Remarks:

Return To:

In response to the Invitation for Bid, seven (7) businesses submitted bids to complete work associated with the Brushy Creek Regional Trail Alternate Route project. On June 3, 2014 at 3:30 pm, Purchasing Department staff opened and tabulated seven (7) sealed bids that were submitted. The bids ranged from \$171,071 to \$236,544. The lowest bidder was TCB Construction, Inc. at \$171,071.

Purchasing department staff reviewed the bid submittal for TCB Construction, Inc. All bid submittal requirements were met, to include reference checks for projects of similar scope and size completed in the last three (3) years.

From the information received, it appears that TCB Construction, Inc. meets all bid submittal requirements, thereby representing the lowest bid. I recommend contract award of Bid Number 14IFB00212 to TCB Construction, Inc. in an amount not to exceed \$171,071.

A special "thank you" goes to Purchasing Department staff, which was extremely helpful during this process.

Please advise with questions or concerns.

Thank you!
