Subrecipient shall ensure that this clause concerning the State Auditor's Office's authority to audit funds and the requirement to cooperate fully with the State Auditor's Office is included in any subgrants or subcontracts it awards. L. Changes, Amendments, Suspension or Termination

1. Modification. FEMA or DPS/TDEM may modify this Grant after an award has been made. Once notification has been made in writing, any subsequent request for funds indicates Subrecipient's acceptance of the changes to this Grant. Any alteration, addition, or deletion to this Grant by Subrecipient is not valid.
2. Effect of Changes in Federal and State Laws. Any alterations, additions, or deletions to this Grant that are required by changes in federal and state laws, regulations or policy are automatically incorporated into this Grant without written amendment to this Grant and shall become effective upon the date designated by such law or regulation. In the event FEMA or DPS/TDEM determines that changes are necessary to this Grant after an award has been made, including changes to the period of performance or terms and conditions, Subrecipient shall be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate Subrecipient's acceptance of the changes to this Grant.
3. Suspension. In the event Subrecipient fails to comply with any term of this Grant, DPS/TDEM may, upon written notification to Subrecipient, suspend this Grant, in whole or in part, withhold payments to Subrecipient and prohibit Subrecipient from incurring additional obligations of this Grant's funds.

- M. Enforcement.** If Subrecipient materially fails to comply with any term of this Grant, whether stated in a federal or state statute or regulation, an assurance, in a state plan or application,

a notice of award, or elsewhere, DPS/TDEM or DHS may take one or more of the following actions, as appropriate in the circumstances:

1. Increased monitoring of projects and require additional financial and performance reports
2. Require payments as reimbursements rather than advance payments
3. Temporarily withhold payments pending correction of the deficiency
4. Disallow or deny use of funds and matching credit for all or part of the cost of the activity or action not in compliance;
5. Request FEMA to wholly or partially de-obligate funding for a project

8. Take other remedies that may be legally available

In taking an enforcement action, DPS/TDEM will provide Subrecipient an opportunity for a hearing, appeal, or other administrative proceeding to which Subrecipient is entitled under any statute or regulation applicable to the action involved.

The costs of Subrecipient resulting from obligations incurred by Subrecipient during a suspension or after termination of this Grant are not allowable unless DPS/TDEM or DHS expressly authorizes them in the notice of suspension or termination or subsequently.

Other Subrecipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

- The costs result from obligations which were properly incurred by Subrecipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are non-cancellable; and
- The costs would be allowable if this Grant were not suspended or expired normally at the end of the funding period in which the termination takes effects.

The enforcement remedies identified in this section, including suspension and termination, do not preclude Subrecipient from being subject to "Debarment and Suspension" under E.O. 12549. 2 C.F.R., Appendix II to Part 200, (I).

- N. **Conflicts of Interest.** The subrecipient will maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts and will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain.
- O. **Closing of this Grant.** DPS/TDEM will close a subaward after receiving all required final documentation from the Subrecipient. If the close out review and reconciliation indicates that Subrecipient is owed additional funds, DPS/TDEM will send the final payment automatically to Subrecipient. If Subrecipient did not use all the funds received, DPS/TDEM will recover the unused funds.

At the completion of Subrecipient's performance period, DPS/TDEM will de-obligate all uncommitted funds and de-obligate all unexpended funds if final documentation is not received by the deadline.

The closeout of this Grant does not affect:

1. DHS or DPS/TDEM's right to disallow costs and recover funds on the basis of a later audit or other review;
2. Subrecipient's obligation to return any funds due as a result of later refunds, corrections, or other transactions;
3. Records retention requirements, property management requirements, and audit requirements, as set forth herein; and
4. Any other provisions of this Grant that impose continuing obligations on Subrecipient or that govern the rights and limitations of the parties to this Grant after the expiration or termination of this Grant.
