

PUBLIC ANNOUNCEMENT AND GENERAL INFORMATION

**WILLIAMSON COUNTY PURCHASING DEPARTMENT
SOLICITATION**

Roof & Facade Improvements Williamson Co. Round Rock Annex

BIDS MUST BE RECEIVED ON OR BEFORE:

Feb 17, 2016 3:00:00 PM CST

BIDS WILL BE PUBLICLY OPENED:

Feb 17, 2016 3:00:00 PM CST

Notice is hereby given that sealed Bids for the above-mentioned goods and/or services will be accepted by the Williamson County Purchasing Department. Williamson County uses BidSync to distribute and receive bids. Specifications for this IFB may be obtained by registering at www.bidsync.com.

Williamson County prefers and requests electronic submittal of this bid.

All electronic bids must be submitted via: www.bidsync.com

All interested Bidders are invited to submit a Bid in accordance with the Instructions and General Requirements, Bid Format, Bid Specifications, and Definitions, Terms and Conditions stated in this IFB.

Bidders are strongly encouraged to carefully read this entire IFB.

Electronic bids are requested, however paper bids will currently still be received, until further notice and may be mailed or delivered to the address listed below.

Please note that a complete package must be submitted choosing one of the above two methods. Split packages submitted will be considered "unresponsive" and will not be accepted or evaluated.

- ✓ If mailed or delivered in person, Bids and Bid addenda are to be delivered in sealed envelope on or before the submittal deadline, as noted in the 'Public Announcement and General Information' listed above for this IFB, to:

Williamson County Purchasing Department
Attn: **IFB NAME AND NUMBER**
901 South Austin Avenue
Georgetown, Texas 78626

- ✓ Bidders should list the Bid Number, Bid Name, Name and Address of Bidder, and the Date of the Bid opening on the outside of the box or envelope and note "Sealed Bid Enclosed."
- ✓ Bidder should submit one (1) original; **AND** one (1) CD **OR** (1) USB copy of the Bid.
- ✓ **Williamson County will not accept any Bids received after the submittal deadline, and shall return such Bids unopened to the Bidder.**
- ✓ Williamson County will not accept any responsibility for Bids being delivered by third party carriers.
- ✓ Facsimile transmittals will NOT be accepted.
- ✓ Bids will be publicly opened and read aloud in the Williamson Purchasing Department at the time and date indicated above.
- ✓ All submitted questions with their answers will be posted and updated on www.bidsync.com.
- ✓ It is the Bidder's responsibility to review all documents in BidSync including any addenda that may have been added after the document packet was originally released and posted.
- ✓ Any addenda and/or other information relevant to the IFB will be posted on www.bidsync.com.
- ✓ The Williamson County Purchasing Department takes no responsibility to ensure any interested Respondent has obtained any outstanding addenda or additional information.
- ✓ Williamson County will NOT be responsible for unmarked or improperly marked envelopes.

Bid 1601-044

Roof & Facade Improvements Williamson Co. Round Rock Annex

Bid Number **1601-044**
 Bid Title **Roof & Facade Improvements Williamson Co. Round Rock Annex**
 Expected Expenditure **\$150,000.00** (This price is expected - not guaranteed)

Bid Start Date **In Held**
 Bid End Date **Feb 17, 2016 3:00:00 PM CST**
 Question & Answer End Date **Feb 12, 2016 5:00:00 PM CST**

Bid Contact **Connie Singleton**
512-943-1553
csingleton@wilco.org

Contract Duration **One Time Purchase**
 Contract Renewal **Not Applicable**
 Prices Good for **90 days**
 Pre-Bid Conference **Feb 2, 2016 1:30:00 PM CST**
Attendance is mandatory
Location: Williamson County Annex
211 Commerce Blvd.
Round Rock, TX 78664

Bid Comments **Roof & Facade Improvements Williamson Co. Round Rock Annex**
Statement of Work:
Tear off spray foam roof and replace with TPO and re-coat stucco façade of the Williamson County Annex in Round Rock. This project should be substantially completed within 30 days and finally complete 30 days (total 60 days) after notice to proceed and is estimated to cost \$150,000.
BID CHECK LIST

If entering an electronic bid in BIDSYNC (**PREFERRED**), the following documents **MUST** be completed and attached to FIRST LINE ITEM.

Pricing/Bid Form - enter the total of your bid on the first line item, then complete and attach the Bid Form.

IFB (Bid) Affidavit – fillable form – complete and accept
 Conflict of Interest Form – fillable form – complete and accept
 References - fillable form – complete and accept
Please see reference to new State Requirement for Certificate of Interest in 1.3 Certificate of Interested Parties in the IFB Standard Documents.
 Bid Bond 5% – see details below

If delivering a paper bid instead of electronic; the above listed documents must be completed and delivered in a sealed envelope, addressed to:

Williamson County Purchasing
 Attn: Roof/Facade Improvement Round Rock Annex #1601-044
 901 South Austin Ave
 Georgetown, TX 78626.

BIDS THAT ARE SUBMITTED PARTIALLY ELECTRONIC VIA BIDSYNC and PARTIALLY PAPER WILL BE DISQUALIFIED.

BID BOND REQUIRED

Bidders are not required to use Surety 2000 for your Bid Bond supplier, however; when bidding electronically in Bidsync and you choose to use Surety 2000, you may import your bid bond directly from

the Surety 2000 web site.

To use a different bond provider you **MUST**:

Scan the completed bond

Download the completed bond to the line item of this bid with your other required documents.

On all bids requiring a bid bond – you **MUST** supply the bond according to the instructions below or your bid will be disqualified.

All Bids shall be accompanied by either:

A bid bond not less than five percent (5%) of the total maximum bid price, from a surety company authorized to do business in the state of Texas.

OR

A certified cashier's check: payable without recourse to Williamson County and drawn upon a National or State bank in an amount not less than five percent (5%) of the total maximum bid price;

For unit price contracts, the total maximum bid price shall be estimated and calculated by multiplying the estimated quantities to the unit bid price.

Bid bonds other than Surety 2000 must be attached to the line item of the electronic bid OR submitted in the same sealed envelope with a paper Bid. Bids requiring a bid bond and submitted without a cashier's check or a bid bond will not be considered.

TIME OF PERFORMANCE

This project is to be substantially completed in thirty (30) calendar days and finally completed in Sixty (60) calendar days after Notice to Proceed.

LIQUIDATED DAMAGES for failure to substantially complete the work within the allotted time will be applied.

The Liquidated damages for this project are \$100 per calendar day.

PERFORMANCE AND PAYMENT BONDS - required

To the extent this IFB is for the procurement of a public work contract, the following shall apply:

Chapter 262.032 of the Texas Local Government Code governs the requirements for performance bonds for government entities making public work contracts. A performance bond is required if the contract is in excess of \$100,000 and is to be made for the full amount of the contract.

Chapter 2253.021 of the Texas Government Code governs the requirements for payment bonds for government entities making public work contracts. A payment bond is required if the contract is in excess of \$25,000 and is to be made for the full amount of the contract.

The bonds are to be executed and delivered to the County prior to issuing Notice to Proceed. The bonds must be executed by a corporate surety or sureties in accordance with the Texas Insurance Code. For unit price contracts, the total contract price shall be estimated and calculated by multiplying the estimated quantities to the Bidder's unit bid price.

If the public works contract is less than \$50,000, the performance bond will not be required as long as the contract provides that payment is not due until the work is completed and accepted by the County.

See Specifications for WARRANTY Requirements

CONTRACT ADMINISTRATION

Gary Wilson. (or successor), Director of Facilities for Williamson County 3101 South East Inner Loop, Georgetown, Texas shall serve as Williamson County's Contract Administrator with designated responsibility to ensure compliance with the requirements of the Contract and any ensuing Agreement, such as but not limited to, acceptance, inspection and delivery. The Contract Administrator will serve as liaison between the Williamson County Commissioners Court and the Successful Bidder.

The Successful Bidder agrees to maintain insurance in accordance with this IFB.

Successful Bidder will be required to submit Certificates of Insurance prior to being awarded the Contract. A copy of the issued policy should be submitted to the Purchasing Department within 60 days of the contract award date.

