The permit is subject to the following conditions:

1. The design or use of this Pass will be in conformance with County policies, plans and specifications approved by County.
2. All work in the County right of way in connection with the construction, maintenance, and any future modifications of the Pass will be approved and supervised by County.
3. The Grantee will hold harmless County and its agents and employees against any action for personal injury or property damage sustained by reason of the exercise of this permit.
4. The Grantee shall have no right of assignment whatsoever to the whole or any part of the Pass nor to erect any improvements thereon other than those listed within this Permit.
5. It is expressly understood that the use and maintenance of this Pass shall be limited to use as a livestock or animal crossing through the existing 8' x 7' box culvert (Culvert No. 2) shown in the attached plans, and shall expire upon the cessation of use by said Grantee and will be subject to such regulations as are determined by the County to be necessary in the interest of public safety and in compliance with approved engineering principles and practice.
6. Grantee shall provide fences, gates and cattle guards as required by the County to pass livestock or other animals across the County right of way.
7. The Grantee shall at all times allow access and egress to the Pass by the County for necessary inspection and maintenance of any facility or other such activities as may be required within the roadway right of way. The County will also be solely responsible for determining what amount of maintenance and repair is routine maintenance for which the County is responsible and what portion of maintenance and repair is attributed to use by the Grantee for which the Grantee is responsible.
8. It is agreed and understood that said Pass shall not be used as an access to present or future residential and/or commercial development.
9. It is expressly understood that County does not purport hereby to grant any right, claim, title, or easement in or upon this highway, and it is further understood that County may terminate this permit upon thirty (30) days written notice, if it in any way interferes or conflicts with the operation, maintenance, use or safety of the roadway or any other property owned by the County, its successors or assigns, or if the Grantee fails to comply with any term of this agreement.
10. Should disputes arise as to the parties' obligations, the County's decision shall be final and binding.
11. This Permit becomes effective when signed by the County and shall continue through perpetuity unless modified by mutual agreement of both parties or unless terminated by the County as hereinafter provided.

I, the undersigned, hereby agree to comply with the terms and conditions set out in this permit for installation, maintenance, operation and/or use of a Pass across county road right of way.
