RE: General Liability Insurance

Williamson County Purchasing Department
901 S. Austin Avenue
Georgetown, TX 78626

SUBJECT: RECOMMENDATION

To Whom It May Concern,

The current General Liability Insurance Policy for Williamson County EMS will expire 9/30/2014. We have contacted multiple (9) vendors for a Request for Quote. We have received three (3) email responses that the contacted vendors were unable to provide a quote within the timeframe given or information provided in the RFQ document. A representative of VFIS of Texas/Regnier Insurance has stated in an email that the verbal quote provided by their underwriter was in \$60,000.00 annual premium range. Extraco Banks-Insurance has provided a quote with the carrier, Arch Insurance Company of \$19,437.00 annual premium. Four (4) vendors have not responded.

It is the recommendation of Williamson County EMS that we accept the annual premium and coverage quoted by Extraco Banks-Insurance for General Liability Insurance for 2014-2015.

Thanks,

Kenneth Schnell
Director
