Re: RFP1506-007 Recommendation

The recommendation from the RFP Evaluation Committee is to award the landscape contract to Red & White Greenery. This evaluation is based on price for services, professional experience, on-going training, headquarter location, availability of skilled labor, responsiveness to emergencies, relevant experience on similar projects, special equipment and references.

Red & White Greenery is a local company that has been in business since 1983.

The Facilities Department recommends that Williamson County award the contract based on the committee's recommendation.

Sincerely,

Gary Wilson
Director of Facilities