All certificates of insurance coverage as specified below must be provided to Williamson County at the following address:

SECTION 011100 SUMMARY OF WORK

PART I - GENERAL

1.1 RELATED DOCUMENTS

- A. Drawings, provisions of the, and other Division 1 Specification Sections, apply to this Section.

1.2 WORK COVERED BY CONTRACT DOCUMENTS

- A. Project: Roof Improvements – Stucco Façade
Improvements - 2015 Williamson County
Annex
211 Commerce Blvd. Round Rock, Texas 78664
- B. Contract Documents dated November , 2014
Prepared by: Jim Whitten Roof Consultants, LLC + Tejas Design, LLC
P.O. Box 200925, Austin, Texas, 78720
512.250.0999/ Fax: 512.250.9711/ Cell:
512.914.4943 E-mail:
jim@jimwhitten.com
- C. Base and Alternate Bids – Main Building Roof: and Stucco Scope of Work covered by the Contract Documents includes the following roof and stucco facade improvements at the Project:
- D. Contingency Allowance
1. Owner Contingency Allowance: An Owner's Contingency Allowance of \$2,000 is to be included in the Total Bid.
- E. Unit Prices: A unit price is a price per unit of measurement for materials or services added to or deducted from the Contract Sum by appropriate modification, if estimated quantities of Work required by the Contract Documents are increased or decreased. Unit prices include all necessary material, plus cost for delivery, installation, insurance, overhead, and profit.

1.3 SCOPE OF WORK

- A. The Contract Documents, to the best of Owner's and Roof Consultant's knowledge, reflect existing conditions. Should minor conditions be encountered which are not exactly as indicated, modify the scope of Work as required, at no additional cost to Owner.
- B. To achieve satisfactory performance from the Work, it may be necessary to perform unanticipated, minor work items encountered during the course of the Work. Consultant and Owner will suggest additional work items as appropriate. Contractor shall assist Owner in applying for and obtaining any available rebates from electrical power provider.
- C. No Change Orders for additional payment will be considered for such additional Work items, unless they represent a substantial change to the Scope of Work.
- D. The Contractor shall assume full responsibility and liability for the compliance with all applicable Federal, State, and local regulations pertaining to work practices, hauling, disposal, and protection of workers, visitors to the site, and persons occupying areas adjacent to the site.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

1.4 TIMING OF WORK

- A. Work is to be performed within an operating facility space. Owner intends for work to be performed in such a manner that disruption of operations is to be minimized.

1.5 GUARANTEE AND WARRANTY

- A. Roofing: Provide Manufacturer's Twenty Year No Dollar (NDL) System Warranty and Two-Year Contractor's Warranty for materials and installation.
1. Manufacturer's Warranty and Contractor's Warranty effective date shall be the Date of Substantial Completion.
 2. Both the Manufacturer's Warranty and Contractor's Warranty shall cover damage to Work resulting from failure to resist penetration of moisture and replacement of assembly components that fail due to material failure or faulty workmanship.
- B. Stucco Facade: Provide Coating Manufacturer's Ten (10) Year Warranty

SECTION 013100 PROJECT MANAGEMENT AND COORDINATION

PART 1 - GENERAL

1.1 PROJECT COORDINATION, SEQUENCING AND SCHEDULING

- A. Coordinate Work with Owner to minimize interference with normal building and inconvenience to facility users, and to expedite the Work.
- B. The facility spaces adjacent to the work are to be occupied for the conduct of normal operations.
- C. Coordinate Work to assure efficient and orderly sequence of application of construction elements, with provisions for accommodating items installed later.
- D. Coordinate Work to allow observations by the Owner and Consultant.
- E. Provide sufficient and adequate materials, personnel and equipment to facilitate rapid completion of the Work without undue delays.

1.2 USE OF THE PREMISES

- A. Before beginning work, Contractor must verify in writing to Owner that all Owner security measures are understood and followed, and secure approval from the Owner for access to the following:
 - 1. Site: No parking or storage on the designated parking areas.
 - 2. Areas permitted for personnel parking.
 - 3. Areas permitted for storage of materials and debris.
 - 4. Areas permitted for the location of cranes, hoists and chutes for loading and unloading materials to and from the roof.
- B. Roof Areas not included in this Contract (designated by "NIC" on the Roof Plan) may not be used for personnel or equipment rooftop traffic, including removing debris or delivering materials, except as authorized by the Owner and Consultant, and only after adequate protection covering over the existing roof surfaces is approved and provided.
- C. The Owner reserves the right to have criminal background checks performed on all Contractor personnel to be onsite.

1.3 EXISTING CONDITIONS

- A. Review the existing conditions of the facility, prior to commencing the Work, for access, clearances, existing mechanical and electrical equipment, plumbing, structural components and interior finishes that will require removal, replacement or relocation to complete the Work of this Contract.
- B. Notify Owner and Consultant of any additional required work not included in the Contract Documents.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

C. Notify Owner and Consultant upon discovery of any items that differ or conflict with the Contract Documents.

1.4 PRE-JOB DAMAGE SURVEY OF FACILITY

- A. Perform a thorough survey of property and all affected areas of the buildings with Owner prior to starting the Work to document existing damage and operational status of existing rooftop equipment. Non-functional or damaged items identified on this survey will not be the responsibility of Contractor to repair or replace unless further damaged by Contractor during execution of the Work.
- B. Include with Pre-Job Submittals, both written description and digital documentation (CD with digital photos or DVD with video) of all items considered to be previously damaged.
- C. Consider any damage to buildings or property not identified in the pre-job damage survey as having resulted from execution of this Contract and correct at no additional expense to Owner.

1.5 DELIVERY, STORAGE, AND HANDLING

- A. Limited storage area will be provided by Owner where available. Provide lockable temporary storage containers for storage of equipment and materials. Coordinate with Owner for areas designated for temporary storage.
- B. Deliver roofing materials to Project site in original containers with seals unbroken and labeled with manufacturer's name, product brand name and type, date of manufacture, and directions for storing and mixing with other components.
- C. Store membrane rolls lying down on pallets and fully protected from the weather with clean canvas tarpaulins. Un-vented polyethylene tarpaulins are prohibited. Secure all stored materials at roof level in a manner to resist high wind speeds.
- D. Store liquid materials in their original undamaged containers in a clean, dry, protected location and within the temperature range required by roofing system manufacturer. Protect stored liquid material from direct sunlight.
 - 1. Discard and legally dispose of liquid material that cannot be applied within its stated shelf life.
- E. Protect roof insulation materials from physical damage and from deterioration by sunlight, moisture, soiling, and other sources. Store in a dry location. Comply with insulation manufacturer's written instructions for handling, storing, and protecting during installation.
- F. Handle and store roofing materials and place equipment in a manner to avoid permanent deflection of deck.

1.6 PROTECTION

- A. Contractor shall take necessary and adequate precautions to avoid damaging windows, doors, grass, trees, shrubs, walks, drives, etc.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- B. Contractor shall be responsible for damage to adjacent buildings, property, and vehicles near the building resulting from its operations. Clean, repair or replace any surfaces, materials or equipment which are marked, soiled or otherwise damaged as a result of the Work to the satisfaction of the Owner to the extent that it is returned to its condition prior to commencement of the work.
- C. Furnish and erect barricades to protect building occupants and vehicles and to prevent pedestrian or vehicular traffic adjacent to any area affected by construction activities.
- D. Protect finished Work from damage, traffic and adverse weather conditions until proper curing, drying and/or finishing are complete. Do not use finished roof membrane as a working surface. Provide temporary means of roof membrane protection.
- E. Existing Drawings and Utilities:
 - 1. Some original drawings may be available from the Owner. The Owner has not verified the information contained on those Drawings. Those Drawings are not a part of the Contract Documents.
 - 2. Repair or replace damaged utilities to a condition equivalent to that before damage occurred. Negligently damaged utilities to be repaired or replaced at no cost to the Owner.

1.7 WORKING HOURS AND SCHEDULE

- A. Working hours shall be between the hours of 7:00 a.m. and 7:00 p.m., Monday through Saturday, except holidays and black-out dates and times assigned by Owner.
- B. The Contract Time will be adjusted by Change Order in the event Owner initiated work stoppages are required.
- C. Alternate work schedules will be considered by Owner with prior notification and approval by Owner.
- D. Obtain approval from Owner prior to altering Work schedule.

