#### **2.2.1 Venue and Governing Law**

Respondent hereby agrees and acknowledges that venue and jurisdiction of any suit, right, or cause of action arising out of or in connection with this RFP, the Contract and any ensuing Agreement shall lie exclusively in either Williamson County, Texas or in the Austin Division of the Western Federal District of Texas, and the parties hereto expressly consent and submit to such jurisdiction. Furthermore, except to the extent that this RFP, the Contract and any ensuing Agreement is governed by the laws of the United States, this RFP, the Contract and any ensuing Agreement shall be governed by and construed in accordance with the laws of the State of Texas, excluding, however, its choice of law rules.

#### **2.2.2 Incorporation by Reference and Precedence**

The Contract shall be derived from (1) the RFP and its Addenda; and (2) the Respondent's Proposal. In the event of a dispute under the Contract, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) the RFP and its Addenda; and (2) the Respondent's Proposal.

In the event Williamson County requires that an ensuing Agreement be executed following award and a dispute arises between (1) terms and conditions of the ensuing Agreement, (2) the RFP, and its Addenda; and (3) the Respondent's Proposal, applicable documents will be referred to for

the purpose of clarification or for additional detail in the following order of precedence: (1) terms and conditions of the ensuing Agreement and its Addenda, (2) the RFP and its Addenda; and (3) the Respondent's Proposal.

### **2.2.3 Ownership of Proposal**

Each Proposal shall become the property of Williamson County upon submittal and will not be returned to Respondents unless received after the submittal deadline.

### **2.2.4 Disqualification of Respondent**

Upon signing and submittal of the Proposal, a Respondent offering to sell supplies, materials, services, or equipment to Williamson County certifies that the Respondent has not violated the antitrust laws of this state codified in Section 15.01, et seq, Business & Commerce Code, or the Federal Antitrust Laws, and has not communicated directly or indirectly the offer made to any competitor or any other person engaged in such line of business. Any or all Proposals may be rejected if Williamson County believes that collusion exists among the Respondents.

### **2.2.5 Assignment, Successors and Assigns**

The Successful Respondent may not assign, sell, or otherwise transfer the Contract or any other rights or interests obtained under the Contract without written permission of the Williamson County Commissioners Court. The Contract and any ensuing Agreement shall be binding upon and inure to the benefit of the contracting parties and their respective successors and permitted assigns.

### **2.2.6 Implied Requirements**

Products and services not specifically described or required in the RFP, but which are necessary to provide the functional capabilities described by the Respondent, shall be deemed to be implied and included in the Proposal.

### **2.2.7 Termination**

- a. **Termination for Cause:** Williamson County reserves the right to terminate the Contract and/or any ensuing Agreement for default if the Successful Respondent breaches any of the RFP Specifications, Terms and Conditions, including warranties of Respondent, if any, or if the Successful Respondent becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies Williamson County may have at law or in equity or as may otherwise be provided herein. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all other requirements to Williamson County's satisfaction, and/or to meet all other obligations and requirements.
- b. **Termination for Convenience:** Williamson County may terminate the Contract and/or any ensuing Agreement for convenience and without cause or further liability, upon thirty (30) calendar days written notice to Successful Respondent. In the event Williamson County exercises its right to terminate without cause, it is understood and agreed that only the amounts due to the Successful Respondent for goods, commodities and/or services provided and expenses incurred to and including the date of termination, will be due and

payable. No penalty will be assessed for Williamson County's termination for convenience.

### **2.2.8 Non-Performance**

It is the objective of Williamson County to obtain complete and satisfactory performance of the requirements set forth herein. In addition to any other remedies available at law, in equity or that may be set out herein, failure to perform may result in a deduction of payment equal to the amount of the goods and/or services that were not provided and/or performed to the County's satisfaction. In the event of such non-performance, the County shall have the right, but shall not be obligated, to complete the services itself or by others and/or purchase the goods from other sources. If the County elects to acquire the goods or perform the services itself or by others, pursuant to the foregoing, the Successful Respondent shall reimburse the County, within ten (10) calendar days of demand, for all costs incurred by the County (including, without limitation, applicable, general, and administrative expenses, and field overhead, and the cost of necessary equipment, materials, and field labor) in correcting the nonperformance which the Successful Respondent fails to meet pursuant to the requirements set out herein. In the event the Successful Respondent refuses to reimburse the County as set out in this provision, County shall have the right to deduct such reimbursement amounts from any amounts that may be then owing or that may become owing in the future to the Successful Respondent.

