grantors agree that the original amount tendered represents an overpayment and that the County is entitled to seek a refund.

3. The GRANTOR warrants and represents by, through, and under the GRANTOR, but not otherwise, that the title to the Property is free and clear of all liens on the title to the Property, or that any necessary and proper releases will be executed for the Property prior to or simultaneously with the first payment of funds being disbursed under this agreement. GRANTOR further agrees to indemnify State from all unreleased or undisclosed liens, claims or encumbrances that are known to Grantor and that affect the Property. This conveyance is made by GRANTOR and accepted by County subject to the following:

a. visible and apparent easements not appearing of record;

b. any discrepancies, conflicts, or shortages in area or boundary lines or any encroachments or any overlapping of improvements which a current survey would show; and

c. easements, restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances, and encumbrances for taxes and assessments (other than liens and conveyances) that affect the Property and are presently of record in the Official Public Records of the county in which the Property is located, but only to the extent that said items are still valid and in force and effect at this time.

4. This agreement is made with the understanding that the County will continue to negotiate in good faith with the Grantor(s) to acquire the easement interest in the Property by direct purchase. It is further understood in the event a settlement is not reached within ninety (90) days of the effective date of this agreement, at the Grantor's request the County shall begin proceedings in eminent domain to acquire fee title to the Property. The County will not unreasonably delay the commencement of proceedings under eminent domain once the time provided for in this paragraph has expired.

5. The parties agree that the valuation date for purposes of determining the value of the just compensation for the Property to be acquired shall be the date of the deposit by County of any amount by which a special commissioners' award exceeds the consideration paid for this Agreement or the date of the special commissioners award if it does not exceed the amount of the consideration paid for this Agreement. The Property shall be valued, as of the date of valuation, as if any improvements located thereon as of the date the consideration is paid for this Agreement are still located on the Property.

6. This grant will not prejudice Grantor's rights to receive full and just compensation for the easement interests to be acquired by the County in the Property, encumbered with the improvements thereon, if any, and damages, if any, to the remainder of Grantors' lands. This grant will not prejudice Grantor(s) rights to any relocation benefits for which they may be eligible.

7. In the event the County institutes eminent domain proceedings, the County will not be liable to Grantor(s) for interest upon any award or judgment as a result of such proceedings for any period of time prior to the date of the award. Payment of any interest may be deferred by the County until entry of judgment.

8. The purpose of this agreement is to allow the County to proceed with its construction project without delay and to allow the Grantor(s) to avoid litigation at this time.

9. Grantors reserve all of the oil, gas and sulphur in and under the land herein conveyed but waive all right of ingress and egress to the surface for the purpose of exploring, developing, mining or drilling. The extraction of oil, gas and minerals may not affect the geological stability of the surface.

10. The undersigned Grantor(s) agree(s) to pay all taxes, including prorated taxes for the current year, and special assessments due at the time the County takes possession of the Property.

11. This agreement will also extend to and bind the heirs, devisees, executors, administrators, legal representatives, successors and assigns of the parties.

12. It is agreed the County will record this document

13. Other conditions: The parties agree that the grant of this Possession and Use Agreement, and the presence of any utility provider facilities constructed upon the property may not be used as evidence or as an assumption of the existence of a utility easement or any utility provider facilities on the Property as part of the valuation of the parent tract(s) by the State in connection with its acquisition of parcel 109A right of way or the value thereof.

To have and to hold the Agreement herein described and conveyed, together with all the rights and appurtenances belonging to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc, acting by and through Williamson County, and their assigns forever, for the purposes and subject to the limitations set forth above.

STATE OF TEXAS	§	Project No.: SH195
	§	Parcel No.: 109B—utility easements
COUNTY OF WILLIAMSON	§	CSJ No.: 0440-02-0112

This agreement, effective the 29 day of APRIL, 2011, between the CHISHOLM TRAIL SPECIAL UTILITY DISTRICT and PEDERNALES ELECTRIC COOPERATIVE, INC., acting by and through Williamson County, Texas (collectively the "County"), and WILFORD C. SCHNEIDER, Trustee of the WCS Heritage Trust (the "Grantor(s)"), grants an irrevocable right to possession and use to the County, its contractors, agents and all others deemed necessary by the County for the purpose of constructing electric and waterline utility relocations adjacent to the proposed State Highway No. 195 improvement project. The property involved is described more fully in field notes and plat map attached as Exhibit "A" and made a part of this Agreement by reference, and includes the temporary construction easement as shown in Exhibit "A" (the "Property").

1. For the consideration paid by the County which is set forth in Paragraph two below, the receipt and sufficiency of which is acknowledged, Grantor(s) grant, bargain, sell and convey to the County exclusive possession and use of the Property for the purpose of electric facility and water line facility relocations and appurtenances thereto and the right to remove any improvements. This Possession and Use Agreement will extend to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc., their contractors, and assigns. This grant will allow the construction, relocation, replacement, repair, improvement, operation and maintenance of these utilities on the Property.

2. In full consideration for this irrevocable grant of possession and use, the County will tender to the Grantor(s) the sum of THIRTY ONE THOUSAND EIGHT HUNDRED EIGHTY-THREE and 00/100 Dollars ($31,883.00). The Grantor(s) agrees that this sum represents adequate and full compensation for the possession and use of the Property. The approved value is the County's determination of the just compensation owed to the Grantor(s) for the full electric/waterline easement interest and temporary construction easement interest to be acquired by the County in the Property, and damages to the remainder, if any. 5. The parties agree that the valuation date for purposes of determining the value of the just compensation for the Property to be acquired shall be the date of the deposit by County of any amount by which a special commissioners' award exceeds the consideration paid for this Agreement or the date of the special commissioners award if it does not exceed the amount of the consideration paid for this Agreement. The Property shall be valued, as of the date of valuation, as if any improvements located thereon as of the date the consideration is paid for this Agreement are still located on the Property.

6. This grant will not prejudice Grantor's rights to receive full and just compensation for the easement interests to be acquired by the County in the Property, encumbered with the improvements thereon, if any, and damages, if any, to the remainder of Grantors' lands. This grant will not prejudice Grantor(s) rights to any relocation benefits for which they may be eligible.

POSSESSION AND USE AGREEMENT FOR UTILITY RELOCATION PURPOSES

STATE OF TEXAS	§	Project No.: SH195
	§	Parcel No.: 109C—utility easements
COUNTY OF WILLIAMSON	§	CSJ No.: 0440-02-0112

This agreement, effective the _____ day of _____, 2011, between the CHISHOLM TRAIL SPECIAL UTILITY DISTRICT and PEDERNALES ELECTRIC COOPERATIVE, INC., acting by and through Williamson County, Texas (collectively the "County"), and JANIS K. JOHNSON, Trustee of the JKJ Heritage Trust (the "Grantor(s)"), grants an irrevocable right to possession and use to the County, its contractors, agents and all others deemed necessary by the County for the purpose of constructing electric and waterline utility relocations adjacent to the proposed State Highway No. 195 improvement project. The property involved is described more fully in field notes and plat map attached as Exhibit "A" and made a part of this Agreement by reference, and includes the temporary construction easement as shown in Exhibit "A" (the "Property").

1. For the consideration paid by the County which is set forth in Paragraph two below, the receipt and sufficiency of which is acknowledged, Grantor(s) grant, bargain, sell and convey to the County exclusive possession and use of the Property for the purpose of electric facility and water line facility relocations and appurtenances thereto and the right to remove any improvements. This Possession and Use Agreement will extend to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc., their contractors, and assigns. This grant will allow the construction, relocation, replacement, repair, improvement, operation and maintenance of these utilities on the Property.

2. In full consideration for this irrevocable grant of possession and use, the County will tender to the Grantor(s) the sum of ELEVEN THOUSAND EIGHT HUNDRED FORTY-ONE and 00/100 Dollars ($11,841.00). The Grantor(s) agrees that this sum represents adequate and full compensation for the possession and use of the Property. The County will be entitled to take possession and use of the Property upon tender of payment. The parties agree that the sum tendered represents 90 percent of the County's approved value. The approved value is the County's determination of the just compensation owed to the Grantor(s) for the full electric/waterline easement interest and temporary construction easement interest to be acquired by the County in the Property, and damages to the remainder, if any. The parties agree that this sum will be deducted from any final settlement amount, award or verdict. In the event the final award or verdict for the utility easement interests is less than the amount the County has paid for the possession and use of the property, then the Grantors agree that the original amount tendered represents an overpayment and that the County is entitled to seek a refund.

3. The GRANTOR warrants and represents by, through, and under the GRANTOR, but not otherwise, that the title to the Property is free and clear of all liens on the title to the Property, or that any necessary and proper releases will be executed for the Property prior to or simultaneously with the first payment of funds being disbursed under this agreement. GRANTOR further agrees to indemnify State from all unreleased or undisclosed liens, claims or encumbrances that are known to Grantor and that affect the Property. This conveyance is made by GRANTOR and accepted by County subject to the following:

a. visible and apparent easements not appearing of record;

b. any discrepancies, conflicts, or shortages in area or boundary lines or any encroachments or any overlapping of improvements which a current survey would show; and

c. easements, restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances, and encumbrances for taxes and assessments (other than liens and conveyances) that affect the Property and are presently of record in the Official Public Records of the county in which the Property is located, but only to the extent that said items are still valid and in force and effect at this time.

4. This agreement is made with the understanding that the County will continue to negotiate in good faith with the Grantor(s) to acquire the easement interest in the Property by direct purchase. It is further understood in the event a settlement is not reached within ninety (90) days of the effective date of this agreement, at the Grantor's request the County shall begin proceedings in eminent domain to acquire fee title to the Property. The County will not unreasonably delay the commencement of proceedings under eminent domain once the time provided for in this paragraph has expired.

5. The parties agree that the valuation date for purposes of determining the value of the just compensation for the Property to be acquired shall be the date of the deposit by County of any amount by which a special commissioners' award exceeds the consideration paid for this Agreement or the date of the special commissioners award if it does not exceed the amount of the consideration paid for this Agreement. The Property shall be valued, as of the date of valuation, as if any improvements located thereon as of the date the consideration is paid for this Agreement are still located on the Property.

6. This grant will not prejudice Grantor's rights to receive full and just compensation for the easement interests to be acquired by the County in the Property, encumbered with the improvements thereon, if any, and damages, if any, to the remainder of Grantors' lands. This grant will not prejudice Grantor(s) rights to any relocation benefits for which they may be eligible.

7. In the event the County institutes eminent domain proceedings, the County will not be liable to Grantor(s) for interest upon any award or judgment as a result of such proceedings for any period of time prior to the date of the award. Payment of any interest may be deferred by the County until entry of judgment.

8. The purpose of this agreement is to allow the County to proceed with its construction project without delay and to allow the Grantor(s) to avoid litigation at this time.

9. Grantors reserve all of the oil, gas and sulphur in and under the land herein conveyed but waive all right of ingress and egress to the surface for the purpose of exploring, developing, mining or drilling. The extraction of oil, gas and minerals may not affect the geological stability of the surface.

10. The undersigned Grantor(s) agree(s) to pay all taxes, including prorated taxes for the current year, and special assessments due at the time the County takes possession of the Property.

