

INTERLOCAL AGREEMENT FOR LAW ENFORCEMENT SERVICES

BETWEEN WILLIAMSON COUNTY, TEXAS AND VISTA OAKS MUNICIPAL UTILITY DISTRICT

This **INTERLOCAL AGREEMENT FOR LAW ENFORCEMENT SERVICES** (this "Agreement") is made and entered into by and between **Williamson County, Texas**, hereinafter referred to as the "County", acting by and through its governing body, the Williamson County Commissioners Court, and **Vista Oaks Municipal Utility District**, formerly known as Williamson County Municipal Utility District No. 9 (the "District"), a municipal utility district operating pursuant to Chapters 49 and 54 of the Texas Water Code. The District and the County are sometimes referred to individually herein as a "Party" and collectively as the "Parties").

RECITALS:

The predominant purpose of this Agreement is to provide additional law enforcement services to ensure the peace and safety of the citizens of the County particularly within the territorial confines of the District and to provide such a public benefit through the deployment of County property and personnel as deemed appropriate by the undersigned County elected official (the "Elected Official").

The Parties stipulate that the purpose of this Agreement is the performance of governmental functions and services as set out in the Texas Government Code Section 791.003(a), (d), (k), and (n).

Pursuant to Texas Water Code Section 49.216(a), the District may contract to employ peace officers with the power to make arrests when necessary to abate the commission of, among other things, any offense against the laws of the State of Texas. The County is authorized to provide law enforcement services to the District pursuant to Texas Government Code Section 791.011(c)(2).

The Parties further covenant that all payments mandated by this Agreement do fairly compensate the County for the furnishing of law enforcement services.

NOW THEREFORE, The County and the District, in consideration of the mutual covenants and agreements herein contained, mutually agree as follows:

I. TERM

1.1 The services to be performed under this Agreement shall commence on October 1, 2011, and shall continue thereafter for one (1) year, unless terminated sooner in accordance with other provisions of this Agreement. This Agreement may be renewed annually with the written consent of the County and the District, such consent being obtained by the parties at least thirty (30) days prior to the expiration of the then current term.

II. SERVICES

2.1 The County affirms and approves the authority of the Elected Official to provide one or more peace officers, as deemed appropriate by the Elected Official, to devote a primary portion of their working time, with the total number of hours per month to be set forth in this agreement and, thereafter, may be adjusted by the District as set forth below, to provide law enforcement services within the District's geographical area (the "Area"). It is intent of this Agreement that the peace officers' working time should be spent in the Area. From time to time, the District may request that the Elected Official adjust the working time spent in the District's Area and the monthly billings shall be adjusted accordingly.

2.2 The County and the Elected Official agree that the patrol services to be furnished pursuant to this Agreement are in addition to the regular on-duty peace officer services furnished within the Area, and that in no event shall the services furnished hereunder alter, impact or lessen the routine patrol services that are otherwise provided in the District.

2.3 As used herein, the phrase "working time" means those hours designated by the Elected Official in which its commissioned peace officers are assigned to provide additional law enforcement services in the Area pursuant to this Agreement. During such working time, the peace officers shall perform law enforcement services as normally provided when working directly for the Elected Official. The Elected Official shall retain control and supervision of the peace officers performing services under this Agreement to the same extent as the Elected Official does with its other peace officers that are working outside the District's Area. The peace officers must always comply with the laws of the State of Texas and act within the scope of the General Orders and Standard Operating Procedures of the Elected Official's office. The peace officers cannot enforce "district policies" or "house rules" of the District; provided, however, the peace officers shall enforce District Rules and Regulations adopted pursuant to Section 54.205 of the Texas Water Code and published in accordance with Sections 54.206 through 54.208 of the Texas Water Code.

2.4 The District understands and agrees that if emergency circumstances arise during the time in which a peace officer is providing services for the District and such peace officer must leave to respond to said emergency, the peace officer will be temporarily leaving the District's Area and will not be paid by the District while responding to such emergency. Nor shall the time associated with responding to such emergency be included within the number of monthly working hours furnished by peace officers within the Area under this Agreement. When the emergency assignment is completed, the peace officer will return to the District's Area and continue to provide the services contemplated by this Agreement.

2.5 Although the peace officers shall at all times remain under the control and supervision of the Elected Official, the Elected Official agrees as follows with respect to the additional law enforcement services to be furnished by the peace officers under this Agreement:

a. The Elected Official shall ensure that its peace officers are familiar with the boundaries of the District, and that the services performed under this Agreement are undertaken within the District's boundaries only.

b. The Elected Official (and/or the County's coordinator) shall coordinate with the District the hours during which the additional patrol services are performed within the District under this Agreement. It is the mutual intention of the parties that the patrol services performed under this Agreement shall be undertaken during "high crime time" periods and peak periods identified by the District.

c. The Elected Official (and/or the County's coordinator) shall use good faith efforts to minimize the turnover of peace officers that provide additional patrol services within the District pursuant to this Agreement. It is the intent of the parties that by establishing a relationship and familiarity with the residents, employees, and circumstances of the District, a peace officer will be better able to identify and investigate suspicious or potential criminal activity.

