Re: Bid #1510-020 Law Enforcement Motorcycles

**Recommended Action**

We recommend that line item #1510-020-01-01 for the purchase and delivery of 3 2016 Harley Davidson FLHTP motorcycles be awarded to Horny Toad Harley Davidson - Fort Hood. We further recommend that line item #1510-020-01-02 for the installation of additional equipment be rejected. There was some confusion by the respondent with regards to the equipment to be installed. There were not any responses for Line Item #1510-020-01-03.

**Background**

For fiscal year 2015/2016, the Williamson County Commissioner's Court provided three (3) new motorcycle deputy positions. This award provides the requested and budgeted vehicles for these deputies.

**Vendor Selection**

On December 8, 2015, an invitation for bid was placed to provide 3 new Harley Davidson motorcycles. The bid was placed on the County's on-line bidding site (Bidsync).

Horny Toad Harley Davidson was the only bidder for this bid that closed on December 28, 2015. The County has previously purchased multiple motorcycles (for the Williamson County Sheriff's Office) with positive results. Fleet Maintenance does not service the County motorcycles. Normal service and any applicable warranty service for the Harley Davidson motorcycles is completed by Horny Toad Harley Davidson.

**Financial Impact**

The purchase order amount to be awarded will not exceed the budgeted amount.
