Evaluation Criteria:

40% of the product evaluation was based on pricing in the RFP

30% of the product evaluation was based on clinical review / data management

30% of the product evaluation was based on paramedic review / ease of use, reliability, functionality

CRITERIA	Possible Points	VENDORS		
		Philips Medical	Physio-Control	Zoll Medical
Price	40	$(14,891.36 * 1 * 40) = 40$	$(27,249.90 * .55 * 40) = 22$	$(22,834.46 * .65 * 40) = 26$
Clinical Review	30	30	30	30
Paramedic Review	30	30	25	20
Total Points	100	100	77	76

Point Calculation:

- Price: Low bid divided by vendor bid and then multiplied by points.
- Clinical Review: (30-1st / 25-2nd / 20-3rd) awarded based on overall vendor ranking of weighted clinical practices requirements. All vendors were equally missing requirements and therefore were awarded all 1st place pts.
- Paramedic Review: (30-1st / 25-2nd / 20-3rd) awarded based on overall vendor ranking of weighted survey data collected.
