Dear Mr. Harris:

Following a careful evaluation of each vendor submission in regards to the above referenced proposal, the evaluation committee selects Westwood Pharmacy as the jail pharmaceutical provider.

The evaluation criteria were as follows: pricing, performance record/references, online ordering methods, billing, credits and years of experience in corrections. Westwood's score of 285 points was the highest score achieved.

In addition to the above score, Westwood Pharmacy agreed to provide medical equipment as per the attached letter.
