

STEVE JACOBS
LETTER OF INTEREST
ESD #8 COMMISSIONER - OPEN POSITION

To: Valerie Covey, Williamson County Commissioner

From: Steve Jacobs, CET
117 Silverado Drive
Georgetown, TX 78633

Dear Commissioner Covey,

Please find enclosed this letter of interest and qualifications for the open Emergency Service District #8 Commissioner seat for the Williamson County Commissioner's Court review. My life long career has been a rich mixture of fire protection, security and software systems and support. I early retired from IBM Austin in 1998.

I am a fire protection professional and currently do contract fire alarm, fire detection and mass notification systems design and consulting. I am member of the National Fire Protection Association (NFPA), NFPA Building Fire Safety Systems Section and Society of Fire Protection Engineers. I currently hold a State of Texas, State Fire Marshal Alarm Planning Superintendent License and a Certified Engineering Technician Level III certification from the National Institute for Certification in Engineering Technologies (NICET) in Fire Protection Engineering Technology Fire Alarm Systems. I also have a Security Company Qualified Manager License issued by the Texas Department of Public Safety Private Security Bureau.

I am currently seeking a Certified Fire Protection Specialist certification from NFPA and have attended the workshops and tested for the certification. I keep current with fire codes and standards through NFPA, the Texas Fire Alarm Association, the Society of Fire Protection Engineers and earn continuing education units annually to keep licenses and certifications current.

I have called Williamson County and Georgetown home since 1969 and currently reside in ESD #8.

It would be an honor to serve the district as a commissioner and believe my experience will be of benefit to ESD #8.

Sincerely,

A handwritten signature in blue ink, appearing to read "Steve Jacobs", with a stylized, flowing script.
