**Dear Dr. Pierce:**

The review of the referenced project has been completed in accordance with the Williamson County Regional Habitat Conservation Plan (RHCP). Based on the supporting documents the Williamson County Conservation Foundation makes the following determination as to your application:

1. The mitigation fee for the referenced project will be \$7000.00 (Seven thousand and no hundredths dollars). This amount ("Participation Fee") was determined based on the acreage of the tract (rounded to the nearest acre) and a determination of impact to existing/indicated habitat for the Golden-cheeked warbler and will be reflected in Paragraph 2 of the Participation Agreement ("Agreement").
2. Please sign below and notify this office as soon as possible – by email scan to [wccf@wilco.org](mailto:wccf@wilco.org) or by fax to 512-943-1931 – of your agreement to these mitigation terms. An agenda item will be prepared for the next available Williamson County Commissioner's Court for acceptance.
3. Following acceptance by the Commissioner's Court we will provide you with fund transfer instructions for the Participation Fee. We understand that no activity is immediately planned for this tract and this determination letter will remain effective until such time as your project (single residence) is ready to begin site preparation.
4. Upon receipt of the Participation Fee the Agreement will be prepared and sent to you. The cover documents for the Agreement will include instructions for filing in Williamson County deed records.

These actions will complete your participation in the RHCP for the referenced project/tract. When we receive confirmation of filing, this office will subsequently prepare and mail a participation certificate to you. Although the certificate is not an official document, it may be posted at the project site as notification of participation in the Williamson County RHCP.

Should you have any questions about this letter, please contact WCCF.

Sincerely,

Gary D. Boyd  
Director, Environmental Programs  
Williamson County Conservation Foundation
