Re: Holiday Schedule

Bob,

According to section 4.1 Hours of Operation of the Williamson County Landfill Operation Agreement between Waste Management and Williamson County, executed the 3rd day of March 2009, the landfill is permitted to close on the following holidays: New Year's Day, Thanksgiving Day and Christmas Day.

This year, Christmas and New Year's Day fall on Sundays. I am writing this letter to respectfully request permission from Williamson County to allow Waste Management to close the Williamson County landfill facility on Christmas Eve and New Year's Eve during our normal hours of operation from 7am – noon. Given that these two days fall on major holidays, we expect to take in very low volumes. And because these two days fall on Saturdays, we would greatly appreciate the ability to offer our employees those full weekends off to spend the holidays with their families.

Thank you for your kind consideration of this request. I look forward to hearing from you.

Sincerely,

Jason M. Kjar
