Toby we are not able to continue projects and service at this point I certainly don't want to do this but I have no choice I have lost financial support . I want to thank you for all the work that you and WILCO has given us over the years it has always been a pleasure to work with you and your staff I would like to say more but a little short on words. If you have any questions about anything please don't hesitate to call

Thank You,

Gordon Tarnow