11. This agreement will also extend to and bind the heirs, devisees, executors, administrators, legal representatives, successors and assigns of the parties.

12. It is agreed the County will record this document

13. Other conditions: The parties agree that the grant of this Possession and Use Agreement, and the presence of any utility provider facilities constructed upon the property may not be used as evidence or as an assumption of the existence of a utility easement or any utility provider facilities on the Property as part of the valuation of the parent tract(s) by the State in connection with its acquisition of parcel 109C right of way or the value thereof.

To have and to hold the Agreement herein described and conveyed, together with all the rights and appurtenances belonging to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc, acting by and through Williamson County, and their assigns forever, for the purposes and subject to the limitations set forth above.

IN WITNESS WHEREOF, THIS INSTRUMENT IS EXECUTED ON THIS THE 21st DAY OF April, 2011.

The Records Management Officer shall submit the records control schedules to the director and librarian.

SECTION 13. IMPLEMENTATION OF RECORDS CONTROL SCHEDULES; DESTRUCTION OF RECORDS UNDER SCHEDULE. (c) Prior to the destruction of a record under an approved records control schedule, authorization for the destruction must be obtained by the Records Management Officer from the Records Management Committee.

SECTION 14. DESTRUCTION OF UNSCHEDULED RECORDS. the Texas State Library and Archives Commission. The plan will also establish criteria for determining the eligibility of records for microfilming, and protocols for ensuring that a microfilming program that is exempted from the centralized operations is, nevertheless, subject to periodic review by the records management officer as to cost-effectiveness, administrative efficiency, and compliance with commission rules.

As records management officer for the local government or elective county office named, I hereby declare, that in lieu of filing records control schedules, we have adopted records control schedules that comply with minimum requirements established on records retention schedules issued by the Texas State Library and Archives Commission (as checked below) for use in our records management program. In doing so, I also certify that the administrative rules for electronic records, adopted by the commission under § 205.003(a), Local Government Code, will be followed for records subject to the rules. I understand that:

(1) the validity of this declaration is contingent on its acceptance for filing by the commission;

(2) if we have previously filed documentation with the commission in which we declared our intent to retain all records permanently, we must attach amended documentation to this declaration before it can be accepted for filing;

(3) the records control schedules adopted by this declaration may be amended by filing for approval a Supplemental Records Control Schedule (SLR Form 509) on which are listed proposed retention periods for records that do not appear on schedules issued by the commission (as checked below);

(4) if a Supplemental Records Control Schedule is not filed, we must file a Request for Authorization to Destroy Unscheduled Records (SLR 501) in order to destroy records that do not appear on schedules issued by the commission (as checked below);

(5) the commission will supply us with subsequent editions of any schedules issued by the commission (as checked below) and supplemental forms for declaring compliance with amended requirements; and

(6) should we file locally developed records control schedules under § 203.041(a)(1), Local Government Code, retention periods on any approved locally developed schedule shall prevail over those in any schedule adopted by this declaration in the event of any conflict.

Check those schedules issued by the commission with which your records control schedules, adopted by this declaration, comply:

Instructions for Completing Form SLR 508

Declaration of Compliance with the Records Scheduling Requirement of the Local Government Records Act

Completion of this form is largely self-explanatory, but records management officers should keep the following in mind when preparing the form for submission.

- Before submitting this declaration, make certain that you have the latest editions of the records retention schedules issued by the commission (see enclosed list) that are applicable to the records of your government. If you do not have the latest editions, contact the State and Local Records Management Division.

- Elective county officers should indicate both their county and office (and precinct number, if applicable) under the name of the government. For example, Travis County Commissioner #3.

- Declarations must be signed by the designated records management officer of the local government or elective county office. Declarations not signed by the records management officer will be returned for re-submission.

- Do not declare the adoption of records control schedules that comply with schedules issued by the commission that are inapplicable to the records of your government. For example, a school district should not check Local Schedule CC, which is used exclusively by county clerks. Declarations indicating compliance with inappropriate schedules will be returned for re-submission.

- If the policy statement (for elective county offices) or ordinance, order, or resolution (for local governments) you previously filed with the commission declares the intent to retain all records of your office or government permanently, you must submit amended documentation with this form, withdrawing that intent, to make this declaration acceptable for filing.

A copy of this form indicating its acceptance for filing will be returned to the records management officer.

For questions concerning the use of this form or the management of local government records, please call our government records consultant for your region or 512-421-7200.

Consider approving Change Order #1 for the Quarry Splash Pad in the amount of $28,015.70.

Background

The Quarry Splash Pad is located in an old quarry within the Southwest Regional Park. After testing and boreholes the original restroom /equipment building design called for 18 foot piers into bedrock. Two holes were drilled successfully but subsequent ones hit only loose rock at a depth of 30 feet. After study by the structural engineer the restroom foundation design was changed to large beams to stabilize the building slab and the building footprint was moved to the West finding better conditions. Change order # 1 reflects the cost to change the building design in mid construction.

Consider awarding contract to Baker Aicklen for LANDSCAPE ARCHITECTURAL SERVICES FOR WILLIAMSON COUNTY BYERS TRACT PARK RFQ NUMBER: 11WCRFQ1002. The not-to-exceed cost for this project is $65,000.

Background

It is important to prepare a conceptual master plan of the Byers Tract to help determine needs to aid future development and planning. To that end, an RFQ was advertized through the purchasing department for landscape architectural services to prepare such a plan. The evaluation team of Jim Rodgers, Randy Bell and Jonathon Harris reviewed the fourteen responses to the RFQ for the concept plan for the Byers Tract conceptual plan park site – RFQ number 11WCRFQ 1002 formally advertized as LANDSCAPE ARCHITECTURAL SERVICES FOR WILLIAMSON COUNTY BYERS TRACT PARK The same team plus Rick Atkins, Round Rock Parks and Recreation director, and Mike Hemker Hutto, Parks and Recreation director followed up by conducting interviews with the top four scoring firms. All of the firms presented well, but the team unanimously recommended award of the contract to the firm of Baker Aicklen. They meet all requirements of the RFQ including history, references and technical considerations, and we have seen examples of their work with the Brushy Creek Regional Trail, Berry Springs Park & Preserve, and the Williams Tract Conceptual master plan. They also have a very good completion record. The references given had nothing but praise for their work. The accompanying contract for these services is in the NTE amount of $65,000.

Memorandum

Jim Rodgers
PARKS AND RECREATION DIRECTOR

To: Bob Space, Purchasing Director

From: Jim Rodgers, Director Parks and Recreation

Date: May 5, 2011

Subject: Award of Contract Byers Tract Conceptual Plan RFQ Number 11WCRFQ1002 to Baker Aicklen

Bob,
The evaluation team of Jim Rodgers, Randy Bell and Jonathon Harris reviewed the fourteen responses to the RFQ for the concept plan for the Byers Tract conceptual plan park site – RFQ number 11WCRFQ 1002 formally advertized as LANDSCAPE ARCHITECTURAL SERVICES FOR WILLIAMSON COUNTY BYERS TRACT PARK

The same team plus Rick Atkins, Round Rock Parks and Recreation director, and Mike Hemker Hutto, Parks and Recreation director followed up by conducting interviews with the top four scoring firms. The team unanimously recommended award of the contract to the firm of Baker Aicklen in the NTE amount of $65,000. They meet all requirements of the RFQ including history, references and technical considerations and we have seen examples of their work with the Brushy Creek Regional Trail, Berry Springs Park & Preserve, and the Williams Tract Conceptual master plan. They also have a very good completion record. The references given had nothing but praise for their work.

The evaluation matrix is attached to this memo. Please thank Jonathan & Patrick for all of their help and should you need any further information please let me know

PROFESSIONAL SERVICES AGREEMENT

STATE OF TEXAS §
§
COUNTY OF WILLIAMSON §

This Agreement is made and entered into this day by and between Williamson County, Texas, a political subdivision of the State of Texas, (***the "County"***) and *Baker-Aicklen & Associates, a Texas Corporation* (***the "Landscape Architect"***).

WHEREAS, ***County*** proposes to master plan the *Byers's Tract Park (**the "Project"**)* within Williamson County, Texas;

WHEREAS, ***County*** desires to obtain professional services for the ***Project***;

WHEREAS, ***Landscape Architect*** has the professional ability and expertise to fulfill the requirements of the ***Project***, and to counsel ***County*** in the master planning the park.

NOW, THEREFORE, ***County*** and ***Landscape Architect*** agree to the performance of the professional services by ***Landscape Architect*** and the payment for these services by ***County*** as set forth herein.

Section I
Employment of the Landscape Architect

County agrees to employ ***Landscape Architect*** and ***Landscape Architect*** agrees to perform professional Landscape Architectural services for the ***Project*** as stated in the Sections to follow. As a condition to employment, it is specifically agreed that any disputes arising hereunder shall be submitted to the County Judge or his designee and/or agent as designated in the Scope of Services in Appendix A, or as otherwise designated (***individually or collectively the "County Judge"***). The ***County Judge*** shall have complete authority for the purpose of resolving technical matters.

Section II
Basic Services of the Landscape Architect

A. In consideration of the compensation herein provided, ***Landscape Architect*** shall perform professional Landscape Architectural services for the ***Project***, which are acceptable to the ***County Judge***, based on standard Landscape Architectural practices and the scope of work described in the Work Authorizations to this Agreement. ***Landscape Architect*** shall also serve as ***County's*** professional Landscape Architect in those phases of the ***Project*** to which this Agreement applies and will consult with and give advice to ***County*** during the performance of ***Landscape Architect's*** services.

B. ***Landscape Architect*** shall not commence work until ***Landscape Architect*** has been thoroughly briefed on the scope of the ***Project*** and has been notified in writing by the ***County Judge*** to proceed, as evidenced by a Work Authorization in the form of Attachment A to Exhibit I.

C. ***County*** shall provide ***Landscape Architect*** with all existing plans, maps, studies, reports, field notes, statistics, computations, and other data in its possession relative to existing facilities and to this particular ***Project*** at no cost to ***Landscape Architect***; however, any and all such information shall remain the property of ***County*** and shall be returned, if the ***County Judge*** so instructs ***Landscape Architect***.

D. ***Landscape Architect*** shall perform the following Basic Scope of Services:

1. The basic Scope of Services shall generally consist of all elements of work, materials and equipment required for the development of the ***Project***, including any Public Hearings, satisfactory to the ***County Judge*** and the County's Commissioners Court, in accordance with the requirements, policies, and general practices of Williamson County.

2. As part of the Scope of Services, ***Landscape Architect*** shall submit its Work Products to ***County*** for review at intervals as deemed necessary by Landscape Architect.

3. The detailed Scope of Services for each phase of the ***Project*** shall be set forth and fully described in each Work Authorization issued as a part of this Agreement, and same shall be expressly incorporated and made a part hereof.