1.8 INTERIOR ACCESS

- A. Restrict access to interior spaces of the building to Contractor's Project Superintendent and only those workers required to perform work inside the building.
- B. Coordinate with Owner and obtain Owner approval prior to accessing interior space.

1.9 CLEANING

- A. Maintain areas free of waste materials, debris and rubbish. Maintain site at all times in a clean and orderly fashion.
- B. Remove waste materials, debris, and rubbish from site periodically and dispose off-site in a legal manner. Do not use Owner's trash containers for disposal of waste materials, debris and rubbish.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- C. Periodically clean interior areas affected by the Work to provide suitable conditions for occupied areas.
- D. Restore existing facilities used during construction to their condition prior to commencement of work.

1.10 USE OF UTILITIES

- A. Coordinate use of utilities with Owner.
- B. Provide temporary electric feeder from electrical service at location as directed by Owner. Provide temporary wiring and hardware as required for execution of the Work. Ground fault interruption devices and similar protection measures required by authorities having jurisdiction are the responsibility of the Contractor. All such work shall be performed by a licensed electrician.
- C. Connect to existing water sources for temporary use of water. Furnish and maintain all necessary adapters and hoses required to complete the Work.
- D. Restore electrical and water service to original condition at completion of each day's activities, and at the completion of the Work to Owner's approval.

1.11 MONITORING

- A. Owner and Roof Consultant intend to observe the quality and progress of the Work for substantial compliance with the design contract documents. This does not relieve Contractor of his own quality control, testing and supervision responsibilities.

1.12 QUALITY ASSURANCE

- A. Review all Drawings and Specifications before commencing and performing the Work.
- B. Provide at least one copy of the final Drawings and Specifications, Addenda and Modifications for permanent use at the site whenever work is in progress.
- C. Maintain workmanship of the highest quality in accordance with the best trade practices.
- D. Obtain all materials specified in the Contract Documents from the same source throughout the Work. Notify Owner if plans are made to change sources.
- E. Possess a minimum of five years experience, installing/applying the respective materials described in each section of the Specification.
- F. Possess current written approval as an applicator of each material used in the Work.
- G. Provide workmen, engaged in the respective items of the Work, which have satisfactorily completed a program of certification by the manufacturers of materials described in the Specifications, or can demonstrate significant experience on similar projects to verify their qualifications to perform this Work.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- G. Perform quality control test and verifications as required by manufacturers or other entities to comply with the requirements of this Contract. Do not use Owner's site observations and testing in lieu of Contractor's own quality control.
- H. Contractor shall have a full-time English speaking non-working superintendent on site when workers are present.

1.13 PARKING

- A. Park only in spaces approved by Owner.

SECTION 013300 SUBMITTAL PROCEDURES

PART I - GENERAL

1.1 RELATED DOCUMENTS

- A. Drawings and provisions of the Documents including the Statement of Work and other Division 1 Specification Sections, apply to this Section.

1.2 SUMMARY

- A. Submittals:
 - 1. Provide submittals required by the Contract Documents in a timely manner and at appropriate times in the execution of the Work to allow for sufficient and prompt review by Owner and Consultant.
 - 2. Provide submittals, all in form and substance satisfactory to the Consultant and Owner.
 - 3. Revise and re-submit submittals as necessary to establish compliance with specified requirements.
- B. Related Sections: Individual requirements for submittals are described in the pertinent Sections of these Specifications.
- C. Color selections and any other aesthetic material approvals shall be in writing by Owner.

1.3 PROCEDURES

- A. Submit complete sets of the Pre-Construction, Progress and Post-Construction Submittals that are available in electronic format or other Windows compatible format if transmitted on a compact disk) to Owner and Consultant for review. Submit product samples concurrently with electronic submittals.
- B. Owner and Consultant will review submittals for compliance with Contract Documents. Consultant will compile Owner and Consultant's review comments and issue to Contractor for coordination prior to Contractor distribution of reviewed submittals.
- C. Provide three complete bound sets of reviewed submittals and product samples to Owner; provide one complete bound set of reviewed submittals and product samples to Consultant.

1.4 QUALITY ASSURANCE

- A. Coordination of submittals:
 - 1. Carefully review and coordinate all aspects of each item being submitted.
 - 2. Verify that each item and its appropriate submittal conform in all respects with the specified requirements.
 - 3. Certify that this coordination has taken place by affixing Contractors' stamp, signature and date to the corner of each submittal package.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

PART 2 – PRODUCTS (Not Applicable)

PART 3 - EXECUTION

3.1 IDENTIFICATION OF SUBMITTALS

- A. Submittals shall be identified by applicable Specification Section. Number individual submittal items within a specification section consecutively. Provide a table of contents for each specification section. Show on at least the first page of each submittal and elsewhere as required for positive identification, the applicable submittal section and number.
- B. Identify submittal data applicable to the Work of this Contract when submittal lists more than one option.
- C. Strike through submittal data that does not apply to the Work of this Contract.
- D. Accompany each submittal package with a letter of transmittal showing all information required for identification checking.

3.2 GROUPING OF SUBMITTALS

- A. Group submittals into packages identified as Pre-Construction Submittals, Progress Submittals, and Post- Construction Submittals.
- B. Partial submittals may be rejected as not complying with the provisions of the Contract.

3.3 TIMING OF SUBMITTALS

- A. Make submittals far enough in advance of scheduled dates for commencement, execution or installation to provide time required for reviews, for securing necessary approvals, for possible revisions and re-submittals, and for placing orders and securing delivery.
- B. Allow at least 5 working days for review by the Owner following his receipt of submittals.
- C. Contractor will be held responsible for delays occasioned by incomplete or tardy submittal packages.
- D. Pre-construction Submittals: Submit within 5 business days following Notice of Award.
- E. Progress Submittals: Submit, as required, throughout the performance of the Work of the Contract.
- F. Post-Construction Submittals: Submit with final payment request.

3.4 PRE-CONSTRUCTION SUBMITTALS

- A. The Contractor's Pre-Construction Submittal package shall include the following:
 - 1. Contract Execution Package executed by Contractor, containing:
 - a. Standard Form of Agreement between Owner and Contractor
 - b. Certificates of Insurance, properly endorsed.

JIM WHITTEN ROOF CONSULTANTS, LLC

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- c. Supplementary Conditions
 - d. Addenda
 - e. Bonds
2. Certification of insurance for all subcontractors.
3. Proposed Progress Schedule.
4. Proposed Schedule of Values, with subdivisions for costs associated with requirements stated in the General Services Agreement and Statement of Work, material and labor broken out by phases of the Work, including but not limited to demolition, insulation, membrane, sheet metal, plumbing and closeout.
5. Names of supervisory personnel and their qualifications.
6. Scaled Roof Plans indicating tapered insulation slope, flashing Details, perimeter edge conditions, and proposed gutter and downspout size and locations.
7. Product data for materials proposed to be used.
8. Subcontractor list.
9. Any required building/construction permits.
10. Sample of No-Dollar Limit Guarantee.
11. Copy of blank Daily Report to be utilized.

3.5 PROGRESS SUBMITTALS

- A. Daily Reports: Prepare daily reports and submit to Owner and Roof Consultant no later than 10:00 AM of the following work day as a single attachment to an email. Include in report, the following minimum items:
 1. Description of Work completed by area, include sketch of area on 8.5" x 11" schematic roof plan, six (6) photos in PDF format of work in progress.
 2. Number of personnel present, including names, phone numbers, and Texas Drivers' License numbers.
 3. Description and estimated quantity of materials removed and materials installed.
 4. Description, quantity and location of unit priced items, if any.
 5. Estimate of remaining quantity of tear off remaining.
 6. Planned activity for following work day.
 7. Reason and justification for not working if no work was performed.
 8. Report to include weather conditions at start of work, noon and end of work.
 9. Report to include name of supervisory person overseeing the work and probing the lap seams.
 10. Applications for payment: The Contractor's applications for payment shall include the following:
 1. An invoice on the contractor's company letterhead.
 2. An Application for Payment, and Waiver of Lien.
 3. Unconditional, notarized Waiver of Liens from the Contractor for the amount of Work performed for which payment less retainage was requested in the previous payment request.
 4. Unconditional, notarized Waivers of Liens from Subcontractors, and material and equipment suppliers for the Work performed or materials and equipment supplied during the period covered by the previous payment request. Data for materials proposed to be used.
 5. Updated, current progress schedule.
- C. Other Submittals required by the Contract Documents.

