Re: Bid Number 12IFB00009 (approved to advertise during the regular session of February 2/7/12 Commissioners Court - agenda item number 26)

Remarks:

Return To:

In response to the request to advertise, twenty four (24) companies attended the mandatory pre-bid conference that was held at Champion Park, 3830 Brushy Creek Rd, Cedar Park, TX 78613 on February 17, 2012 at 2:00 pm. Parks Department and Purchasing Department staff discussed the basic scope of the project, answered questions, and led the group on a tour of the work site to determine the limits of construction.

Subsequently, on March 6, 2012 at 10:00 am, Purchasing Department staff opened and tabulated seven (7) sealed bids that were submitted. Each of the seven bidders attended the previously referenced mandatory pre-bid meeting. The bids ranged from \$117,925 to \$300,000. The lowest bid was not considered because the bid package did not include the required references. The next lowest bid was Myers Concrete Construction, LP at \$136,282.00.

Purchasing department staff reviewed the bid submittal for Myers Concrete Construction, LP. All bid submittal requirements were met, to include reference checks for projects of similar size completed in the last three (3) years. References for Myers Concrete Construction, LP offered nothing but praise for the professional quality of their work.

From the information received, it appears that Myers Concrete Construction, LP meets all bid submittal requirements, thereby representing the lowest and best bid. I recommend contract award of Bid Number 12IFB00009 to Myers Concrete Construction, LP in an amount not to exceed \$136,282.00.

A special "thank you" goes to Purchasing Specialist Connie Singleton and to Deputy Purchasing Agent Jonathan Harris, who were extremely helpful during this process.

Please advise with questions or concerns.

Thank you!
