Re: Williamson County—CR 110 Improvement Project
Parcel 23S

Dear Mr. Swenson:

Please allow this letter to set out my understanding regarding the agreement for Williamson County's ("County") acquisition from you ("Swenson") of that certain 0.056 acre tract of land required for construction of the proposed CR 110 improvement project, and which is further identified as Parcel 23 ("Property").

In return for delivering a deed which vests title for the Property to Williamson County, Texas, free and clear of any mortgage liens, County agrees to construct one thirty (30) foot wide concrete driveway connection, with twenty five (25) foot radii, between the proposed County Road 110 roadway improvements and the remaining property of Swenson.

The driveway will be constructed as part of the CR 110 construction project, and shall be located at approximately Station 179+76R as shown in the plan sheet attached hereto as Exhibit "A", or at other location agreed to between Swenson and County prior to the commencement of construction, and must otherwise comply with any applicable access management or driveway location requirements of any affecting jurisdiction. Upon request Swenson agrees to provide County any necessary temporary construction easements on the remaining property which are required to carry out the obligations of this paragraph. The form of the deed for this Property transfer will be as shown in Exhibit "B" attached.

The parties acknowledge and agree that time is of the essence in this transaction, and they shall take all reasonable steps to have this agreement approved, and the transaction completed, as quickly as possible. At the request of the County the completion of the transaction may take place at a title company of the County's choosing, and any required closing costs or expenses shall be the responsibility of the County.

If this meets with your understanding please sign where indicated below, and we will have this presented to the County for approval, and process this for closing and/or payment as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

Don Childs
