REQUEST FOR QUALIFICATIONS (RFQ)

ROAD BOND AND DEPARTMENT OF INFRASTRUCTURE PROJECTS GENERAL ENGINEERING CONSULTANT (CONSTRUCTION MANAGEMENT/INSPECTION)

RFQ # 14RFQ00105

**RFQ SUBMITTALS TO BE RECEIVED ON OR BEFORE:
3:00 pm Tuesday January 14th, 2014**

Scope

Williamson County is soliciting qualifications of engineering firms interested in providing Road Bond Program General Engineering Consultant (GEC) - Construction Management/Inspection services for Road Bond Program and Department of Infrastructure road and drainage projects. (Road Bond Program GEC Program Management, Planning & Design Services are not included in this scope). A firm receiving this contract will not be eligible to receive the Road Bond Program General Engineering Consultant (Program Management, Planning & Design) contract. Additionally, it is not anticipated that the firm awarded this contract will be eligible to receive a Planning/Design contract.

Format for Request for Qualifications Submittals

- 1) A one (1) page transmittal letter that provides an overview of the firm
- 2) Up to three (3) pages outlining general qualifications of your team
- 3) A proposed organizational chart and resumes for team members you choose to submit in support of your qualifications.
- 4) A listing or description of relevant Construction Management/Inspection experience. This list is limited to one (1) page.

All interested firms must have at least one office located within Texas with a professional engineer registered in the State of Texas.

Note that Environmental, Geotech Engineering/Materials Testing, Surveying, Planning & Design, Utility Coordination/Relocation, and Road Bond General Engineering

Consultant (program management, planning & design) services are specifically excluded from this RFQ.

For purposes of this RFQ, a page is defined to be one (1) side of an 8 ½” x 11” sheet of paper. Organizational charts may be represented on 11” x 17” paper.

Evaluation Criteria

The services being solicited by this Request for Qualifications are professional engineering services exempt by Title 10 Subtitle F Chapter 2254 Subchapter A of the Texas Government Code. All Request for Qualifications received will be evaluated according to the following criteria and weighted values:

Criteria	Points
The experience of the firm in General Engineering Consulting (GEC) and Construction Management/Inspection services / Project Management	40%
The experience of firm staff in General Engineering Consulting (GEC) and Construction Management/Inspection services / Project Management	40%
The availability of firm management and staff assigned to Williamson County Projects	20%

The top ranking firms from the RFQ evaluation will be invited to an interview. The selection will be made based on the interview results. Interview evaluation criteria will be based on the same criteria as the Request for Qualifications. The county will select the most highly qualified provider of these services on the basis of demonstrated competence and qualifications and then attempt to negotiate a contract with that provider at a fair and reasonable price. If it is not possible to agree on a fair and reasonable price the County will cease negotiations with that provider and attempt to negotiate a fair and reasonable price with the next most qualified provider.

Submittal of RFQ Response

One (1) original RFQ response and four (4) copies should be submitted. The responses should be marked “original” and “copy”. One (1) PDF electronic copy of the entire RFQ should be submitted on a CD in the sealed envelope with the original hard copy of the RFQ response. **All copies should have the same attachments as the original.** Please incorporate the least possible amount of plastic/laminate or other non-recyclable binding materials.

Qualifications are to be submitted in a sealed envelope clearly marked **Road Bond General Engineering Consultant (Construction Management/Inspection) and include the RFQ number**. If an overnight delivery service is used, the RFQ name and number should be clearly marked on the outside of the delivery service envelope. RFQ responses are to be addressed to **Williamson County Purchasing Department, Attn: APA – GEC/Construction Management/Inspection, 901 S. Austin Ave., Georgetown, TX 78626**. By submitting a response to this RFQ, the firm certifies that

he/she has fully read and understands the request for qualifications and has knowledge of the scope and quality of the services to be furnished and intends to adhere to the provisions described herein.

Respondent understands and agrees that this RFQ is issued predicated on anticipated requirements for the County and that the County has made no representation, written or oral, that any such requirement be furnished under a Contract arising from this RFQ. Furthermore, Respondent recognizes and understands that any cost borne by the Respondent which arises as a result of submitting a response to this RFQ shall be at the sole risk and responsibility of Respondent.

Location Directions

Please see **page 5** of this document for a map and directions to the Williamson County Purchasing Office.

Williamson County Conflict of Interest Statement

On Tuesday, November 6, 2007, the Williamson County Commissioners Court approved the following: All bids, proposals and requests for qualifications under consideration by the County for contract award shall contain a signed affidavit acknowledging the responder's awareness of Section 176.006 of the Texas Local Government Code as it relates to conflicts of interest. A blank copy of this affidavit, Williamson County Conflict of Interest Statement, can be found on **Page 4** of this RFQ package. Respondents should complete this form and submit it as a part of their response to this RFQ.

Questions, clarifications or requests for general information should be directed to the contacts listed below.