3.6 OWNER AND CONSULTANT REVIEW

- A. Review by Owner and Consultant does not relieve Contractor from responsibility for errors that may exist in the submitted data.
- B. Make revisions if required by Owner and Consultant and resubmit for review.
- C. "Or equivalent":
 - 1. Do not assume where the phrase "or equivalent", or "or equivalent as approved by the Owner", occurs in the Contract Documents, that particular materials, equipment, or methods will be approved as equivalent unless the item has been specifically approved for this Work by the Owner.
 - 2. Decision of the Owner shall be final.

SECTION 015000 TEMPORARY FACILITIES AND CONTROLS

PART 1 - GENERAL

1.1 RELATED DOCUMENTS

- A. Drawings and general provisions of the General Services Agreement, including the Statement of Work and other Division 1 Specification Sections, apply to this Section.

1.2 SUMMARY

- A. Provide temporary facilities and controls as needed and as specified for the Work.
- B. Maintain temporary facilities and controls in proper and safe condition throughout progress of the Work.
- C. Related Sections: Additional requirements may also be prescribed in other Sections of these Specifications.

PART 2 – PRODUCTS (NOT USED)

PART 3 - EXECUTION

3.1 TELEPHONE SERVICE

- A. Contractor shall provide his own telephone service as required. Contractor's Project Manager and Superintendent shall have a cell phone available at all times.
- B. Use of Owner's private phones is not allowed unless authorized by Owner.

3.2 TOILET FACILITIES

- A. Contractor shall provide and maintain an adequate number of temporary toilets with proper enclosures as necessary for use of workmen during construction. Keep toilets clean and comply with all local and state health requirements and sanitary regulations.
- B. Locate toilet facilities in Parking/Staging storage area as approved by Owner.

3.3 FIRST AID SUPPLIES

- A. Provide medical supplies and equipment at the site for first-aid service to persons injured in connection with the Work.

3.4 FIRE PROTECTION

- A. Fire Protection:

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

1. Provide temporary fire protection as required by federal, state, as local laws, codes, and ordinances.
2. Provide minimum two (2) charged and functioning fire extinguishers of appropriate size, within 10'- 0" of combustible materials. Ensure that all personnel are fully trained in operation of provided extinguishers.
3. Reasonable precautions against fire shall be taken throughout Operations. Flammable material shall be properly handled and stored in accordance with governing code requirements.
4. Open fires are prohibited at the site.

3.5 DRAINS AND SEWERS

- A. Contractor shall keep drains and sewers clean and free of construction debris during all phases of Work.
- B. Do not permit debris or other contaminants deleterious to the City sewer system to be washed down drains or sewers.
- C. Protect City of Granger storm drainage facilities that are adjacent to or affected by the Work of this Contract. Comply with City of Granger requirements for protecting storm sewer system from construction generated waste water.

3.6 TRAFFIC CONTROL AND PROTECTION

- A. Provide signs, flagmen, lights, or other warning devices as required to control pedestrian traffic around the building and to prevent pedestrians from entering areas of the Work.
- B. All sidewalks shall remain open and accessible at all times. Protective canopies or other appropriate means shall be installed over building entrances when work is occurring overhead or adjacent to those areas.
- C. Furnish and erect barricades to protect building occupants and vehicles and to prevent pedestrian or vehicular traffic adjacent to any area affected by construction activities.
- D. Contractor shall be responsible for maintaining any means of egress required by governing building codes for continual public use of the building.
- E. Provide barricades as necessary at building entrances to protect occupants during work in these areas.

3.7 SPECIAL CONTROLS

- A. Parking: Park only in areas approved by Owner.
- B. Dust, Debris and Water Control:
 1. Contractor shall take precautions as necessary to prevent dust, dirt, construction-related water and particles, etc. from leaving the immediate work area.
 2. Contractor shall take appropriate means if dust or debris exceeds levels established by City laws and ordinances.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- C. Construction Warning Signs: Provide and maintain suitable signs at each building entrance to warn guests and public of work while repair work is in progress.

3.8 MAINTENANCE

- A. Maintain temporary facilities and controls as long as necessary for safe and proper completion of the Work.

3.9 REMOVAL

- A. Remove temporary facilities and controls as rapidly as progress of the Work will safely permit.

3.10 CLEANING

- A. Maintain areas free of waste materials, debris and rubbish. Maintain site at all times in a clean and orderly fashion.
- B. Remove waste materials, debris, and rubbish from site periodically and dispose off-site in a legal manner. Do not use Owner's trash containers for disposal of waste materials, debris and rubbish.
- C. Periodically clean interior areas affected by the Work to provide suitable conditions for occupied areas.
- D. Restore existing facilities used during construction to their condition prior to commencement of work.

SECTION 015113 TEMPORARY HEATING, COOLING, AND VENTILATING

PART 1 - GENERAL

1.1 DESCRIPTION

- A. For those Projects requiring incidental Mechanical Work; includes installation of temporary mechanical work, disconnects, reconnects, and other incidental mechanical, and plumbing work, not specified herein but necessary for the successful execution of the Work as set forth in the Contract Documents.

PART 2 - PRODUCTS

2.1 MATERIAL AND WORKMANSHIP

- A. All materials and equipment required shall be:
 - 1. Installed by mechanics skilled in their trades, working under the direct supervision of competent experienced foremen or superintendents.
 - 2. Installed in compliance with all applicable Occupational Safety and Health Administration Rules and Regulations.
 - 3. Installed in compliance with all applicable local, Ventilating, Air Conditioning, and Plumbing Codes.
- B. Prior to conducting any mechanical work, perform a complete survey of all roof top mechanical equipment with the Owner's representative to verify the functional condition of the equipment. Document the survey in writing, signed by the Owner's representative and the Contractor. Provide a copy to the Roof Consultant.

2.2 TIMELY PLACEMENT OF MATERIALS AND EQUIPMENT

- A. Install items specified in Paragraph 2.01 of this Section at the proper time during progress of construction. Coordinate work operations with other trades as necessary.

PART 3 - EXECUTION

3.1 GENERAL

- A. Install temporary mechanical work necessary to comply with the work of other Sections.
- B. Remove temporary mechanical work necessary to comply with other Sections at completion of Project and correct any damage to property.
- C. At the end of the Project, any non-functional mechanical equipment (not noted on the survey list) will be the responsibility of the Contractor to restore to functional working order.

SECTION 015123 TEMPORARY ELECTRICITY

PART 1 - GENERAL

1.1 DESCRIPTION

- A. For those Projects requiring incidental Electrical Work: Included installation of temporary power, disconnects, reconnects, lightning arrestor systems, and other incidental electrical work necessary to perform the Work of the Contract Documents.

PART 2 - PRODUCTS

2.1 MATERIALS AND WORKMANSHIP

- A. All materials and equipment required shall be:
 - 1. Approved by Underwriters Laboratories and so labeled.
 - 2. For wire and cable, marked as required by Article 310-1- National Electrical Code.
 - 3. Installed by mechanics skilled in their trades, working under the direct supervision of competent experience foremen or superintendents.
 - 4. Installed in compliance with all applicable Occupational Safety and Health Administration and applicable local electrical codes.
- B. Prior to conducting any electrical work, perform a complete survey of all roof top electrical lines and service with the Owner's representative to verify the functional condition of the electrical service. Document the survey in writing, signed by the Owner's representative and the Contractor. Provide a copy to the Roof Consultant.

2.2 TIMELY PLACEMENT OF MATERIALS AND EQUIPMENT

- A. Install items specified in Paragraph 2.01 of this Section at the proper time during progress of construction. Coordinate work operations with other trades as necessary.

PART 3 - EXECUTION

3.1 GENERAL

- A. Provide temporary electrical power as required to perform the Work of the Contract Documents.
- B. Remove all temporary electrical items at completion of Project and correct any damage to property.
- C. At the end of the Project, any non-functional electrical service (not noted on the survey list) will be the responsibility of the Contractor to restore to functional working order.

SECTION 016000 PRODUCT REQUIREMENTS

PART 1 - GENERAL

1.1 RELATED DOCUMENTS

- A. Drawings and general provisions of the General Services Agreement, including the Statement of Work and other Division 1 Specification Sections, apply to this Section.