Section III
Fee schedule and Right to Audit

A. For and in consideration of the performance by ***Landscape Architect*** of the work described in the Scope of Services as defined in the Work Authorizations, ***County*** shall pay and ***Landscape Architect*** shall receive the fee set forth in the Work Authorizations. Exhibits I and II are attached hereto and made a part hereof. Invoices shall be submitted by ***Landscape Architect*** on a monthly basis and shall be considered past due if not paid within thirty (30) calendar days of the receipt of invoice by ***County.***

In the event of any dispute over the classification of ***Landscape Architect's*** services as basic or additional services under this agreement, the decision of the ***County Judge*** shall be final and binding on ***Landscape Architect.***

C. ***County*** believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Agreement. ***Landscape Architect*** understands and agrees that the County's payment of amounts under this Agreement is contingent on the ***County*** receiving appropriations or other expenditure authority sufficient to allow the ***County***, in the exercise of reasonable administrative discretion, to continue to make payments under this Agreement.

D. ***Landscape Architect*** agrees to maintain appropriate accounting records of costs,

expenses, and payrolls of employees working on the ***Project***, together with documentation of evaluations and study results for a period of three (3) years after final payment for completed services and all other pending matters concerning this Agreement have been closed.

Upon the discovery of such an event, ***Landscape Architect*** shall notify ***County***, and attend a special meeting with the ***County Judge*** to propose a program for a solution to the problem, and, if necessary, to establish an estimated period of time of suspension or extension of the work. A written request for an extension of time, when properly documented and justified by the circumstances, will be granted by the ***County Judge***.

D. ***County*** may suspend the work at any time for any reason without terminating this Agreement by giving written Notice of Suspension and the work may be reinstated and this Agreement resumed in full force and effect within thirty (30) days of receipt by ***Landscape Architect*** of written Notice of Reinstatement from ***County***. ***Landscape Architect***, upon receipt of a Notice of Suspension shall follow the procedures described in the attached Exhibit V, which is attached hereto and made a part hereof. In the event of ***County's*** termination for convenience, it is understood and agreed that only the amounts due to ***Landscape Architect*** for services provided and expenses incurred to and including the date of termination, will be due and payable. No penalty will be assessed for ***County's*** termination of this Agreement for convenience.

F. After acceptance, ***Landscape Architect*** shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive final approval by the ***County Judge***. "Approval" in this sense shall mean formal recognition that the work has been fully carried out.

G. After approval of final Work Products, ***Landscape Architect*** shall, without additional compensation, perform any work required as a result of ***Landscape Architect's***

development of the products which is found to be in error or omission due to ***Landscape Architect's*** negligence. However, any work required or occasioned for the convenience of ***County*** after approval of a final product shall be paid for as Additional Services.

H. In the event of any dispute over the classification of ***Landscape Architect's*** Work Products as complete, accepted, or approved under this Agreement, the decision of the ***County Judge*** shall be final and binding on ***Landscape Architect,*** subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

A) If the Local Prosecuting Authority fails to provide services according to the terms and conditions of this agreement, HHSC-OIG may, upon written notice of default to the Local Prosecuting Authority, terminate all or any part of the agreement. ii. A Local Prosecuting Authority's claim for breach of this agreement that the parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Texas Government Code §§ 2260.051-2260.056. iv. Compliance with the contested case process provided in subchapter C is a condition precedent to seeking consent to sue from the Legislature under Chapter 107 of the Civil Practices and Remedies Code. Neither the execution of this agreement by HHSC-OIG nor any other conduct of any representative of HHSC or HHSC-OIG relating to the agreement shall be considered a waiver of sovereign immunity to suit.

v. The submission, processing and resolution of the Local Prosecuting Authority's claim is governed by the administrative rules adopted by HHSC pursuant to Chapter 2260, Government Code, as currently effective, hereafter enacted or subsequently amended. The parties shall use the specific procedures set forth in 1 Texas Administrative Code Chapters and 394.

vi. Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the Local Prosecuting Authority, in whole or in part.

16. **Use of Information.** The Local Prosecuting Authority, pursuant to its responsibilities under this Agreement, may use or disclose information referred by HHSC-OIG in compliance with applicable statutes, rules and regulations governing the use and disclosure of information relating to cases handled under this Agreement. Such use or disclosure shall be by Local Prosecuting Authority personnel who are personally and directly engaged in, and only to the extent necessary for judicial or administrative proceeding participation or preparation, any investigation which may result in such proceeding or any grand jury proceeding, unless expressly authorized in writing in advance by HHSC-OIG.

A) It is expressly understood and agreed that no party waives, nor shall be deemed to have waived, any immunity or defense otherwise available to it under the law.

B) This Agreement is not intended, nor shall it be construed, to confer any benefits, rights, or remedies upon any person or entity not a party hereto.

17. **Cooperation with HHSC and state administrative agencies.** The Local Prosecuting Authority agrees to reasonably cooperate with and work with the State's contractors, subcontractors and third-party representatives as requested by HHSC or OIG. The unincorporated areas in Cedar Park's fire service area have been receiving fire and first responder services from Cedar Park Fire Department since its inception. Those residents do not pay Cedar Park property taxes and Cedar Park is not under obligation to provide those services. For several years, representatives from Cedar Park met with individuals and groups from the various neighborhoods about the situation. In November of 2010, the Cedar Park City Council formally voted to let the residents in those unincorporated areas know that they had to come up with some mechanism by which they could contract with the City for fire and first responder services or the City would no longer provide them after December 31, 2011.

Various meetings were held in the neighborhoods and several informational meetings conducted by the City of Cedar Park. The Williamson County residents decided to try to form two separate ESDs: one for the Shenandoah neighborhood on the southern end of Cedar Park and another that includes all the others areas and neighborhoods which are in the northeast area of the City.

There are specific steps which must be followed in the ESD formation process and Charlie Crossfield has been volunteering his time and assisting the neighbors in the areas desiring to form the ESD's. In order to petition the Commissioners Court to have an ESD election placed on the ballot, a petition with one hundred valid signatures from registered voters and property owners in the respective areas is required. Charlie prepared the petitions with the required language and exhibits for each of the areas and representatives from the two areas collected signatures.

The petitions from the two areas each contained approximately 180 signatures. The Williamson County Elections office went through the petitions and verified signatures until they found at least 120 valid ones on each petition.

On May 17, 2011, I will be placing an item on the Commissioners Court agenda to recommend the County formally accept the petitions. If the County approves the petitions, they are forwarded to the City of Cedar Park for their action since the areas are in their ETJ. The Council will then vote on whether or not to accept the petitions. Assuming an affirmative vote, the appropriate language will be placed on the November ballot for the voters in those areas to vote on the issue.

If the ballot initiative passes, the Commissioners Court will appoint ESD Commissioners to the two respective ESD Boards.

(1) Certificate of Coverage ("certificate") - A copy of a certificate of insurance, a certificate of authority to self-insure issued by the Texas Workers' Compensation Commission, or a coverage agreement (TWCC-81, TWCC-82, TWCC-83, or TWCC-84), showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the Duration of the Work.

(2) Duration of the Work - includes the time from the beginning of the Work until the Work has been completed and accepted by the Owner.

"Services" include, without limitation, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the Work, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

b. The Contractor shall provide Coverage, based on proper reporting of classification codes and payroll amounts and filing of any Coverage agreements, which meets the statutory requirements of Texas labor Code, §401.011(44) for all employees of the Contractor providing services in relation to the Work, for the Duration of the Work.

c. The Contractor must provide a Certificate of Coverage to the Owner prior to or contemporaneously with the execution of this Agreement.

d. If the Coverage period shown on the Contractor's current Certificate of Coverage ends during the Duration of the Work, the Contractor must, prior to the end of the Coverage period, file a new Certificate of Coverage with the Owner showing that Coverage has been extended.

e. The Contractor shall obtain from each person providing services in relation to the Work, and provide to the Owner:

i. By signing this Agreement or providing or causing to be provided a Certificate of Coverage, the Contractor is representing to the Owner that all employees of the Contractor who will provide services in relation to the Work and all persons providing services in relation to the Work will be covered by workers' compensation coverage for the Duration

of the Work, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

j. The Contractor's failure to comply with any of these provisions is a breach of Agreement by the Contractor which entitles the Owner to declare the Agreement void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the Owner.

6.5.5 **The furnishing of the above listed insurance coverage must be tendered prior to execution of the Agreement.** The Contractor shall not cause or allow any of its required insurance to be canceled, nor permit any insurance to lapse during the term of the Agreement or as required in the Agreement. If the Contractor fails to obtain, maintain or renew any insurance required by this Agreement, the Owner may, among other remedies available hereunder or at law, obtain insurance coverage directly and recover the cost of that insurance from the Contractor or declare this Agreement void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the Owner.

6.5.6 The Owner reserves the right to review the insurance requirements set forth in this Article during the effective period of the Agreement and to make reasonable adjustments to the insurance coverage and their limits when deemed necessary and prudent by the Owner based upon changes in statutory law, court decisions, or the claims history of the industry as well as the Contractor.

6.5.7 The Owner shall be entitled, upon request, and without expense, to receive complete copies of the policies with all endorsements and may make any reasonable requests for deletion, or revision or modification of particular policy terms, conditions, limitations, or exclusions, except where policy provisions are established by law or regulation binding upon the Parties or the underwriter of any of such polices. Damages caused by the Contractor and not covered by insurance shall be paid by the Contractor.

6.5.8 **The Contractor shall contractually require each person or entity with whom it contracts to provide services in relation to the Work, to comply with each and every insurance requirement that Contractor must comply with hereunder. More specifically, each person or entity with whom Contractor contracts to provide services on the in relation to the Work must comply with each insurance requirement under this Article 8 just as if such person or entity was the Contractor. Thus, every reference to Contractor under each insurance requirement of this Article 8 shall mean and include each person or entity with whom Contractor contracts to provide services in relation to the Work. If any such person or entity with whom Contractor contracts to provide services in relation to the Work fails to obtain, maintain or renew any insurance required by this Agreement, the Owner may, among other remedies available hereunder or at law, obtain insurance coverage directly and recover the cost of that insurance from the Contractor or declare**

Subject: FY 2011 Seal Coat Project

Jonathan and Patrick,

We would like to place the recommendation of APAC - Texas Inc. (Wheeler) on the Commissioner's Court agenda for the Court's review and potential award of the FY 2011 seal coat project. While there were no other bidders to compare to, we analyzed their bid proposal against the Engineer's estimate. We analyzed each line item in their proposal and found them to be reasonable and appropriate. APAC's bid was approximately $250K (8%) over the Engineer's estimate but we believe this is due to the increasing cost of petroleum (gas, diesel, asphalt, etc.) and a shortage in available trucking. Material suppliers of the aggregate specified in the contract are competing with a flourishing oil field industry for trucking resources.

Re: Williamson County Road Bond Program
FM 1660 @ Landfill Rd. (CR 128)
Williamson County Project No. 11WC913
Recommendation of Contractor Award

Dear Mr. Harris,

Please find attached the bid tabulations for the subject-referenced project. The bids have been reviewed and adjusted for correctness. Corrections were necessary to one bid due to minor multiplication and addition errors. The corrections resulted in no changes to the bid rankings, and did not change the status of the low bidder. The bids are therefore accepted as hereby submitted, with Aaron Concrete Contractors being the low bidder.

