Re: SH195 expansion project
PEC/LCRA electric easement relocation

Dear Mr. Stanton:

Please allow this letter to set out my understanding regarding our agreement for the purchase of additional electric easements for Pedernales Electric Cooperative, Inc. (PEC) and LCRA Transmission Services Corporation (LCRA) in connection with the State's SH195 expansion and realignment project in Williamson County.

In return for granting PEC an electric easement in and to approximately 0.012 acre, Williamson County will pay you the sum of \$131 (0.012 ac. (all previously encumbered with electric easement) x \$2.50/SF x 10% rights). In return for granting LCRA an electric easement in and to approximately 0.101 acre, Williamson County will pay you the sum of \$1,078 (0.101 ac (0.011 new easement area) x \$2.50/SF x 90% rights). The form of the easements will be as shown in Exhibits "A" and "B" attached.

If this meets with your understanding and discussions with Brett Lester please execute this letter where indicated below and we will have this executed by the judge and process this for payment as quickly as possible.

Please feel free to contact Brett or myself at any time if you have any questions or concerns about these issues.

Very truly yours,

Don Childs