1.2 SUMMARY

- A. This Section includes administrative and procedural requirements for handling requests for substitutions made after award of the Contract.
- B. Related Sections: The following Sections contain requirements that relate to this Section:
 - 1. Section 013300 "Submittal Procedures" specifies requirements for submitting the Contractor's Construction Schedule and the Submittal Schedule.

1.3 DEFINITIONS

- A. Definitions in this Article do not change or modify the meaning of other terms used in the Contract Documents.
- B. Substitutions: Changes in products, materials, equipment, and methods of construction required by the Contract Documents proposed by the Contractor after award of the Contract are considered to be requests for substitutions. The following are not considered to be requests for substitutions:
 - 1. Substitutions requested during the bidding period, and accepted by Addendum prior to award of the Contract, are included in the Contract Documents and are not subject to requirements specified in this Section for substitutions.
 - 2. Revisions to the Contract Documents requested by the Owner.
 - 3. Specified options of products and construction methods included in the Contract Documents.
 - 4. The Contractor's determination of and compliance with governing regulations and orders issued by governing authorities.

1.4 SUBMITTALS

- A. Substitution Request Submittal: The Owner will consider requests for substitution if received within 10 days after commencement of the Work. Requests received more than 10 days after commencement of the Work may be considered or rejected at the discretion of the Owner.
 - 1. Submit 3 copies of each request for substitution for consideration. Submit requests in the form and according to procedures required for change-order proposals.
 - 2. Identify the product or the fabrication or installation method to be replaced in each request. Include related Specification Section and Drawing numbers.
 - 3. Provide complete documentation showing compliance with the requirements for substitutions, and the following information, as appropriate:

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- a. Coordination information, including a list of changes or modifications needed to other parts of the Work and to construction performed by the Owner and separate contractors that will be necessary to accommodate the proposed substitution.
 - b. A detailed comparison of significant qualities of the proposed substitution with those of the Work specified. Significant qualities may include elements, such as performance, weight, size, durability, and visual effect.
 - c. Product Data, including Drawings and descriptions of products and fabrication and installation procedures.
 - d. Samples, where applicable or requested.
 - e. A statement indicating the substitution effect on the Contractor's Construction Schedule compared to the schedule without approval of the substitution. Indicate the effect of the proposed substitution on overall Contract Time.
 - f. Cost information, including a proposal of the net change, if any in the Contract Sum.
 - g. The Contractor's certification that the proposed substitution conforms to requirements in the Contract Documents in every respect and is appropriate for the applications indicated.
 - h. The Contractor's waiver of rights to additional payment or time that may subsequently become necessary because of the failure of the substitution to perform adequately.
4. Owner's Action: If necessary, the Owner will request additional information or documentation for evaluation within one week of receipt of a request for substitution. The Owner will notify the Contractor of acceptance or rejection of the substitution within two weeks of receipt of the request, or one week of receipt of additional information or documentation, whichever is later. Acceptance will be in the form of a change order.
 - a. Use the product specified if the Owner cannot make a decision on the use of a proposed substitute within the time allocated.

PART 2 - PRODUCTS

2.1 SUBSTITUTIONS

- A. Conditions: The Owner will receive and consider the Contractor's request for substitution when one or more of the following conditions are satisfied, as determined by the Owner. If the following conditions are not satisfied, the Owner will return the requests without action except to record noncompliance with these requirements.
 1. Extensive revisions to the Contract Documents are not required.
 2. Proposed changes are in keeping with the general intent of the Contract Documents.
 3. The request is timely, fully documented, and properly submitted.
 4. The specified product or method of construction cannot be provided within the Contract Time. The Owner will not consider the request if the product or method cannot be provided as a result of failure to pursue the Work promptly or coordinate activities properly.
 5. The request is directly related to an "or-equivalent" clause or similar language in the Contract Documents.
 6. The requested substitution offers the Owner a substantial advantage, in cost,

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- time, energy conservation, or other considerations, after deducting additional responsibilities the Owner must assume.
7. The specified product or method of construction cannot receive necessary approval by a governing authority, and the requested substitution can be approved.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

8. The specified product or method of construction cannot be provided in a manner that is compatible with other materials and where the Contractor certifies that the substitution will overcome the incompatibility.
 9. The specified product or method of construction cannot be coordinated with other materials and where the Contractor certifies that the proposed substitution can be coordinated.
 10. The specified product or method of construction cannot provide a warranty required by the Contract Documents and where the Contractor certifies that the proposed substitution provides the required warranty.
- B. The Contractor's submittal and the Owner's acceptance of Shop Drawings, Product Data, or Samples for construction activities not complying with the Contract Documents do not constitute an acceptable or valid request for substitution, nor do they constitute approval.

PART 3 – EXECUTION (Not Applicable)

END OF SECTION

WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

SECTION 017100 CLEANING

PART 1 - GENERAL

1.1 DESCRIPTION

- A. Work included: Maintain the building and site in a standard of cleanliness throughout the construction period as described in this Section.
- B. Clean roof upon completion of all Work to satisfaction of Owner and Roof Consultant.

1.2 QUALITY ASSURANCE

- A. Conduct daily inspections, and more often if necessary, to verify that requirements for cleanliness are being met.
- B. In addition to the standards described in this Section, comply with pertinent requirements of governmental agencies having jurisdiction.

PART 2 - PRODUCTS

2.1 CLEANING MATERIALS AND EQUIPMENT

- A. Provide required personnel, equipment and materials needed to maintain the specified standard of cleanliness.

2.2 COMPATIBILITY

- A. Use only the cleaning materials and equipment, which are compatible with the surface being cleaned, as recommended by the manufacturer of the materials.

PART 3 - EXECUTION

3.1 PROGRESS CLEANING

- A. Do not allow accumulation of scrap, debris, waste material, and other items not required for construction of the Work to remain overnight on the roof.
- B. Daily, and more often if necessary, inspect the site and pick up all scrap, debris, and waste material. Remove such items to the place designated for their storage.
- C. Provide adequate storage for all items awaiting removal from the job site, observing requirements for fire protection and protection of the ecology.
- D. At least once each week, and more often if necessary, completely remove all scrap, debris, and waste material from the job site.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

3.2 FINAL CLEANING

- A. "Clean", for the purpose of this Article, and except as may be specifically provided otherwise, shall be interpreted as meaning the level of cleanliness generally provided by skilled cleaners using commercial quality materials.
- B. Prior to completion of the Work remove from the job site all tools, surplus materials, equipment, scrap, debris and waste. Conduct final progress cleaning as described in Article 3.01 above.
- C. Membrane: Power wash roof membrane per manufacturer's instructions upon completion of substantial completion punch list to provide a roof membrane surface that is free of stains (adhesives, dirt, etc.) incurred during completion of the work.
- D. Site:
 - 1. Unless otherwise specifically directed by the Owner, broom clean paved areas on the site and public paved areas adjacent to the site.
 - 2. Completely remove resultant debris.
 - 3. Remove evidence of construction operations from all landscaped and pervious surfaces.
- E. Interior: remove all evidence of construction operations; surfaces ground smooth; finishes replaced.
- F. Schedule final cleaning as approved by Owner.

SECTION 017700 CLOSEOUT PROCEDURES

PART 1 - GENERAL

1.1 DESCRIPTION

- A. Work Included: Provide an orderly and efficient transfer of the completed Work to the Owner.

1.2 QUALITY ASSURANCE

- A. Prior to requesting Substantial and Final Completion Inspections, use adequate means to assure that the Work is completed in accordance with the specified requirements and is ready for the requested inspection.