Following is a summary of the bid totals:

1.	Aaron Concrete	$374,290.88
2.	Cash Construction	$397,231.00
3.	Champion Site Prep	$410,151.49
4.	Smith Contracting	$421,158.00
5.	DNT Construction	$440,770.29
6.	Patin Construction	$461,774.40
7.	Austin Engineering	$462,207.99
8.	Chasco Constructors	$479,999.00
9.	RGM Constructors	$508,027.13
10.	Joe Bland Construction	$567,652.03

The Contractor's low bid is $104,360.82 under the Engineer's estimated cost of construction. This represents an approximate 21.8% savings to the County over the estimated construction cost.

In addition to meeting the bid qualifications subject to being low bidder, Aaron Concrete Contractors is currently the prime contractor on the US 183 @ 3405 (Left Turn Lanes) Road Bond project. Based on the quality of work performed by the Contractor and the favorable working relationships established with the County and its Representatives, we recommend award of the FM 1660 @ Landfill Rd. (CR 128) construction contract to Aaron Concrete Contractors in the contract amount of $374,290.92.

Please feel free to contact our office with any questions.

Respectfully Submitted,

HNTB Corporation

James D. Klotz, P.E.

Background

Our main office is in need of an additional copier/scanner. Copies and scanning are done on a continuous basis throughout the day and employees are waiting in line to use the copier. This creates a longer wait for the customer and is not a good use of the employee's time. Additional copier/scanner is needed which will be placed in the accounting section.

Background

I apparently wore out my laptop as I keep getting errors that won't go away and IT can't make go away. The Judicial Search won't work anymore through Internet Explorer browser and no one knows why. That just happened as of last week. I have had memory issues with it for over a year and after replacing the RAM once already and increasing its capacity, it is back to giving me memory errors again. With the new release of Odyssey, every time it updates it breaks our Anthem software on my PC. This only seems to occur on our older machines. Otis suggested I get a new one to replace this 2006 model.

STATE OF TEXAS	§	Project No.: SH195
	§	Parcel No.: 109—utility easements
COUNTY OF WILLIAMSON	§	CSJ No.: 0440-02-0112

This agreement, effective the _____ day of _____, 2011, between the CHISHOLM TRAIL SPECIAL UTILITY DISTRICT and PEDERNALES ELECTRIC COOPERATIVE, INC., acting by and through Williamson County, Texas (collectively the "County"), and W. CHARLES SCHNEIDER, a/k/a Wilford Charles Schneider, Individually and as Trustee of the WCS Heritage Trust, JANIS K. JOHNSON, Individually and as Trustee of JKJ Heritage Trust, and JOHN B. SCHNEIDER, Individually and as Trustee of the JBS Heritage Trust (the "Grantor(s)"), grants an irrevocable right to possession and use to the County, its contractors, agents and all others deemed necessary by the County for the purpose of constructing electric and waterline utility relocations adjacent to the proposed State Highway No. 195 improvement project. The property involved is described more fully in field notes and plat map attached as Exhibit "A" and made a part of this Agreement by reference, and includes the temporary construction easement as shown in Exhibit "A" (the "Property").

1. For the consideration paid by the County which is set forth in Paragraph two below, the receipt and sufficiency of which is acknowledged, Grantor(s) grant, bargain, sell and convey to the County exclusive possession and use of the Property for the purpose of electric facility and water line facility relocations and appurtenances thereto and the right to remove any improvements. This Possession and Use Agreement will extend to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc., their contractors, and assigns. This grant will allow the construction, relocation, replacement, repair, improvement, operation and maintenance of these utilities on the Property.

2. In full consideration for this irrevocable grant of possession and use, the County will tender to the Grantor(s) the sum of TEN THOUSAND THREE HUNDRED TWENTY ONE and 00/100 Dollars ($10,321.00). The Grantor(s) agrees that this sum represents adequate and full compensation for the possession and use of the Property. The County will be entitled to take possession and use of the Property upon tender of payment. The parties agree that the sum tendered represents 90 percent of the County's approved value. The approved value is the County's determination of the just compensation owed to the Grantor(s) for the full electric/waterline easement interest and temporary construction easement interest to be acquired by the County in the Property, and damages to the remainder, if any. The parties agree that this sum will be deducted from any final settlement amount, award or verdict. In the event the final award or verdict for the utility easement interests is less than the amount the County has paid for the possession and use of the property, then the Grantors agree that the original amount tendered represents an overpayment and that the County is entitled to seek a refund.

3. The GRANTOR warrants and represents by, through, and under the GRANTOR, but not otherwise, that the title to the Property is free and clear of all liens on the title to the Property, or that any necessary and proper releases will be executed for the Property prior to or simultaneously with the first payment of funds being disbursed under this agreement. GRANTOR further agrees to indemnify State from all unreleased or undisclosed liens, claims or encumbrances that are known to

Grantor and that affect the Property. This conveyance is made by GRANTOR and accepted by County subject to the following:

a. visible and apparent easements not appearing of record;

b. any discrepancies, conflicts, or shortages in area or boundary lines or any encroachments or any overlapping of improvements which a current survey would show; and

c. easements, restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances, and encumbrances for taxes and assessments (other than liens and conveyances) that affect the Property and are presently of record in the Official Public Records of the county in which the Property is located, but only to the extent that said items are still valid and in force and effect at this time.

4. This agreement is made with the understanding that the County will continue to negotiate in good faith with the Grantor(s) to acquire the easement interest in the Property by direct purchase. It is further understood in the event a settlement is not reached within ninety (90) days of the effective date of this Agreement, at the Grantor's request the County shall begin proceedings in eminent domain to acquire fee title to the Property. The County will not unreasonably delay the commencement of proceedings under eminent domain once the time provided for in this paragraph has expired.

5. The parties agree that the valuation date for purposes of determining the value of the just compensation for the Property to be acquired shall be the date of the deposit by County of any amount by which a special commissioners' award exceeds the consideration paid for this Agreement or the date of the special commissioners award if it does not exceed the amount of the consideration paid for this Agreement. The Property shall be valued, as of the date of valuation, as if any improvements located thereon as of the date the consideration is paid for this Agreement are still located on the Property.

6. This grant will not prejudice Grantor's rights to receive full and just compensation for the easement interests to be acquired by the County in the Property, encumbered with the improvements thereon, if any, and damages, if any, to the remainder of Grantors' lands. This grant will not prejudice Grantor(s) rights to any relocation benefits for which they may be eligible.

7. In the event the County institutes eminent domain proceedings, the County will not be liable to Grantor(s) for interest upon any award or judgment as a result of such proceedings for any period of time prior to the date of the award. Payment of any interest may be deferred by the County until entry of judgment.

8. The purpose of this agreement is to allow the County to proceed with its construction project without delay and to allow the Grantor(s) to avoid litigation at this time.

9. Grantors reserve all of the oil, gas and sulphur in and under the land herein conveyed but waive all right of ingress and egress to the surface for the purpose of exploring, developing, mining or drilling. The extraction of oil, gas and minerals may not affect the geological stability of the surface.

10. The undersigned Grantor(s) agree(s) to pay all taxes, including prorated taxes for the current year, and special assessments due at the time the County takes possession of the Property.

11. This agreement will also extend to and bind the heirs, devisees, executors, administrators, legal representatives, successors and assigns of the parties.

12. It is agreed the County will record this document

13. Other conditions: The parties agree that the grant of this Possession and Use Agreement, and the presence of any utility provider facilities constructed upon the property may not be used as evidence or as an assumption of the existence of a utility easement or any utility provider facilities on the Property as part of the valuation of the parent tract(s) by the State in connection with its acquisition of parcel 109 right of way or the value thereof.

To have and to hold the Agreement herein described and conveyed, together with all the rights and appurtenances belonging to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc, acting by and through Williamson County, and their assigns forever, for the purposes and subject to the limitations set forth above.

IN WITNESS WHEREOF, THIS INSTRUMENT IS EXECUTED ON THIS THE 29 DAY OF APRIL, 2011.

POSSESSION AND USE AGREEMENT FOR UTILITY RELOCATION PURPOSES

STATE OF TEXAS	§	Project No.: SH195
	§	Parcel No.: 109A—utility easements
COUNTY OF WILLIAMSON	§	CSJ No.: 0440-02-0112

This agreement, effective the _____ day of _____, 2011, between the CHISHOLM TRAIL SPECIAL UTILITY DISTRICT and PEDERNALES ELECTRIC COOPERATIVE, INC., acting by and through Williamson County, Texas (collectively the "County"), and JOHN SCHNEIDER, Trustee of the JBS Heritage Trust (the "Grantor(s)"), grants an irrevocable right to possession and use to the County, its contractors, agents and all others deemed necessary by the County for the purpose of constructing electric and waterline utility relocations adjacent to the proposed State Highway No. 195 improvement project. The property involved is described more fully in field notes and plat map attached as Exhibit "A" and made a part of this Agreement by reference, and includes the temporary construction easement as shown in Exhibit "A" (the "Property").

1. For the consideration paid by the County which is set forth in Paragraph two below, the receipt and sufficiency of which is acknowledged, Grantor(s) grant, bargain, sell and convey to the County exclusive possession and use of the Property for the purpose of electric facility and water line facility relocations and appurtenances thereto and the right to remove any improvements. This Possession and Use Agreement will extend to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc., their contractors, and assigns. This grant will allow the construction, relocation, replacement, repair, improvement, operation and maintenance of these utilities on the Property.

2. In full consideration for this irrevocable grant of possession and use, the County will tender to the Grantor(s) the sum of TWENTY FOUR THOUSAND NINE HUNDRED THIRTY-SIX and 00/100 Dollars ($24,936.00). The Grantor(s) agrees that this sum represents adequate and full compensation for the possession and use of the Property. The County will be entitled to take possession and use of the Property upon tender of payment. The parties agree that the sum tendered represents 90 percent of the County's approved value. The approved value is the County's determination of the just compensation owed to the Grantor(s) for the full electric/waterline easement interest and temporary construction easement interest to be acquired by the County in the Property, and damages to the remainder, if any. The parties agree that this sum will be deducted from any final settlement amount, award or verdict. In the event the final award or verdict for the utility easement interests is less than the amount the County has paid for the possession and use of the property, then the Grantors agree that the original amount tendered represents an overpayment and that the County is entitled to seek a refund.

3. The GRANTOR warrants and represents by, through, and under the GRANTOR, but not otherwise, that the title to the Property is free and clear of all liens on the title to the Property, or that any necessary and proper releases will be executed for the Property prior to or simultaneously with the first payment of funds being disbursed under this agreement. GRANTOR further agrees to indemnify State from all unreleased or undisclosed liens, claims or encumbrances that are known to Grantor and that affect the Property. This conveyance is made by GRANTOR and accepted by County subject to the following:

a. visible and apparent easements not appearing of record;

b. any discrepancies, conflicts, or shortages in area or boundary lines or any encroachments or any overlapping of improvements which a current survey would show; and

c. easements, restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances, and encumbrances for taxes and assessments (other than liens and conveyances) that affect the Property and are presently of record in the Official Public Records of the county in which the Property is located, but only to the extent that said items are still valid and in force and effect at this time.

4. This agreement is made with the understanding that the County will continue to negotiate in good faith with the Grantor(s) to acquire the easement interest in the Property by direct purchase. It is further understood in the event a settlement is not reached within ninety (90) days of the effective date of this agreement, at the Grantor's request the County shall begin proceedings in eminent domain to acquire fee title to the Property. The County will not unreasonably delay the commencement of proceedings under eminent domain once the time provided for in this paragraph has expired.

