Re: 2006 Road Bond Allocations – New Projects

As requested I have reviewed the budgets for the remaining projects under the 2006 Road Bond Program. Below is my suggested allocation of un-allocated interest (P156) to these new Projects as well as adding necessary dollars to projects currently underway.

• CR 110 (US79-Limmer Loop)	\$500,000.00	P260
• CR 110 (Limmer Loop-CR107)	\$500,000.00	P261
• FM 1460 (University Blvd.-Quail Valley Dr.), Phase 2	\$2,000,000.00	P262
• Tradesman Drive UPRR Crossing	\$500,000.00	P263
• RM 620/Rail Road Bridge	\$100,000.00	P264
• CR 108 (US79-Limmer Loop)	\$3,800,000.00	P-240
• US183/FM1869 Intersection Improvements	\$700,000.00	P-250
• US183/Lakeline Blvd. Int. Improvements	\$250,000.00	P-252
• Close P186 – RM1431		
○ RM1431/Parmer Lane Intersection	\$1,150,000.00	P265

I will continue working on re-arranging money to cover the negative balances in the following projects and have those amounts to you for the following Commissioners Court Agenda:

- 2nd Street Roadway in Taylor (P244)
- Chandler Road, Phase 3A (P247)
- SH 29 TWLTL @ Liberty Hill (P246)

Please let me know if you have any questions.