1.3 PROCEDURES

- A. Final Completion:
1. Verify in writing by written request to Owner and Consultant.
 2. Certify that:
 - a. Contract Documents have been reviewed.
 - b. Work has been inspected for compliance with the Contract Documents.
 - c. Work has been completed in accordance with the Contract Documents.
 - d. Work is completed and ready for Final Punchlist Inspection.
 3. The Owner and Consultant will observe the Work to document status of completion. Provide Owner and Consultant access to the Work, as required to perform Inspection.
 4. Should the Owner and Consultant determine that the Work is incomplete or defective:
 - a. The Owner promptly will so notify the Contractor, in writing, listing the incomplete or defective work.
 - b. Remedy the deficiencies promptly, and notify the Owner when ready for re-inspection. Provide the Owner with access to the Work, as required to perform re-inspection.
 5. When the Owner determines that the Work is acceptable under the Contract Documents, he will request the Contractor to make closeout submittals.
- B. Closeout submittals include, but are not necessarily limited to:
1. Manufacturer's product literature for all proprietary products used in the Work.
 2. As-built drawings and specifications, indicating changes (Change Orders, RFIs, Field Directives, etc.) in construction affecting the contract documents.
 3. Operation and maintenance data for items so listed in pertinent other Sections of these Specifications, and for other items when so directed by the Owner.
 4. Warranties and bonds.
 5. Evidence of compliance with requirements of governmental agencies having jurisdiction including but not necessarily limited to Certificate of Inspection.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

6. Certificates of Insurance for products and completed operations.
7. Evidence of payment and release of liens.
8. List of subcontractors, service organizations, and principal vendors, including names, addresses, email addresses, and telephone numbers where they can be reached.

C. Final Adjustment of Accounts:

1. Submit a final statement of accounting to the Owner, showing all adjustments to the Contract Sum.
2. If so required, the Contractor will prepare final Charge Order showing adjustments to the Contract Sum, which was not made previously by Change Orders.
3. Final payment may be withheld if warranties and other closeout submittals do not comply with requirements of the Contract Documents.

1.4 INSTRUCTION

- A. Instruct the Owner's personnel in proper operation and maintenance of all applicable items provided as part of the Work.

1.5 WARRANTIES

- A. Manufacturer's System Warranty Roof
- B. Stucco Manufacturer's Warranty
- C. Contractor's Two Year Warranty: Warranty shall be assigned to Owner and submitted on the form provided in Section 017836
- D. Warranties shall be fully transferable.

SECTION 024100 DEMOLITION

PART 1 - GENERAL

1.1 SECTION INCLUDES

- A. Removal of existing Sprayed Polyurethane Foam System to the etal deck to accept the new re-cover system.
- B. Removal of existing skylights and installation of covers for existing curbs that remain.
- C. Contractor shall dispose of all materials in a licensed landfill and provide the Owner with signed documentation of all materials disposed.

1.2 SUBMITTALS

- A. Submit demolition and removal procedures and schedule under provisions of Division 1.
- B. Submit record documents under provisions of Division 1.

1.3 SEQUENCING AND SCHEDULING

- A. Sequence and schedule work to accommodate Owner's use of premises.

1.4 EXISTING CONDITIONS

- A. Conduct demolition to minimize interference with adjacent roofing, roof-mounted equipment, and roof deck and structure to remain.
- B. Provide, erect, and maintain temporary barriers and security devices.
- C. Conduct operations with minimum interference to public or private thoroughfares. Maintain egress and access at all times.
- D. Do not close or obstruct roadways or sidewalks without Owner's written consent.

PART 2 - PRODUCTS

Not Used

PART 3 - EXECUTION

3.1 EXAMINATION

- A. Verify that areas to be demolished are clear of encumbrances.
- B. Beginning of demolition means acceptance of existing conditions.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

3.2 PREPARATION

- A. Protect existing landscaping materials, appurtenances, structures, paving, roofing and siding, roof mounted equipment, roof deck and structure, which are not to be demolished.
- B. Verify abandoned equipment and penetrations to be removed and obtain written confirmation from Owner's representative prior to removal and repair of deck opening.

3.3 EXECUTION

- A. Contractor shall only perform demolition at areas that can be recovered watertight in the same day. Contractor shall not leave demolished materials in a non-watertight condition overnight.
- B. Evenly cut edges of existing materials that are to be expanded, replaced, or modified.
- C. Cease operations and notify Owner immediately if adjacent structures or materials appear to be endangered. Do not resume operations until corrective measures have been taken.
- D. Except when instructed otherwise, immediately remove demolished material from site daily.
- E. Remove materials to be re-installed or retained by Owner in a manner to prevent damage.
- F. Do not burn or bury materials on site.
- G. Remove demolished materials from site daily as the work progresses. Keep common areas free of debris at all times. Leave site in clean condition.
- H. Stop demolition work and notify the Owner and Roof Consultant immediately if suspected hazardous or unknown materials are encountered.
- I. Exercise care in demolition work to prevent damage to interior finishes.

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

SECTION 050150 METAL ROOF DECK REPAIR

PART 1 - GENERAL

1.1 DESCRIPTION

- A. Repair existing non-functional roof decking as necessary to achieve a structurally adequate and suitable substrate for installation of new roof system components.
- B. Contractor's primary membrane manufacturer shall inspect the existing decking and provide, in writing, their acceptance of the underlying decking as a suitable substrate for the installation of their guaranteed roof assembly.
- C. Repair deck at unused penetrations. Contractor is responsible for verifying with Roof Consultant and Owner additional unused penetrations or unused penetrations not shown in the Drawings.

1.2 SUBMITTALS

- A. Submit shop drawings and product data under provisions of Section 013300.

PART 2 - PRODUCTS

2.1 MATERIALS

- A. Use matching materials in accordance with manufacturer's recommendations.
- B. Metal: Minimum 22 Ga.

PART 3 - EXECUTION

3.1 INSPECTION

- A. Inspect deck and determine which areas are deteriorated or non-functional. Bring these areas to the attention of Roof Consultant and obtain approval prior to proceeding with repair of these areas.
- B. Verify roof openings, curbs, pipes, sleeves, ducts, or vents through roof are solidly set; wood nailing strips are in place. Inspect metal deck attachment, and verify deck is supported and secured to meet metal deck supplier requirements.
- C. Installation of roofing means acceptance of conditions of substrate.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

3.2 METAL DECK MATERIAL REPAIR/REPLACEMENT

- A. Verify and identify non-functional deck material.
- B. Protect interior finishes from damage during repair work.
- C. Remove and store for reuse any suspended ceiling tile affected by the repair area.
- D. Install panels over damaged deck area, spanning from joist to joist, or an area extending a minimum of 24 inches beyond the repair area in all directions, in accordance with primary roof membrane manufacturer's published recommendations.
- E. Photographically document all deck repairs, indicating area on Roof Plan showing repaired areas; to be included with final Daily Report.

SECTION 061050 ROUGH CARPENTRY

PART I - GENERAL

1.1 SECTION INCLUDES

- A. All materials and labor for work requiring new lumber such as nailers and curbs will be provided and installed by Contractor.

1.2 QUALITY ASSURANCE

- A. Rough Carpentry Lumber: Visible grade stamp of agency certified by SFPA.
- B. Provide Underwriters' Laboratories (UL) approved identification for fire resistant treated materials.

1.3 REGULATORY REQUIREMENTS

- A. Conform to applicable building code, latest edition, for fire retardant requirements of wood.
- B. Conform to FM Loss Data Bulletin I-49 for securement requirements.

1.4 SUBMITTALS

- A. Submit shop drawings and product data under provisions of Section 013300.
- B. Indicate materials, fastening methods, accessories, and locations.
- C. Submit manufacturer's certifications under provisions of Section 013300 that wood treatment is in accordance with applicable requirements.

PART 2 - PRODUCTS

2.1 MATERIALS

- A. Lumber and Wood Cants: No. 2 Grade Yellow Pine, Standard Douglas Fir.
- B. Curbs and curb extensions: No. 2 grade yellow pine, Standard Douglas Fir, pressure treated, KDAT 19%.
- C. Plywood: Wolmanized, 5/8-inch, exterior grade CDX or better, APA grade marked.

2.2 WOOD TREATMENT

- A. Wood Preservative (Pressure Treatment): Shop pressure treatment using waterborne preservatives; 0.25 pounds per cubic foot of preservative, kiln dried after treatment (KDAT) to maximum 19 percent moisture content, meeting Federal Specification TT-W-550, or the latest Federal approval for wood preservative pressure treatment.

WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

2.3 SCHEDULE OF FASTENERS

A. Fasteners – General:

1. Exposed fasteners: non-ferrous stainless steel with bonded neoprene washers.
2. Fasteners compatible to all materials to which they come in contact so that dielectric corrosion does not occur.