5. The parties agree that the valuation date for purposes of determining the value of the just compensation for the Property to be acquired shall be the date of the deposit by County of any amount by which a special commissioners' award exceeds the consideration paid for this Agreement or the date of the special commissioners award if it does not exceed the amount of the consideration paid for this Agreement. The Property shall be valued, as of the date of valuation, as if any improvements located thereon as of the date the consideration is paid for this Agreement are still located on the Property.

6. This grant will not prejudice Grantor's rights to receive full and just compensation for the easement interests to be acquired by the County in the Property, encumbered with the improvements thereon, if any, and damages, if any, to the remainder of Grantors' lands. This grant will not prejudice Grantor(s) rights to any relocation benefits for which they may be eligible.

7. In the event the County institutes eminent domain proceedings, the County will not be liable to Grantor(s) for interest upon any award or judgment as a result of such proceedings for any period of time prior to the date of the award. Payment of any interest may be deferred by the County until entry of judgment.

8. The purpose of this agreement is to allow the County to proceed with its construction project without delay and to allow the Grantor(s) to avoid litigation at this time.

9. Grantors reserve all of the oil, gas and sulphur in and under the land herein conveyed but waive all right of ingress and egress to the surface for the purpose of exploring, developing, mining or drilling. The extraction of oil, gas and minerals may not affect the geological stability of the surface.

10. The undersigned Grantor(s) agree(s) to pay all taxes, including prorated taxes for the current year, and special assessments due at the time the County takes possession of the Property.

11. This agreement will also extend to and bind the heirs, devisees, executors, administrators, legal representatives, successors and assigns of the parties.

12. It is agreed the County will record this document

13. Other conditions: The parties agree that the grant of this Possession and Use Agreement, and the presence of any utility provider facilities constructed upon the property may not be used as evidence or as an assumption of the existence of a utility easement or any utility provider facilities on the Property as part of the valuation of the parent tract(s) by the State in connection with its acquisition of parcel 109A right of way or the value thereof.

To have and to hold the Agreement herein described and conveyed, together with all the rights and appurtenances belonging to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc, acting by and through Williamson County, and their assigns forever, for the purposes and subject to the limitations set forth above.

STATE OF TEXAS	§	Project No.: SH195
	§	Parcel No.: 109B—utility easements
COUNTY OF WILLIAMSON	§	CSJ No.: 0440-02-0112

This agreement, effective the 29 day of APRIL, 2011, between the CHISHOLM TRAIL SPECIAL UTILITY DISTRICT and PEDERNALES ELECTRIC COOPERATIVE, INC., acting by and through Williamson County, Texas (collectively the "County"), and WILFORD C. SCHNEIDER, Trustee of the WCS Heritage Trust (the "Grantor(s)"), grants an irrevocable right to possession and use to the County, its contractors, agents and all others deemed necessary by the County for the purpose of constructing electric and waterline utility relocations adjacent to the proposed State Highway No. 195 improvement project. The property involved is described more fully in field notes and plat map attached as Exhibit "A" and made a part of this Agreement by reference, and includes the temporary construction easement as shown in Exhibit "A" (the "Property").

1. For the consideration paid by the County which is set forth in Paragraph two below, the receipt and sufficiency of which is acknowledged, Grantor(s) grant, bargain, sell and convey to the County exclusive possession and use of the Property for the purpose of electric facility and water line facility relocations and appurtenances thereto and the right to remove any improvements. This Possession and Use Agreement will extend to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc., their contractors, and assigns. This grant will allow the construction, relocation, replacement, repair, improvement, operation and maintenance of these utilities on the Property.

2. In full consideration for this irrevocable grant of possession and use, the County will tender to the Grantor(s) the sum of THIRTY ONE THOUSAND EIGHT HUNDRED EIGHTY-THREE and 00/100 Dollars ($31,883.00). The Grantor(s) agrees that this sum represents adequate and full compensation for the possession and use of the Property. The County will be entitled to take possession and use of the Property upon tender of payment. The parties agree that the sum tendered represents 90 percent of the County's approved value. The approved value is the County's determination of the just compensation owed to the Grantor(s) for the full electric/waterline easement interest and temporary construction easement interest to be acquired by the County in the Property, and damages to the remainder, if any. 5. The parties agree that the valuation date for purposes of determining the value of the just compensation for the Property to be acquired shall be the date of the deposit by County of any amount by which a special commissioners' award exceeds the consideration paid for this Agreement or the date of the special commissioners award if it does not exceed the amount of the consideration paid for this Agreement. The Property shall be valued, as of the date of valuation, as if any improvements located thereon as of the date the consideration is paid for this Agreement are still located on the Property.

6. This grant will not prejudice Grantor's rights to receive full and just compensation for the easement interests to be acquired by the County in the Property, encumbered with the improvements thereon, if any, and damages, if any, to the remainder of Grantors' lands. POSSESSION AND USE AGREEMENT FOR UTILITY RELOCATION PURPOSES

STATE OF TEXAS	§	Project No.: SH195
	§	Parcel No.: 109C—utility easements
COUNTY OF WILLIAMSON	§	CSJ No.: 0440-02-0112

This agreement, effective the _____ day of _____, 2011, between the CHISHOLM TRAIL SPECIAL UTILITY DISTRICT and PEDERNALES ELECTRIC COOPERATIVE, INC., acting by and through Williamson County, Texas (collectively the "County"), and JANIS K. JOHNSON, Trustee of the JKJ Heritage Trust (the "Grantor(s)"), grants an irrevocable right to possession and use to the County, its contractors, agents and all others deemed necessary by the County for the purpose of constructing electric and waterline utility relocations adjacent to the proposed State Highway No. 195 improvement project. The property involved is described more fully in field notes and plat map attached as Exhibit "A" and made a part of this Agreement by reference, and includes the temporary construction easement as shown in Exhibit "A" (the "Property").

1. For the consideration paid by the County which is set forth in Paragraph two below, the receipt and sufficiency of which is acknowledged, Grantor(s) grant, bargain, sell and convey to the County exclusive possession and use of the Property for the purpose of electric facility and water line facility relocations and appurtenances thereto and the right to remove any improvements. This Possession and Use Agreement will extend to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc., their contractors, and assigns. This grant will allow the construction, relocation, replacement, repair, improvement, operation and maintenance of these utilities on the Property.

2. In full consideration for this irrevocable grant of possession and use, the County will tender to the Grantor(s) the sum of ELEVEN THOUSAND EIGHT HUNDRED FORTY-ONE and 00/100 Dollars ($11,841.00). The Grantor(s) agrees that this sum represents adequate and full compensation for the possession and use of the Property. The County will be entitled to take possession and use of the Property upon tender of payment. The parties agree that the sum tendered represents 90 percent of the County's approved value. The approved value is the County's determination of the just compensation owed to the Grantor(s) for the full electric/waterline easement interest and temporary construction easement interest to be acquired by the County in the Property, and damages to the remainder, if any. The parties agree that this sum will be deducted from any final settlement amount, award or verdict. In the event the final award or verdict for the utility easement interests is less than the amount the County has paid for the possession and use of the property, then the Grantors agree that the original amount tendered represents an overpayment and that the County is entitled to seek a refund.

3. The GRANTOR warrants and represents by, through, and under the GRANTOR, but not otherwise, that the title to the Property is free and clear of all liens on the title to the Property, or that any necessary and proper releases will be executed for the Property prior to or simultaneously with the first payment of funds being disbursed under this agreement. GRANTOR further agrees to indemnify State from all unreleased or undisclosed liens, claims or encumbrances that are known to Grantor and that affect the Property. This conveyance is made by GRANTOR and accepted by County subject to the following:

a. visible and apparent easements not appearing of record;

b. any discrepancies, conflicts, or shortages in area or boundary lines or any encroachments or any overlapping of improvements which a current survey would show; and

c. easements, restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances, and encumbrances for taxes and assessments (other than liens and conveyances) that affect the Property and are presently of record in the Official Public Records of the county in which the Property is located, but only to the extent that said items are still valid and in force and effect at this time.

4. This agreement is made with the understanding that the County will continue to negotiate in good faith with the Grantor(s) to acquire the easement interest in the Property by direct purchase. It is further understood in the event a settlement is not reached within ninety (90) days of the effective date of this agreement, at the Grantor's request the County shall begin proceedings in eminent domain to acquire fee title to the Property. The County will not unreasonably delay the commencement of proceedings under eminent domain once the time provided for in this paragraph has expired.

5. The parties agree that the valuation date for purposes of determining the value of the just compensation for the Property to be acquired shall be the date of the deposit by County of any amount by which a special commissioners' award exceeds the consideration paid for this Agreement or the date of the special commissioners award if it does not exceed the amount of the consideration paid for this Agreement. The Property shall be valued, as of the date of valuation, as if any improvements located thereon as of the date the consideration is paid for this Agreement are still located on the Property.

6. This grant will not prejudice Grantor's rights to receive full and just compensation for the easement interests to be acquired by the County in the Property, encumbered with the improvements thereon, if any, and damages, if any, to the remainder of Grantors' lands. This grant will not prejudice Grantor(s) rights to any relocation benefits for which they may be eligible.

7. In the event the County institutes eminent domain proceedings, the County will not be liable to Grantor(s) for interest upon any award or judgment as a result of such proceedings for any period of time prior to the date of the award. Payment of any interest may be deferred by the County until entry of judgment.

8. The purpose of this agreement is to allow the County to proceed with its construction project without delay and to allow the Grantor(s) to avoid litigation at this time.

9. Grantors reserve all of the oil, gas and sulphur in and under the land herein conveyed but waive all right of ingress and egress to the surface for the purpose of exploring, developing, mining or drilling. The extraction of oil, gas and minerals may not affect the geological stability of the surface.

10. The undersigned Grantor(s) agree(s) to pay all taxes, including prorated taxes for the current year, and special assessments due at the time the County takes possession of the Property.

11. This agreement will also extend to and bind the heirs, devisees, executors, administrators, legal representatives, successors and assigns of the parties.

12. It is agreed the County will record this document

13. Other conditions: The parties agree that the grant of this Possession and Use Agreement, and the presence of any utility provider facilities constructed upon the property may not be used as evidence or as an assumption of the existence of a utility easement or any utility provider facilities on the Property as part of the valuation of the parent tract(s) by the State in connection with its acquisition of parcel 109C right of way or the value thereof.

To have and to hold the Agreement herein described and conveyed, together with all the rights and appurtenances belonging to Chisholm Trail Special Utility District and Pedernales Electric Cooperative, Inc, acting by and through Williamson County, and their assigns forever, for the purposes and subject to the limitations set forth above.

IN WITNESS WHEREOF, THIS INSTRUMENT IS EXECUTED ON THIS THE 21st DAY OF April, 2011.

In the event of the resignation, retirement, dismissal, or removal by action of the department head of a person designated as a Records Liaison Officer, the department head shall promptly designate another person to fill the vacancy. A department head may serve as Records Liaison Officer for his or her department.

