**Re: An approximate 40' x 250' street improvement (approximately 0.25 acre project area) at Madrid Drive to its intersection with West Sequoia Spur Georgetown, Williamson County, Texas; WCCF file #20140311.**

**Dear Judge Gattis:**

**A review of the referenced project has been completed in accordance with the Williamson County Regional Habitat Conservation Plan (RHCP). Based on the provided supporting documents the Williamson County Conservation Foundation is able to make the following determination as to this application:**

- 1. The participation fee for the referenced project will be \$100.00 (One hundred and No hundredths Dollars). This amount ("Participation Fee") will be reflected in Paragraph 2 of the Participation Agreement (the "Agreement"). This fee is calculated using the tract's base acreage in the geological karst zone (0.25 acres x \$100/acre rounded up to nearest acre).**
- 2. Please notify this office as soon as possible – by email to [wccf@wilco.org](mailto:wccf@wilco.org) or by fax to 512-943-1931 – of agreement to these participation terms.**
- 3. A Participation Agreement has been prepared based on the participation terms. Please have the appropriate individual(s) sign where indicated. A copy of the minutes of the court action covering this application to the WCCF will be made a part of WCCF permanent files.**
- 4. A portion of the Participation Agreement ("Memorandum of Participation") will be filed in the deed records of Williamson County. The WCCF will handle the filing.**

**Subsequent to WCCF's receipt of the original recorded copy, this office will 1) provide a copy for court files, and, 2) if requested, prepare and mail a participation certificate. Although the certificate is not an official document, it may be posted at the project site as notification to interested parties of participation in the Williamson County RHCP.**

Should you have any questions about this letter, please contact WCCF.

Sincerely,

**Gary D. Boyd**  
**Director, Environmental Programs**