B. Wood Nailer Fasteners:

1. Wood Substrate: Non-ferrous stainless steel screws, gauge and length to suit application and as necessary to penetrate underlying wood support members a minimum of 1-1/4 inch. Each screw to have a minimum pull out resistance of 100 pounds.
2. Metal Substrate: A No. 12 Factory Mutual approved, fluorocarbon coated roofing screw.
3. Concrete or masonry surfaces: Non-ferrous stainless steel anchor with expansion shank, length as recommended by manufacturer for minimum 1,000 pound pull-out resistance.

PART 3 - EXECUTION

3.1 EXAMINATION

- A. Verify that surfaces are ready to receive work.
- B. Verify mechanical, electrical, and building items affecting work of this Section are placed and ready to receive this work.
- C. Beginning of installation means acceptance of existing conditions.

3.2 PREPARATION

- A. Before installation, prime paint wood surfaces of items or assemblies to be in contact with cementitious materials.

3.3 INSTALLATION

- A. Set and secure materials and components in place, plumb and level.
- B. Install components with approved fasteners suited to materials.
- C. Curbs:
 1. Install new wood to provide total height of a minimum of 8 inches above the finished roof surface, and to allow for height of tapered insulation system and crickets, as applicable.
 2. Fasten securely to substrate.
 3. Treat surfaces exposed by cutting as recommended by preservative manufacturer.
 4. Fasten wood curb to nailer prior to installation with appropriate wood nailer fasteners on 12-inch centers.
- D. Wood Nailer Installation: Attach nailers to wood substrates with two rows of appropriate fasteners on 12-inch centers, or as shown in Drawings. Offset fasteners from underlying wood nailer fasteners.

SECTION 07220 ROOF AND DECK INSULATION

PART 1 - GENERAL

1.1 SECTION INCLUDES

- A. Roof and Deck Insulation.

1.2 RELATED WORK

- A. Section 06100 – Rough Carpentry
- B. Section 07015 – Preparation for Reroofing
- C. Section 07530 – Fully Adhered Single-Ply Membrane System
- D. Section 07600 – Flashing and Sheet Metal

1.3 SYSTEM DESCRIPTION

- A. New Roof System Insulation: Rigid insulation board consisting of three (3") inch expanded polystyrene (EPS) insulation board as specified to achieve a complete and proper substrate for the specified roof membrane system.
- B. Cover Board: Rigid cover board consisting of ½" inch fiber-reinforced gypsum panel.
- C. Tapered polyisocyanurate insulation board for crickets, saddles and sumps for directing stormwater to drains.

1.4 SUBMITTALS

- A. Submit manufacturer's installation instructions, samples and product data, in accordance with the provisions of Section 01300.
- B. Submit two full size samples of each insulation board type and thickness.
- C. Submit manufacturer's certificate, in accordance with the provisions of Section 01300, that products meet or exceed specified requirements.
- D. Submit certification from roof membrane manufacturer that board insulation materials are acceptable for use with roof membrane materials.

DECEMBER 28, 2015

- E. Submit results of the fastener pull-out resistance testing. Provide fastener pull-out resistance test results. Pull-out resistance testing is to be performed by a technical representative of the fastener manufacturer. A minimum number resistance tests shall be performed and documented. Any pull tests falling below the value required by the system manufacturer shall be re-tested in the same vicinity of the low value test.

1.5 STORAGE AND HANDLING

- A. Store products of this Section in lockable watertight storage containers.
- B. Rooftop storage shall be limited to quantities of material that can be installed daily. No overnight rooftop storage of materials is permitted.

PART 2 -PRODUCTS

2.1 INSULATION BOARD

- A. Expanded Polystyrene: EPS in compliance with ASTM C578. Flat Roof Insulation:
ASTM C578 Type II, 1.35 (leave open) pcf min, Thickness: Three (3") inches, R-value 4.50.

Cover Board: Fiber-reinforced Gypsum Panel: ASTM C1278 flat stock, 1/2" thickness as shown in Drawings, 4'x4' maximum dimension. If membrane manufacturer requires the use of their cover board for issuance of warranty, then that cover board shall be used.
- B. Tapered Polyisocyanurate Insulation for crickets, saddles and sumps: ASTM C1289, closed cell foam core bonded to fiberglass facers top and bottom, slope as required to achieve minimum two times the opposing slope per foot; minimum 3/4-inch starting thickness and maximum thickness of 2"; 4'x4' maximum board dimension.

2.2 FASTENERS

- A. Base Bid: Fasteners and Plates: Polymer coated case-hardened steel screw with pre-assembled galvanized steel plate, as approved by the insulation and membrane manufacturer to be included in their SystemWarranty.
Alternate Base Bid: Induction Welded System: Adhesive Coated Attachment Plate.
- B. Contractor to perform pull-out resistance testing to verify size and type of fasteners.

PART 3 - EXECUTION

3.1 PREPARATION

- A. Clean deck. If necessary, repair deteriorated or non-serviceable steel deck in accordance with Section 07015.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

3.2 INSTALLATION

- A. Verify and document in Daily Report that the existing deck/substrate is functional; insulation board is free from moisture and suitable as substrate for roof membrane.
- B. Install insulation and coverboard in accordance with the primary roofing materials manufacturer's latest published recommendations.
- C. Mechanically fasten layer of cover board and EPS insulation through the existing steel deck in the fastening pattern recommended by the insulation and membrane manufacturer to achieve the specified wind uplift resistance in the field, corners and perimeters.
 - 1. Stagger end joints in adjacent boards.
 - 2. Stagger successive layers in both vertical and horizontal directions.
 - 3. Minimum horizontal stagger is 2-feet.
 - 4. Minimum vertical stagger is 12-inches.
 - 5. Butt edges for snug contact.
 - 6. Repair voids greater than ¼" wide by filling with like material.

END OF SECTION

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

SECTION 07530 THERMOPLASTIC TPO MEMBRANE SYSTEM

PART 1 - GENERAL

1.1 DESCRIPTION

- A. Base Bid: Installation of fully adhered TPO roof membrane and flashings.
Alternate Base Bid: Installation of Induction Welded TPO roof and membrane flashings.
- B. The roof system (membrane, flashings, accessories, and insulation) shall qualify for the Manufacturer's Twenty (20) Year No Dollar Limit (NDL) System Guarantee. The Warranty shall be fully transferable.

1.2 RELATED SECTIONS

- A. Section 06100 – Rough Carpentry
- B. Section 07220 – Roof and Deck Insulation
- C. Section 07600 – Flashings and Sheet Metal

1.3 EXTENT OF WORK

- A. Provide all labor, material, tools, equipment, and supervision necessary to complete the installation of a .060" (60-mil) thick, white, reinforced TPO (Thermoplastic Polyolefin) membrane, and flashings as specified herein and as indicated on the Drawings in accordance with the manufacturer's most current specifications, details, and the Specifications and Drawings, whichever is more stringent.
- B. Contractor shall be fully knowledgeable of all requirements of the Contract Documents and shall make themselves aware of all job site conditions that will affect their work.
- C. Contractor shall confirm all given information and advise the Roof Consultant and Architect, prior to bid, of any conflicts that will affect their cost proposal.
- D. Any Contractor who intends to submit a bid using a roofing system other than the approved manufacturers must submit for pre-qualification in writing a minimum of four calendar days prior to the bid date. Any Contractor who fails to submit all information as requested will be subject to rejection. Bids stating "as per plans and specs" will be unacceptable.

1.4 SUBMITTALS

- A. Prior to starting work, the Contractor must submit the following:
 - 1. Shop drawings showing layout, details of construction and identification of materials.
 - 2. Sample of the manufacturer's Twenty (20) Year NDL Membrane System Warranty,

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

and copy of the Application for Warranty.

3. Submit a letter of certification from the manufacturer, which certifies that the Contractor has been authorized a minimum of 5 years to install the manufacturer's Twenty Year NDL System Warranty and list foremen who have received training from the manufacturer along with the dates training was received.
 4. Certification from the membrane manufacturer indicating the fasteners are capable of providing a static back out resistance of 300 pounds minimum.
 5. Certification from the membrane manufacturer indicating the membrane thickness over the reinforcing scrim (top ply membrane thickness) is nominal .015" (15-mil).
 6. Certification of the manufacturer's warranty reserve.
 7. Copy of the Energy Star Rebate Application to the primary electric power provider for the Project, as applicable.
 8. Copy of the pre-existing damage documentation.
- B. Upon completion of the installed work, submit:
1. Copies of the manufacturer's final inspection prior to the issuance of the manufacturer's warranty.

