I want to thank you for your interest in Waste Management and for giving us the opportunity to propose your waste removal services for your business. At Waste Management, we take pride in our service and put you, the customer, first in everything we do. That is why we are the #1 waste hauling company nationwide.

We service many front load, side load, compactor, and roll off accounts in and around Central Texas, so we know what you will be dealing with on a day-to-day basis. After gathering your information, the following is what I recommend for City Of Hutto:

The System includes the following elements, with pricing allocated on a per-station basis:

<u>QTY</u>	<u>Item</u>	<u>Face Plate1</u>	<u>Face Plate2</u>	<u>Per Station</u>	<u>Extended Price</u>
2	BigBelly + SmartBelly Double Station 5 Year	Black Hopper	Single Stream	\$6457.00	\$12,914.00
					<i>Shipping & Handling (one time)</i>
					<u>\$800.00</u>
				Total System Cost	\$13,714.00

Prices valid for 60 days from above date.

Once again thank you for the opportunity and I look forward to hearing from you. If you have any questions, please do not hesitate to contact me at (512) 696-0363.

Regards,
