Re: **Williamson County Emergency Services Operations Center**
Additional Service Request No. 7
Combined Heat and Power (CHP)
Project No. 446431

Dear Gary:

The Agreement dated December 4, 2010 between Williamson County Texas and Parsons allows for the consideration of Additional Services for work in excess of reasonably contemplated scope and significant changes in the scope of the project.

CHP is a State of Texas requirement to formally consider the feasibility of implementing combined heat and power (CHP) technology prior to new construction or major renovation of critical buildings and facilities.

Parsons is requesting Williamson County's approval of Add Service No. 7 in the amount of One Thousand Six Hundred Ninety One Dollars (\$1,691.00) for the performance of the described services.

Summary of Costs

Discipline	Fee
Combined Heat and Power	\$1,537.00
Parsons 10% markup	\$154.00
Total	\$1,691.00

Any additional expenses are included in the fee amount.
