Assistant Purchasing Agent

Re: Williamson County Road Bond Program
King of Kings Crossing
Williamson County Project No. 12IFB00025
Recommendation of Contractor Award

Dear Mr. Harris,

Please find attached the bid tabulations for the subject-referenced project. The bids have been reviewed and adjusted for correctness. A correction was necessary to one bid due to an addition error. The correction resulted in no change to the bid rankings, and did not change the status of the low bidder. The bids are therefore accepted as hereby submitted, with Smith Contracting being the low bidder. Following is a summary of the bid totals:

1. Smith Contracting \$ 99,453.15
2. Patin Construction \$149,797.00
3. Austin Engineering \$240,353.67

The Contractor's low bid is \$23,275.45 under the Engineer's estimated cost of construction.

In addition to meeting the bid qualifications subject to being low bidder, Smith Contracting completed one previous project under the Pass Through Program (RM 2338 Water Quality Ponds) and has performed similar work in the Central Texas region with positive feedback obtained from references contacted by the Engineer. As a result, we recommend award of the King of Kings Crossing construction contract to Smith Contracting in the contract amount of \$99,453.15.

Please feel free to contact our office with any questions.

Respectfully Submitted,

HNTB Corporation
