

Red Line change Requested by John Sneed

Request that the Assistant Haz-Mat Chief would be allowed to take home his County vehicle.

He lives in Hutto and there have been times that he has been called into service only to drive to Georgetown to pick up his equipment; and then return to Precinct 4.

Since Marty lives West, the East Side Fire Chiefs are requesting a quicker response with Chief Wofford living in their service area.

I hope this meets with your approval. I will be happy to answer any questions that you may have on this issue.

Sincerely,

John Sneed
Senior Director
Williamson County Emergency Services
