➤ Positive 75%

- Thank you
- Easy
- Great, convenient
- Love it

The Williamson County Election website is great with great directions & easy to use. (Not like some other govt. websites we're hearing about)

➤ Negative 15%

- No notification, news coverage
- Hard to find

➤ Suggestions 10%

- More signs
- More voting machines at the poll

Both sides of the comments

➤ Positive

- Very convenient - thanks!
- Having Vote Centers makes voting easier & more efficient Very good location & great way to vote electronically!
- No doubt good for many people
- I think the concept is a great idea - Love it!!
- I liked being able to go anywhere in the county.
- Overall, the Vote Center concept makes voting more accessible

➤ Negative

- I hate voting machines!
- Need to advertise locations more.
- Hate Voter ID law
- Wish there were more "Vote Here" signs visible out front.
- Want option to vote NOT electronic. You cannot confirm w/o any room for error that voting machines can't be hacked.
- We should get a receipt of our vote.
- Need HIGHER booth.

- Suggestions
 - Need more signs
 - Keep the Vote Center
 - Need to advertise locations more.
 - Keep voting centers constant. the locations have been changing and this is inconvenient
 - Center could be bigger to accommodate bigger turnout.
 - More signs especially 2-3 days before. Press release for community websites, etc. With link to Williamson County Vote Center list & ID requirements.
 - Add chairs for tall people