### **2.2.9 Proprietary Information and Texas Public Information Act**

All material submitted to the County shall become public property and subject to the Texas Public Information Act upon receipt. If a Respondent does not desire proprietary information in the Proposal to be disclosed, each page must be clearly identified and marked proprietary at time of submittal or, more preferably, all proprietary information may be placed in a folder or appendix and be clearly identified and marked as being proprietary. The County will, to the extent allowed by law, endeavor to protect from public disclosure the information that has been identified and marked as proprietary. The final decision as to what information must be disclosed, however, lies with the Texas Attorney General. Failure to clearly identify and mark information as being proprietary as set forth under this provision will result in all unmarked information being deemed non-proprietary and available to the public. For all information that has not been clearly identified and marked as proprietary by the Respondent, the County may choose to place such information on the County's website and/or a similar public database without obtaining any type of prior consent from the Respondent.

To the extent, if any, that any provision in this RFP or in the Respondent's Proposal is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that Williamson County, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to Williamson County as to whether or not the same are available to the public. It is further understood that Williamson County's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that Williamson County, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to Williamson County by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

books, documents, papers and records of Successful Respondent, which are directly pertinent to the services to be performed or goods to be delivered for the purposes of making audits, examinations, excerpts and transcriptions. Williamson County shall give Successful Respondent reasonable advance notice of intended audits.

### **2.2.11 Inspections and Testing**

Williamson County reserves the right to inspect and test equipment, supplies, material(s) and goods for quality and compliance with this RFP, and ability to meet the needs of the user. Demonstration units must be available for review. Should the goods or services fail to meet requirements and/or be unavailable for evaluation, Williamson County can deem the Respondent to be in breach and terminate the Contract and/or any ensuing Agreement(s).

### **2.2.12 Proposal Preparation Cost**

Cost of developing Proposals is entirely the responsibility of Respondents and shall not be charged to Williamson County. There is no expressed or implied obligation for Williamson County to reimburse Respondents for any expense incurred in preparing a Proposal in response to this RFP and Williamson County will not reimburse Respondents for such expenses.

#### **2.2.14 Waiver of Subrogation**

The parties acknowledge that if any provision of this RFP, the Contract or any ensuing Agreement is determined to be invalid or unenforceable, it is the desire and intention of each that such provision be reformed and construed in such a manner that it will, to the maximum extent practicable, give effect to the intent of this RFP, the Contract or any ensuing Agreement and be deemed to be validated and enforceable.

Williamson County does not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

## **2.2.24 No Waiver**

The failure or delay of any party to enforce at any time or any period of time any of the provisions of this RFP, the Contract or any ensuing Agreement shall not constitute a present or future waiver of such provisions nor the right of either party to enforce each and every provision. Furthermore, no term or provision shall be deemed waived and no breach excused unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented. The Williamson County Commissioners Court may award the Contract on the basis of the initial Proposals received, without any further or additional discussions. Therefore, each initial Proposal should contain the Respondent's best terms and offer. The contents of the RFP and the selected Proposal will become an integral part of the Contract, but may be modified, at Williamson County's sole discretion, by provisions of an ensuing Agreement. Therefore, the Respondent must agree to inclusion in an ensuing Agreement of the Proposal Specifications, Terms and Conditions of this RFP. All certificates of insurance coverage as specified below must be provided to the following individual:

The following coverage limits shall be required at a minimum:

- |                          |                       |

Successful Respondent's property will not be covered by any insurance that may be carried by Williamson County. Successful Respondent assumes the risk of loss on its contents and property that are situated on/in/around Williamson County property. The Successful Respondent is strongly encouraged to obtain insurance on its property to the extent deemed necessary by the Successful Respondent.

The deductible for an insurance policy required hereunder shall not exceed \$10,000. **Williamson County shall be named as an additional insured under any policy of insurance required hereunder.**

of action or dispute, except as specifically required in direct connection with an insurance claim or threat of claim under an insurance policy required hereunder which absolutely requires arbitration or mediation of such claim, or as otherwise required by law or a court of law with jurisdiction over the provisions of this Contract or any ensuing Agreement.

The contractor's failure to comply with any of these provisions is a breach of contract by the contractor which entitles Williamson County to declare the Contract void if the contractor does not remedy the breach within ten (10) days after receipt of notice of breach from Williamson County.