III. SPECIAL CONSIDERATIONS

3.1 The peace officers providing services to the Area will spend approximately eighty (80) hours per month of working time in the service Area. Provided that the Elected Official has additional peace officers that are readily available to provide additional services hereunder, the number of working hours of the peace officers may be increased from time to time by the District by providing ten (10) calendar day's written request for additional services to the County's coordinator. The District may also decrease the above referenced number of working hours per month by providing thirty (30) calendar day's written notice thereof to the County's coordinator. Upon any such adjustment, the District's monthly pay obligation shall be adjusted accordingly.

3.2 The District shall designate a liaison representative for the sole purpose of maintaining communication between the District and the County and its coordinator. The County's coordinator shall serve as the County's point of contact for the District and shall assist the District with any issues that arise between the District and the County.

3.3 The County's coordinator shall be responsible for assigning peace officers to provide the law enforcement services in the Area. The County's coordinator will also track the amount of time that the peace officers spend providing the services to the District hereunder.

3.4 It is understood and agreed by the parties that peace officers shall in no sense be considered an employee or agent of the District, and the District will have no liability relating to any action taken by any peace officer while providing services under this Agreement. The County agrees that for purposes of Section 791.006 of the Texas Government Code, responsibility for any civil liability arising out of the services furnished under this Agreement shall remain with the County, and not the District. The District shall not be responsible for, and

shall not withhold or pay any federal, state or local income tax, nor payroll tax of any kind, on behalf of the peace officers. The County shall be responsible for the filing and payment of all income related taxes associated with the services performed by the peace officers under this Agreement. The peace officers shall not be treated as employees of the District with respect to the services performed hereunder for federal or state tax purposes, for workers compensation purposes, or for any other purposes.

3.5 The County agrees that each peace officer will be properly insured while operating the patrol vehicle in accordance with Section 612.005(b) of the Texas Government Code, and any other applicable laws.

IV. CONSIDERATION FOR SERVICES

4.1 The District agrees to pay to the County the sum of Forty Five and 43/100 Dollars (\$45.43) per hour of time served by a peace officer within the Area pursuant to this Agreement for the District. Said amount shall compensate the County for the working time of the peace officer and the fully equipped patrol vehicle that is being utilized by such peace officer.

4.2 The District shall pay a monthly coordinator scheduling fee of zero (\$0) in order to compensate the County for the time spent by the County's coordinator on coordinating and managing the services that are being provided hereunder. In the event the District is not obligated to pay a coordinator fee hereunder, such fee for coordination services will be absorbed in the hourly rates paid to peace officers for performing services for the District hereunder.

4.3 The County shall invoice the District monthly for all amounts due for the prior month and the District shall pay, within fifteen (15) calendar days from the date of the invoice, all amounts due. All invoices will be sent to the District c/o Municipal Accounts & Consulting, L.P., Attn: Autumn Phillips, 8834 N. Capital of Texas Highway, Ste. 150, Austin, Texas 78759. All payments shall be made to the Williamson County Auditor's Office, Attn: Finance Director, 710 Main Street, Suite 301, Georgetown, Texas 78626. Interest charges for any late payments shall be paid by the District in accordance with Chapter 2251 of the Texas Government Code.

V. BREACH AND TERMINATION

5.1 If either party commits an Event of Breach (a breach of any of the covenants, terms and/or conditions of this Agreement), the non-breaching party shall deliver written notice of such Event of Breach to the breaching party. Such notice must specify the nature of the Event of Breach and inform the breaching party that unless the Event of Breach is cured within thirty (30) days of receipt of the notice, additional steps may be taken to terminate this Agreement. If the breaching party begins a good faith attempt to cure the Event of Breach within thirty (30) days, then and in that instance, the thirty (30) day period may be extended by the non-breaching party, so long as the breaching party continues to prosecute a cure diligently to

completion and continues to make a good faith attempt to cure the Event of Breach. If, in the opinion of the non-breaching party, the breaching party does not cure the breach within thirty (30) days or otherwise fails to make any diligent attempt to correct the Event of Breach, the breaching party shall be deemed to be in breach and the non-breaching party may, in addition to seeking any remedies available at law or in equity, terminate this Agreement.

5.2 Either party may terminate this Agreement prior to the expiration of the term set forth above, without cause, upon thirty (30) day's prior written notice to the other party.