SECTION 11. DUTIES AND RESPONSIBILITIES OF RECORDS LIAISON OFFICERS. In addition to other duties assigned in this ORDER, Records Liaison Officers shall:

(a) conduct or supervise the conduct of inventories of the records of the department in preparation for the development of records control schedules;

(b) in cooperation with the Records Management Officer coordinate and implement the policies and procedures of the records management program in their departments; and

(c) disseminate information to department staff concerning the records management program.

SECTION 12. RECORDS CONTROL SCHEDULES TO BE DEVELOPED; APPROVAL; FILING WITH STATE. (a) The Records Management Officer, in cooperation with department heads and Records Liaison Officers, shall prepare records control schedules on a department by department basis listing all records created or received by the department and the retention period for each record. Records control schedules shall also contain such other information regarding the disposition of Non-Elected Williamson County Office records as the records management plan may require.

(b) Each records control schedule shall be monitored and amended as needed by the Records Management Officer on a regular basis to ensure that it is in compliance with records retention schedules issued by the state and that it continues to reflect the

recordkeeping procedures and needs of the department and the records management program of Williamson County.

(c) Before its adoption a records control schedule or amended schedule for a department must be approved by the department head and the members of the Records Management Committee.

(d) Before its adoption a records control schedule must be submitted to and accepted for filing by the director and librarian as provided by state law. If a schedule is not accepted for filing, the schedule shall be amended to make it acceptable for filing. The Records Management Officer shall submit the records control schedules to the director and librarian.

SECTION 13. IMPLEMENTATION OF RECORDS CONTROL SCHEDULES; DESTRUCTION OF RECORDS UNDER SCHEDULE. (a) A records control schedule for a department that has been approved and adopted under Section 12 shall be implemented by department heads and Records Liaison Officers according to the policies and procedures of the records management plan.

(b) A record whose retention period has expired on a records control schedule shall be destroyed unless an open records request is pending on the record, the subject matter of the record is pertinent to a pending law suit, or the department head requests in writing to the Records Management Committee that the record be retained for an additional period.

(c) Prior to the destruction of a record under an approved records control schedule, authorization for the destruction must be obtained by the Records Management Officer from the Records Management Committee.

SECTION 14. DESTRUCTION OF UNSCHEDULED RECORDS. A record that has not yet been listed on an approved records control schedule may be destroyed if its destruction has been approved in the same manner as a record destroyed under an approved schedule and the Records Management Officer has submitted to and received back from the director and librarian an approved destruction authorization request.

SECTION 15. RECORDS CENTER. A records center, developed pursuant to the plan required by Section 7, shall be under the direct control and supervision of the Records Management Officer. SECTION 16. MICROGRAPHICS. Unless a micrographics program in a department is specifically exempted by order of the Williamson County Commissioners Court, all microfilming of records will be centralized and under the direct supervision of the Records Management Officer. The records management plan will establish policies and procedures for the microfilming of the Non-Elected Williamson County Office records, including policies to ensure that all microfilming is done in accordance with standards and procedures for the microfilming of local government records established in rules of

the Texas State Library and Archives Commission. The plan will also establish criteria for determining the eligibility of records for microfilming, and protocols for ensuring that a microfilming program that is exempted from the centralized operations is, nevertheless, subject to periodic review by the records management officer as to cost-effectiveness, administrative efficiency, and compliance with commission rules.

As records management officer for the local government or elective county office named, I hereby declare, that in lieu of filing records control schedules, we have adopted records control schedules that comply with minimum requirements established on records retention schedules issued by the Texas State Library and Archives Commission (as checked below) for use in our records management program. In doing so, I also certify that the administrative rules for electronic records, adopted by the commission under § 205.003(a), Local Government Code, will be followed for records subject to the rules. I understand that:

(1) the validity of this declaration is contingent on its acceptance for filing by the commission;

(2) if we have previously filed documentation with the commission in which we declared our intent to retain all records permanently, we must attach amended documentation to this declaration before it can be accepted for filing;

(3) the records control schedules adopted by this declaration may be amended by filing for approval a Supplemental Records Control Schedule (SLR Form 509) on which are listed proposed retention periods for records that do not appear on schedules issued by the commission (as checked below);

(4) if a Supplemental Records Control Schedule is not filed, we must file a Request for Authorization to Destroy Unscheduled Records (SLR 501) in order to destroy records that do not appear on schedules issued by the commission (as checked below);

(5) the commission will supply us with subsequent editions of any schedules issued by the commission (as checked below) and supplemental forms for declaring compliance with amended requirements; and

(6) should we file locally developed records control schedules under § 203.041(a)(1), Local Government Code, retention periods on any approved locally developed schedule shall prevail over those in any schedule adopted by this declaration in the event of any conflict.

Check those schedules issued by the commission with which your records control schedules, adopted by this declaration, comply:

Instructions for Completing Form SLR 508

Declaration of Compliance with the Records Scheduling Requirement of the Local Government Records Act

Completion of this form is largely self-explanatory, but records management officers should keep the following in mind when preparing the form for submission.

- Before submitting this declaration, make certain that you have the latest editions of the records retention schedules issued by the commission (see enclosed list) that are applicable to the records of your government. If you do not have the latest editions, contact the State and Local Records Management Division.

- Elective county officers should indicate both their county and office (and precinct number, if applicable) under the name of the government. For example, Travis County Commissioner #3.

- Declarations must be signed by the designated records management officer of the local government or elective county office. Declarations not signed by the records management officer will be returned for re-submission.

- Do not declare the adoption of records control schedules that comply with schedules issued by the commission that are inapplicable to the records of your government. For example, a school district should not check Local Schedule CC, which is used exclusively by county clerks. Declarations indicating compliance with inappropriate schedules will be returned for re-submission.

- If the policy statement (for elective county offices) or ordinance, order, or resolution (for local governments) you previously filed with the commission declares the intent to retain all records of your office or government permanently, you must submit amended documentation with this form, withdrawing that intent, to make this declaration acceptable for filing.

A copy of this form indicating its acceptance for filing will be returned to the records management officer.

For questions concerning the use of this form or the management of local government records, please call our government records consultant for your region or 512-421-7200.

Consider approving Change Order #1 for the Quarry Splash Pad in the amount of $28,015.70.

Background

The Quarry Splash Pad is located in an old quarry within the Southwest Regional Park. After testing and boreholes the original restroom /equipment building design called for 18 foot piers into bedrock. Two holes were drilled successfully but subsequent ones hit only loose rock at a depth of 30 feet. After study by the structural engineer the restroom foundation design was changed to large beams to stabilize the building slab and the building footprint was moved to the West finding better conditions. Change order # 1 reflects the cost to change the building design in mid construction.

Consider awarding contract to Baker Aicklen for LANDSCAPE ARCHITECTURAL SERVICES FOR WILLIAMSON COUNTY BYERS TRACT PARK RFQ NUMBER: 11WCRFQ1002. The not-to-exceed cost for this project is $65,000.

Background

It is important to prepare a conceptual master plan of the Byers Tract to help determine needs to aid future development and planning. To that end, an RFQ was advertized through the purchasing department for landscape architectural services to prepare such a plan. The evaluation team of Jim Rodgers, Randy Bell and Jonathon Harris reviewed the fourteen responses to the RFQ for the concept plan for the Byers Tract conceptual plan park site – RFQ number 11WCRFQ 1002 formally advertized as LANDSCAPE ARCHITECTURAL SERVICES FOR WILLIAMSON COUNTY BYERS TRACT PARK The same team plus Rick Atkins, Round Rock Parks and Recreation director, and Mike Hemker Hutto, Parks and Recreation director followed up by conducting interviews with the top four scoring firms. All of the firms presented well, but the team unanimously recommended award of the contract to the firm of Baker Aicklen. They meet all requirements of the RFQ including history, references and technical considerations, and we have seen examples of their work with the Brushy Creek Regional Trail, Berry Springs Park & Preserve, and the Williams Tract Conceptual master plan. They also have a very good completion record. The references given had nothing but praise for their work. The accompanying contract for these services is in the NTE amount of $65,000.

Jim Rodgers
PARKS AND RECREATION DIRECTOR

To: Bob Space, Purchasing Director

From: Jim Rodgers, Director Parks and Recreation

Date: May 5, 2011

Subject: Award of Contract Byers Tract Conceptual Plan RFQ Number 11WCRFQ1002 to Baker Aicklen

Bob,
The evaluation team of Jim Rodgers, Randy Bell and Jonathon Harris reviewed the fourteen responses to the RFQ for the concept plan for the Byers Tract conceptual plan park site – RFQ number 11WCRFQ 1002 formally advertized as LANDSCAPE ARCHITECTURAL SERVICES FOR WILLIAMSON COUNTY BYERS TRACT PARK

The same team plus Rick Atkins, Round Rock Parks and Recreation director, and Mike Hemker Hutto, Parks and Recreation director followed up by conducting interviews with the top four scoring firms. The team unanimously recommended award of the contract to the firm of Baker Aicklen in the NTE amount of $65,000. They meet all requirements of the RFQ including history, references and technical considerations and we have seen examples of their work with the Brushy Creek Regional Trail, Berry Springs Park & Preserve, and the Williams Tract Conceptual master plan. They also have a very good completion record. The references given had nothing but praise for their work.

The evaluation matrix is attached to this memo. Please thank Jonathan & Patrick for all of their help and should you need any further information please let me know

PROFESSIONAL SERVICES AGREEMENT

STATE OF TEXAS §
§
COUNTY OF WILLIAMSON §

This Agreement is made and entered into this day by and between Williamson County, Texas, a political subdivision of the State of Texas, (***the "County"***) and *Baker-Aicklen & Associates, a Texas Corporation* (***the "Landscape Architect"***).

WHEREAS, ***County*** proposes to master plan the *Byers's Tract Park (**the "Project"**)* within Williamson County, Texas;

WHEREAS, ***County*** desires to obtain professional services for the ***Project***;

WHEREAS, ***Landscape Architect*** has the professional ability and expertise to fulfill the requirements of the ***Project***, and to counsel ***County*** in the master planning the park.

NOW, THEREFORE, ***County*** and ***Landscape Architect*** agree to the performance of the professional services by ***Landscape Architect*** and the payment for these services by ***County*** as set forth herein.

Section I
Employment of the Landscape Architect

County agrees to employ ***Landscape Architect*** and ***Landscape Architect*** agrees to perform professional Landscape Architectural services for the ***Project*** as stated in the Sections to follow. As a condition to employment, it is specifically agreed that any disputes arising hereunder shall be submitted to the County Judge or his designee and/or agent as designated in the Scope of Services in Appendix A, or as otherwise designated (***individually or collectively the "County Judge"***). The ***County Judge*** shall have complete authority for the purpose of resolving technical matters.

Section II
Basic Services of the Landscape Architect

A. In consideration of the compensation herein provided, ***Landscape Architect*** shall perform professional Landscape Architectural services for the ***Project***, which are acceptable to the ***County Judge***, based on standard Landscape Architectural practices and the scope of work described in the Work Authorizations to this Agreement. ***Landscape Architect*** shall also serve as ***County's*** professional Landscape Architect in those phases of the ***Project*** to which this Agreement applies and will consult with and give advice to ***County*** during the performance of ***Landscape Architect's*** services.

B. ***Landscape Architect*** shall not commence work until ***Landscape Architect*** has been thoroughly briefed on the scope of the ***Project*** and has been notified in writing by the ***County Judge*** to proceed, as evidenced by a Work Authorization in the form of Attachment A to Exhibit I.

