Reimbursement Formula and Consideration

In consideration of the agreements made herein and the services performed by the Emergency Service Organizations, Wilco agrees to reimburse each ESO an amount of money based on the following reimbursement formula (the "Formula"):

1. Two Hundred Dollars (\$200) for each square mile of an ESO district; plus
2. Seventy Cents (\$.70) for each person that resides in the district covered by the ESO.

The amount of reimbursement shall be adjusted annually in order to take into account population changes within each ESO's district. The amount of the funding shall be set on or before August 1st of each year prior to the year of disbursement with the amount being divided into two separate installments, with the first installment being paid in the spring (prior to April 1st) and the second installment being paid in the fall (prior to September 30th) of each year during the term of this Agreement.

The population in an ESO's district shall be determined by using a three (3) people per one (1) living unit ratio; provided, however, in no event shall any ESO's district population exceed the officially adopted total population set forth by the Texas State Data Center.

Each year during the term of this Agreement, Williamson County shall also provide Twenty Thousand Dollars (\$20,000) to the Williamson County Fire Chiefs Association. Such notice must specify the nature of the breach and inform the breaching Emergency Service Organization

that unless the breach is cured within thirty (30) days of receipt of the notice, additional steps may be taken to terminate the breaching Emergency Service Organization. If the breaching Emergency Service Organization begins a good faith attempt to cure the breach within thirty (30) days, then and in that instance the thirty (30) day period may be extended by Williamson County, so long as the breaching Emergency Service Organization continues to prosecute a cure diligently to completion and continues to make a good faith attempt to cure the breach. Williamson County may suspend all funding that may be due to the breaching Emergency Service Organization until which time that the breaching Emergency Service Organization cures the Event of Breach.

If, in the opinion of Williamson County, the breaching Emergency Service Organization does not cure the breach within thirty (30) days or otherwise fails to make any diligent attempt to correct the breach, such Emergency Service Organization shall be deemed to be in breach and Williamson County may deliver written notice to the breaching Emergency Service Organization and Governing Body which specifies the following:

1. Nature and description of the breach;

Following the effective date of termination of an Emergency Service Organization, such terminated Emergency Service Organization shall no longer receive any funding or any other rights, privileges or benefits under this Agreement. Furthermore, a terminated Emergency Service Organization shall, within thirty (30) day of the effective date of termination, be obligated to reimburse Williamson County for all amounts of funding that Williamson County provided to the terminated Emergency Service Organization during the fiscal year in which the termination occurs.

In the event that a governing body of any of the Emergency Service Organizations fails to ratify and execute this Agreement or any subsequent amendments, Williamson County may suspend any funding to such Emergency Service Organizations until such time as approval and/or ratification is obtained.

In the event that an ESO, other than an ESO that is a municipal fire department or emergency service district, is terminated as set forth above, the Williamson County Commissioners Court, upon a review and receipt of an advisory recommendation by the Williamson County Fire Chiefs Association, may request another ESO to cover and respond to all or parts of the response district of the terminated ESO. The agency accepting such terminated ESO's response district or portions thereof would be entitled to an appropriate share of funds from Williamson County based on the reimbursement Formula set forth in this Agreement. Such share of funds shall start on the next scheduled payment.
