Subject: RE: FW: Williamson County EMS

Good morning Lisa.

My recommendation is to go with the quote submitted by Extraco due to pricing, coverage and past history with WCEMS. This is in line with current rates and coverage for FY15. If you have any questions, please let me know.

Thanks,

Kenny

Kenny,

When you get a chance will you send over a recommendation for this? I can add it on the agenda tomorrow if I get it in time.

Thanks!

Lisa Maraden