C. ***County*** shall provide ***Landscape Architect*** with all existing plans, maps, studies, reports, field notes, statistics, computations, and other data in its possession relative to existing facilities and to this particular ***Project*** at no cost to ***Landscape Architect***; however, any and all such information shall remain the property of ***County*** and shall be returned, if the ***County Judge*** so instructs ***Landscape Architect***.

D. ***Landscape Architect*** shall perform the following Basic Scope of Services:

1. The basic Scope of Services shall generally consist of all elements of work, materials and equipment required for the development of the ***Project***, including any Public Hearings, satisfactory to the ***County Judge*** and the County's Commissioners Court, in accordance with the requirements, policies, and general practices of Williamson County.

2. As part of the Scope of Services, ***Landscape Architect*** shall submit its Work Products to ***County*** for review at intervals as deemed necessary by Landscape Architect.

3. The detailed Scope of Services for each phase of the ***Project*** shall be set forth and fully described in each Work Authorization issued as a part of this Agreement, and same shall be expressly incorporated and made a part hereof.

Section III
Fee schedule and Right to Audit

A. For and in consideration of the performance by ***Landscape Architect*** of the work described in the Scope of Services as defined in the Work Authorizations, ***County*** shall pay and ***Landscape Architect*** shall receive the fee set forth in the Work Authorizations. Exhibits I and II are attached hereto and made a part hereof. Invoices shall be submitted by ***Landscape Architect*** on a monthly basis and shall be considered past due if not paid within thirty (30) calendar days of the receipt of invoice by ***County.***

B. For the performance of services not specifically described in the Scope of Services ***Landscape Architect*** shall receive the additional services compensation described in Exhibit III, which is attached hereto and made a part hereof. In the event of any dispute over the classification of ***Landscape Architect's*** services as basic or additional services under this agreement, the decision of the ***County Judge*** shall be final and binding on ***Landscape Architect.***

C. ***County*** believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Agreement. ***Landscape Architect*** understands and agrees that the County's payment of amounts under this Agreement is contingent on the ***County*** receiving appropriations or other expenditure authority sufficient to allow the ***County***, in the exercise of reasonable administrative discretion, to continue to make payments under this Agreement.

D. ***Landscape Architect*** agrees to maintain appropriate accounting records of costs,

expenses, and payrolls of employees working on the ***Project***, together with documentation of evaluations and study results for a period of three (3) years after final payment for completed services and all other pending matters concerning this Agreement have been closed.

B. ***Landscape Architect*** further agrees that ***County*** or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Agreement, have access to and the right to examine and photocopy any and all books, documents, papers and records of ***Landscape Architect***, which are directly pertinent to the services to be performed under this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions. ***Landscape Architect*** agrees that ***County*** shall have access during normal working hours to all necessary ***Landscape Architect*** facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. ***County*** shall give ***Landscape Architect*** reasonable advance notice of intended audits.

Section IV
Period of Service

A. ***Landscape Architect*** shall perform the professional services described in Appendix A, the Scope of Services, in accordance with the Production Schedule attached hereto as Exhibit IV and made a part hereof.

B. This Agreement shall become effective upon the date approved by ***County*** and will remain in full force and effect for the period required for the design, construction contract award and construction of the ***Project***, including any extensions of time, unless terminated earlier as provided for herein. ***Landscape Architect*** shall complete all design work as described in the Scope of Services as set forth in Exhibit IV from receipt by ***Landscape Architect*** of ***County's*** written Work Authorization and in accordance with the production timeline approved by ***County***.

C. Neither ***Landscape Architect*** nor ***County*** shall be responsible for delays caused by "Acts of God", non-county governmental processes, national emergency, or any other causes beyond ***Landscape Architect's*** or ***County's*** reasonable control. Upon the discovery of such an event, ***Landscape Architect*** shall notify ***County***, and attend a special meeting with the ***County Judge*** to propose a program for a solution to the problem, and, if necessary, to establish an estimated period of time of suspension or extension of the work. A written request for an extension of time, when properly documented and justified by the circumstances, will be granted by the ***County Judge***.

D. ***County*** may suspend the work at any time for any reason without terminating this Agreement by giving written Notice of Suspension and the work may be reinstated and this Agreement resumed in full force and effect within thirty (30) days of receipt by ***Landscape Architect*** of written Notice of Reinstatement from ***County***. ***Landscape Architect***, upon receipt of a Notice of Suspension shall follow the procedures described in the attached Exhibit V, which is attached hereto and made a part hereof. In the event such suspension of the ***Project*** or the ***Landscape Architect's*** services hereunder extends for a period of ninety (31) days or more, consecutive or in the aggregate, ***Landscape***

Architect may terminate this Agreement in writing and such termination shall be treated as a Notice of Termination as provided herein.

E. Either party may terminate this Agreement for the substantial failure of the other party to perform in accordance with the terms of this Agreement (the substantiality of such failure to be based on standard Landscape Architectural practices and the scope of work described on the Exhibits attached to this Agreement), through no material fault of the terminating party. ***County*** may terminate this Agreement for convenience (reasons other than substantial failure by ***Landscape Architect*** to perform) by delivering a written Notice of Termination which shall take effect on the tenth (10^{th}) day following the date of such notice. ***Landscape Architect*** shall follow the procedures specified in Exhibit V upon issuance or receipt of such notice. In the event of termination of this Agreement because of the substantial failure of ***Landscape Architect*** to perform, ***County*** may prosecute the work to completion by contract or otherwise and, in such a case, ***Landscape Architect*** shall be liable for any additional costs incurred by ***County***. In the event of ***County's*** termination for convenience, it is understood and agreed that only the amounts due to ***Landscape Architect*** for services provided and expenses incurred to and including the date of termination, will be due and payable. No penalty will be assessed for ***County's*** termination of this Agreement for convenience.

The ***County Judge*** may designate representatives to transmit instructions and receive information.

B. ***Landscape Architect*** shall not commence work on any phase of the ***Project*** until a thorough briefing on the scope of the ***Project*** is received and a written Work Authorization is issued by the ***County Judge*** in substantially the form of Attachment A to Exhibit I.

C. ***Landscape Architect*** shall furnish all available data and reasonable assistance necessary for the development of applications or supporting documentation for any permits, grants, or planning advances as applicable to the professional services to be rendered pursuant to this Agreement, provided that ***Landscape Architect*** shall not be obligated to develop additional data, appear at hearings, or prepare extensive reports, unless compensated for such work under other provisions of this Agreement.

D. ***Landscape Architect*** shall have the responsibility at all times under the terms of this Agreement to advise ***County*** whether in ***Landscape Architect's*** judgment it is feasible to proceed with the recommendations given any constraints affecting the ***Project***.

E. ***Landscape Architect*** shall cooperate and coordinate with ***County's*** staff, and other Landscape Architects and contractors as reasonable and necessary and as required by the ***County Judge***.

Section VI

A. ***Landscape Architect's*** Landscape Architectural work product will be reviewed by ***County*** under its applicable technical requirements and procedures.

B. Reports, plans, specifications, and supporting documents, (the "Work Products"), shall be submitted by ***Landscape Architect*** on or before the dates specified in the Production Schedule set forth in Exhibit IV. Upon receipt of the Work Products, the submission shall be checked for completion. "Completion" shall be defined as: all of the required items (as defined by the scope of services described herein) have been included in the Work Products in compliance with the requirements of this Agreement. The completeness of any Landscape Architectural work product submitted to ***County*** shall be determined by ***County*** within ten (10) calendar days of such submittal and ***County*** shall notify ***Landscape Architect*** in writing if such work product has been found to be incomplete

E. ***County*** shall review the completed work for compliance with the scope of work. If necessary, the completed work shall be returned to ***Landscape Architect***, who shall perform any required work and resubmit it to ***County***. This process shall be repeated until the work is accepted. "Acceptance" shall mean that in the ***County Judge's*** opinion substantial compliance with the requirements of this Agreement has been achieved.

F. After acceptance, ***Landscape Architect*** shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive final approval by the ***County Judge***. "Approval" in this sense shall mean formal recognition that the work has been fully carried out.

G. After approval of final Work Products, ***Landscape Architect*** shall, without additional compensation, perform any work required as a result of ***Landscape Architect's***

development of the products which is found to be in error or omission due to ***Landscape Architect's*** negligence. However, any work required or occasioned for the convenience of ***County*** after approval of a final product shall be paid for as Additional Services.

H. In the event of any dispute over the classification of ***Landscape Architect's*** Work Products as complete, accepted, or approved under this Agreement, the decision of the ***County Judge*** shall be final and binding on ***Landscape Architect,*** subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

Section VII

If it is necessary due to such error or omission by ***Landscape Architect*** to revise the plans in order to make the ***Project*** constructable, ***Landscape Architect*** shall do so without additional compensation. In the event of any dispute over the classification of ***Landscape Architect's*** services as Basic or Additional Services under this Agreement, the decision of the ***County Judge*** shall be final and binding on ***Landscape Architect,*** subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

A) **Changes and Amendments**. No change, modification, or amendment to the agreement will be effective until approved in writing by the Parties.    b. Update service level descriptions or unit rates; or
   c. Comply with a court order or judgment.

ii. The unilateral amendment shall be effective upon the Local Prosecuting Authority's receipt of a copy of the amendment signed by HHSC-OIG.

15. Provisions for Termination of Agreement and Dispute Resolution.

A) If the Local Prosecuting Authority fails to provide services according to the terms and conditions of this agreement, HHSC-OIG may, upon written notice of default to the Local Prosecuting Authority, terminate all or any part of the agreement. Termination is cumulative of any other rights and remedies provided by law, agency regulations, or under this agreement excluding pending claims for work performed prior to the termination date.

B) This agreement may be terminated at any time by mutual written consent. In addition, any party may terminate this agreement by giving thirty (30) calendar days written notice to the other parties. This agreement shall be terminated at the end of the thirty (30) calendar day notice period. Nothing in this subsection shall be construed to prohibit immediate termination of the agreement pursuant to subsection A of this section, above.

C) At the end of the agreement term or other agreement termination, the Local Prosecuting Authority shall in good faith and in reasonable cooperation with HHSC-OIG, aid in the transition to any new arrangement or provider of services, including the orderly transition of case files/reviews and all other documentation prepared by the Local Prosecuting Authority. D) Dispute Resolution.

i. The dispute resolution process provided for in Chapter 2260 of the Texas Government Code shall be used by HHSC-OIG and the parties to attempt to resolve any claim for breach of agreement.
ii. A Local Prosecuting Authority's claim for breach of this agreement that the parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Texas Government Code §§ 2260.051-2260.056. To initiate the process, the Local Prosecuting Authority shall submit timely written notice to the agreement liaison described in Paragraph 9, supra, with a copy to the

HHSC Executive Commissioner or his designee. Said notice shall specifically state that the provisions of Chapter 2260, subchapter B, Government Code, are being invoked. A copy of the notice shall also be given to all other representatives of HHSC-OIG and the Local Prosecuting Authority otherwise entitled to notice under this agreement.

iii. Compliance by the Local Prosecuting Authority with subchapter B is a jurisdictional condition precedent to the filing of a contested case proceeding under Chapter 2260, subchapter C, of the Government Code. The contested case process provided in Chapter 2260, subchapter C, of the Government Code is the Local Prosecuting Authority's sole and exclusive process for seeking a remedy for any and all alleged breaches of agreement by HHSC-OIG if the parties are unable to resolve their disputes through negotiation or mediation.

iv. Compliance with the contested case process provided in subchapter C is a condition precedent to seeking consent to sue from the Legislature under Chapter 107 of the Civil Practices and Remedies Code. Neither the execution of this agreement by HHSC-OIG nor any other conduct of any representative of HHSC or HHSC-OIG relating to the agreement shall be considered a waiver of sovereign immunity to suit.

v. The submission, processing and resolution of the Local Prosecuting Authority's claim is governed by the administrative rules adopted by HHSC pursuant to Chapter 2260, Government Code, as currently effective, hereafter enacted or subsequently amended. The parties shall use the specific procedures set forth in 1 Texas Administrative Code Chapters and 394.

vi. Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the Local Prosecuting Authority, in whole or in part.

16. **Use of Information.** The Local Prosecuting Authority, pursuant to its responsibilities under this Agreement, may use or disclose information referred by HHSC-OIG in compliance with applicable statutes, rules and regulations governing the use and disclosure of information relating to cases handled under this Agreement. Such use or disclosure shall be by Local Prosecuting Authority personnel who are personally and directly engaged in, and only to the extent necessary for judicial or administrative proceeding participation or preparation, any investigation which may result in such proceeding or any grand jury proceeding, unless expressly authorized in writing in advance by HHSC-OIG.

A) It is expressly understood and agreed that no party waives, nor shall be deemed to have waived, any immunity or defense otherwise available to it under the law.

B) This Agreement is not intended, nor shall it be construed, to confer any benefits, rights, or remedies upon any person or entity not a party hereto.

17. **Cooperation with HHSC and state administrative agencies.** The Local Prosecuting Authority agrees to reasonably cooperate with and work with the State's contractors, subcontractors and third-party representatives as requested by HHSC or OIG. To the extent permitted by OIG's financial and personnel resources, OIG agrees to reasonably cooperate with Local Prosecuting Authority.

The unincorporated areas in Cedar Park's fire service area have been receiving fire and first responder services from Cedar Park Fire Department since its inception. Those residents do not pay Cedar Park property taxes and Cedar Park is not under obligation to provide those services. For several years, representatives from Cedar Park met with individuals and groups from the various neighborhoods about the situation. In November of 2010, the Cedar Park City Council formally voted to let the residents in those unincorporated areas know that they had to come up with some mechanism by which they could contract with the City for fire and first responder services or the City would no longer provide them after December 31, 2011.

Various meetings were held in the neighborhoods and several informational meetings conducted by the City of Cedar Park. The Williamson County residents decided to try to form two separate ESDs: one for the Shenandoah neighborhood on the southern end of Cedar Park and another that includes all the others areas and neighborhoods which are in the northeast area of the City.

There are specific steps which must be followed in the ESD formation process and Charlie Crossfield has been volunteering his time and assisting the neighbors in the areas desiring to form the ESD's. In order to petition the Commissioners Court to have an ESD election placed on the ballot, a petition with one hundred valid signatures from registered voters and property owners in the respective areas is required. Charlie prepared the petitions with the required language and exhibits for each of the areas and representatives from the two areas collected signatures.

The petitions from the two areas each contained approximately 180 signatures. The Williamson County Elections office went through the petitions and verified signatures until they found at least 120 valid ones on each petition.

On May 17, 2011, I will be placing an item on the Commissioners Court agenda to recommend the County formally accept the petitions. If the County approves the petitions, they are forwarded to the City of Cedar Park for their action since the areas are in their ETJ. The Council will then vote on whether or not to accept the petitions. Assuming an affirmative vote, the appropriate language will be placed on the November ballot for the voters in those areas to vote on the issue.

If the ballot initiative passes, the Commissioners Court will appoint ESD Commissioners to the two respective ESD Boards.

In the event that Contractor employs any individual to perform any portion of the Work, Contractor shall comply with Texas Labor Code, §406.096, which requires workers' compensation insurance coverage for all employees providing services on a building or construction project for a governmental entity.

a. Definitions:

(1) Certificate of Coverage ("certificate") - A copy of a certificate of insurance, a certificate of authority to self-insure issued by the Texas Workers' Compensation Commission, or a coverage agreement (TWCC-81, TWCC-82, TWCC-83, or TWCC-84), showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the Duration of the Work.

(2) Duration of the Work - includes the time from the beginning of the Work until the Work has been completed and accepted by the Owner.

(3) Coverage – Workers' compensation insurance meeting the statutory requirements of the Texas Labor Code, §401.011(44).

(4) Persons providing services relating to the Work ("subcontractor") - includes all persons or entities performing all or part of the services the Contractor has undertaken to perform the Work, regardless of whether that person contracted directly with the Contractor and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services in relation to the Work. "Services" include, without limitation, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the Work, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

b. The Contractor shall provide Coverage, based on proper reporting of classification codes and payroll amounts and filing of any Coverage agreements, which meets the statutory requirements of Texas labor Code, §401.011(44) for all employees of the Contractor providing services in relation to the Work, for the Duration of the Work.

c. The Contractor must provide a Certificate of Coverage to the Owner prior to or contemporaneously with the execution of this Agreement.

d. If the Coverage period shown on the Contractor's current Certificate of Coverage ends during the Duration of the Work, the Contractor must, prior to the end of the Coverage period, file a new Certificate of Coverage with the Owner showing that Coverage has been extended.

e. The Contractor shall obtain from each person providing services in relation to the Work, and provide to the Owner:

(1) a Certificate of Coverage, prior to that person beginning any of the Work, so the Owner will have on file Certificates of Coverage showing Coverage for all persons providing services in relation to the Work; and

(2) no later than seven days after receipt by the Contractor, a new Certificate of Coverage showing extension of Coverage, if the Coverage period shown on the current Certificate of Coverage ends during the Duration of the Work.

f. The Contractor shall retain all required Certificates of Coverage for the Duration of the Work and for one year thereafter.

g. The Contractor shall notify the Owner in writing by certified mail or personal delivery, within 10 days after the Contractor knew or should have known, of any change that materially affects the provision of Coverage of any person providing services in relation to the Work.

h. The Contractor shall post on the Work site a notice, in the text, form and manner prescribed by the Texas Workers' Compensation Commission, informing all persons providing services in relation to the Work that they are required to be covered, and stating how a person may verify Coverage and report lack of Coverage.

i. By signing this Agreement or providing or causing to be provided a Certificate of Coverage, the Contractor is representing to the Owner that all employees of the Contractor who will provide services in relation to the Work and all persons providing services in relation to the Work will be covered by workers' compensation coverage for the Duration

of the Work, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

j. The Contractor's failure to comply with any of these provisions is a breach of Agreement by the Contractor which entitles the Owner to declare the Agreement void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the Owner.

6.5.5 **The furnishing of the above listed insurance coverage must be tendered prior to execution of the Agreement.** The Contractor shall not cause or allow any of its required insurance to be canceled, nor permit any insurance to lapse during the term of the Agreement or as required in the Agreement. If the Contractor fails to obtain, maintain or renew any insurance required by this Agreement, the Owner may, among other remedies available hereunder or at law, obtain insurance coverage directly and recover the cost of that insurance from the Contractor or declare this Agreement void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the Owner.

6.5.6 The Owner reserves the right to review the insurance requirements set forth in this Article during the effective period of the Agreement and to make reasonable adjustments to the insurance coverage and their limits when deemed necessary and prudent by the Owner based upon changes in statutory law, court decisions, or the claims history of the industry as well as the Contractor.

6.5.7 The Owner shall be entitled, upon request, and without expense, to receive complete copies of the policies with all endorsements and may make any reasonable requests for deletion, or revision or modification of particular policy terms, conditions, limitations, or exclusions, except where policy provisions are established by law or regulation binding upon the Parties or the underwriter of any of such polices. Damages caused by the Contractor and not covered by insurance shall be paid by the Contractor.

6.5.8 **The Contractor shall contractually require each person or entity with whom it contracts to provide services in relation to the Work, to comply with each and every insurance requirement that Contractor must comply with hereunder. More specifically, each person or entity with whom Contractor contracts to provide services on the in relation to the Work must comply with each insurance requirement under this Article 8 just as if such person or entity was the Contractor. Thus, every reference to Contractor under each insurance requirement of this Article 8 shall mean and include each person or entity with whom Contractor contracts to provide services in relation to the Work. If any such person or entity with whom Contractor contracts to provide services in relation to the Work fails to obtain, maintain or renew any insurance required by this Agreement, the Owner may, among other remedies available hereunder or at law, obtain insurance coverage directly and recover the cost of that insurance from the Contractor or declare**

Subject: FY 2011 Seal Coat Project

Jonathan and Patrick,

We would like to place the recommendation of APAC - Texas Inc. (Wheeler) on the Commissioner's Court agenda for the Court's review and potential award of the FY 2011 seal coat project. While there were no other bidders to compare to, we analyzed their bid proposal against the Engineer's estimate. We analyzed each line item in their proposal and found them to be reasonable and appropriate. APAC's bid was approximately $250K (8%) over the Engineer's estimate but we believe this is due to the increasing cost of petroleum (gas, diesel, asphalt, etc.) and a shortage in available trucking. Material suppliers of the aggregate specified in the contract are competing with a flourishing oil field industry for trucking resources.

Re: Williamson County Road Bond Program
FM 1660 @ Landfill Rd. (CR 128)
Williamson County Project No. 11WC913
Recommendation of Contractor Award

Dear Mr. Harris,

Please find attached the bid tabulations for the subject-referenced project. The bids have been reviewed and adjusted for correctness. Corrections were necessary to one bid due to minor multiplication and addition errors. The corrections resulted in no changes to the bid rankings, and did not change the status of the low bidder. The bids are therefore accepted as hereby submitted, with Aaron Concrete Contractors being the low bidder.

Following is a summary of the bid totals:

1.	Aaron Concrete	$374,290.88
2.	Cash Construction	$397,231.00
3.	Champion Site Prep	$410,151.49
4.	Smith Contracting	$421,158.00
5.	DNT Construction	$440,770.29
6.	Patin Construction	$461,774.40
7.	Austin Engineering	$462,207.99
8.	Chasco Constructors	$479,999.00
9.	RGM Constructors	$508,027.13
10.	Joe Bland Construction	$567,652.03

The Contractor's low bid is $104,360.82 under the Engineer's estimated cost of construction. This represents an approximate 21.8% savings to the County over the estimated construction cost.

In addition to meeting the bid qualifications subject to being low bidder, Aaron Concrete Contractors is currently the prime contractor on the US 183 @ 3405 (Left Turn Lanes) Road Bond project. Based on the quality of work performed by the Contractor and the favorable working relationships established with the County and its Representatives, we recommend award of the FM 1660 @ Landfill Rd. (CR 128) construction contract to Aaron Concrete Contractors in the contract amount of $374,290.92.

Please feel free to contact our office with any questions.

Respectfully Submitted,

HNTB Corporation

James D. Klotz, P.E.