1.5 PRODUCT DELIVERY, STORAGE AND HANDLING

- A. Deliver materials to the job site in the manufacturer's original, unopened containers or wrappings with the manufacturer's name, brand name and installation instructions intact and legible. Deliver in sufficient quantity to permit work to continue without interruption.
- B. No overnight rooftop storage will be permitted.
- C. Comply with the manufacturer's written instructions for proper material storage.
 1. Store membrane in the original undisturbed plastic wrap in a cool, shaded area and cover with light-colored, breathable, waterproof tarpaulins. Membrane that has been exposed to the elements for approximately 7 days must be prepared with manufacturer's membrane cleaner prior to hot air welding.
 2. Store curable materials (adhesives and sealants) between 60 degrees F and 80 degrees F in dry areas protected from water and direct sunlight. If exposed to lower temperature, restore to 60 degrees F minimum temperature before using.
 3. Store materials containing solvents in dry, well-ventilated spaces with proper fire and safety precautions. Keep lids on tight. Use before expiration of their shelf life.
- D. Any materials which are found to be damaged shall be removed and replaced at the applicator's expense.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

1.6 WORK SEQUENCE

- A. Schedule and execute work to prevent leaks and excessive traffic on completed roof sections. Care should be exercised to provide protection for the interior of the building and to ensure water does not flow beneath any completed sections of the membrane system.
- B. Furnish and install temporary membrane protection for all foot and equipment traffic required over newly installed completed roofing sections.
- C. Do not disrupt activities in occupied spaces.

1.7 USE OF THE PREMISES

- A. Before beginning work, the Contractor must secure approval from the building owner's representative for the following:
 - 1. Areas permitted for personnel parking.
 - 2. Access to the site.
 - 3. Areas permitted for storage of materials and debris.
 - 4. Areas permitted for the location of cranes, hoists and chutes for loading and unloading materials to and from the roof.

1.8 EXISTING CONDITIONS

- A. If discrepancies are discovered between the existing conditions and those noted on the drawings, immediately notify the Architect and Roof Consultant by phone and solicit the manufacturer's approval prior to commencing with the work. Necessary steps shall be taken to make the building watertight until the discrepancies are resolved.

1.9 TEMPORARY FACILITIES AND CONTROLS

- A. Temporary Utilities:
 - 1. Water, power for construction purposes and lighting are available at the site and will be made available to the Contractor, by prior approval of the Owner; and said use will not interfere with the building's operations.
 - 2. Provide all hoses, valves and connections for water from source designated by the owner when made available.
 - 3. When available, electrical power should be extended as required from the source. Provide all trailers, connections and fused disconnects.
- B. Temporary Sanitary Facilities

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

1. Sanitary facilities will not be available at the job site. The Contractor shall be responsible for the provision and maintenance of portable toilets or their equal.

C. Building Site:

1. Contractor shall use reasonable care and responsibility to protect the building and site against damages. The contractor shall be responsible for the correction of any damage incurred as a result of the performance of the Contract.
2. A pre-roof construction walk-through of the interior and exterior of the building shall be performed by the Contractor's Project Manager and a representative of the Owner to document all pre-existing damage by digital photographs or by video, to be submitted to the Architect and Roof Consultant. At the end of the Project, the correction of all roof related damages not previously documented, shall be the responsibility of the Contractor to correct.
3. The Contractor shall remove all debris from the job site in a timely and legally acceptable manner so as to not detract from the aesthetics or the functions of the building.

D. Security:

1. Comply with the owner's requirements for personnel identification, inspection and other security measures.

1.10 JOB SITE PROTECTION

- A. The Contractor shall adequately protect building, paved areas, service drives, lawn, shrubs, trees, etc. from damage while performing the required work. Provide canvas, boards and sheet metal (properly secured) as necessary for protection and remove protection material at completion. The contractor shall repair or be responsible for costs to repair all property damaged during the roofing application.
- B. During the Contractor's performance of the work, the building owner will continue to occupy the existing building. The contractor shall take precautions to prevent the spread of dust and debris, particularly where such material may sift into the building. The Contractor shall provide labor and materials to construct, maintain and remove necessary temporary enclosures to prevent dust or debris in the construction area(s) from entering the remainder of the building.
- C. Do not overload any portion of the building, either by use of or placement of equipment, storage of debris, or storage of materials.
- D. Protect against fire and flame spread. Maintain proper and adequate fire extinguishers.
- E. Take precautions to prevent drains, gutters and downspouts from clogging during the roofing application. Remove debris at the completion of each day's work and clean drains and gutters if required. At completion, test drains and gutters to ensure the system is free running and drains are watertight. Remove strainers and plug drains in areas
Where work is in progress. Install flags or other telltales on plugs. Remove plugs each night and replace strainers.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- F. Remove all traces of piled bulk materials and return the job site to its original condition upon completion of the work.

1.11 WORKMANSHIP

- A. Applicators installing new roof, flashing and related work shall be factory trained and approved by the manufacturer they are representing.
- B. All work shall be of highest quality and in strict accordance with the manufacturer's published specifications and to the building owner's and Roof Consultant's satisfaction.
- C. Provide at least one thoroughly trained and experienced, non-working English speaking superintendent on the job at all times roofing work is in progress.

1.12 QUALITY ASSURANCE

- A. The roofing system must achieve a UL Class A and fastening pattern equal to FM 1-75 rating.
- B. Unless otherwise noted in this specification, the Contractor must strictly comply with the manufacturer's current specifications and details.
- C. The roofing system must be installed by an applicator authorized and trained by the manufacturer in compliance with shop drawings as approved by the manufacturer.
- D. Provide an adequate number of experienced workmen regularly engaged in this type of work who are skilled in the application techniques of the materials specified.
- E. There shall be no deviations made from this specification or the approved shop drawings without the prior written approval of the Architect and Roof Consultant. Any deviation from the manufacturer's installation procedures must be supported by a written certification on the manufacturer's letterhead and presented for the Architect and Roof Consultant's consideration.
- F. Before commencement of the roof construction, the Contractor shall arrange for inspections to be made by a non-sales technical representative of the membrane manufacturer, as follows:
 - 1. On the first day of roof membrane installation;
 - 2. A minimum of one interim inspection;
 - 3. A final inspection in order to determine whether or not corrective work will be required before the warranty will be issued.
 - 4. Notify the Architect and Roof Consultant seventy-two (72) hours prior to the manufacturer's inspections, and coordinate the inspection visits to coincide with visits by the Contractor's Project Manager, and the Roof Consultant.
 - 5. Provide copies of the membrane manufacturer's inspection reports to the Architect and

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

Roof Consultant not later than five (5) calendar days following the inspection.

1.13 JOB CONDITIONS, CAUTIONS AND WARNINGS

- A. Material Safety Data Sheets (MSDS) must be on location at all times during the transportation, storage and application of materials.
- B. When positioning membrane sheets, locate all field splices away from low spots and out of drain sumps. All field splices shall be shingled to prevent bucking of water.
- C. When loading materials onto the roof, the installer must comply with the requirements of the building owner to prevent overloading and possible disturbance to the building structure.
- D. Proceed with roofing work only when weather conditions are in compliance with the manufacturer's recommended limitations, and when conditions will permit the work to proceed in accordance with the manufacturer's requirements and recommendations.
- E. Proceed with work so new roofing materials are not subject to construction traffic. When necessary, new roof sections shall be protected and inspected upon completion for possible damage.
- F. Provide temporary protection, such as 3/4 inch thick plywood over minimum 1-inch thick rigid insulation board, for all roof areas exposed to traffic during construction. Plywood must be smooth and free of fasteners and splinters. Ensure temporary protection is weighed down to prevent wind uplift.
- G. The surface on which the insulation or roofing membrane is to be applied shall be clean, smooth, dry, and free of projections or contaminants that would prevent proper application of or be incompatible with the new installation, such as fins, sharp edges, foreign materials, oil and grease.
- H. New roofing shall be complete and weathertight at the end of each workday.
- I. Contaminants such as grease, fats and oils shall not be allowed to come in direct contact with the roofing membrane.
- J. Pro-rated System Warranties shall not be accepted. The System Warranty shall be fully transferable, and transfer of the Warranty shall not be unreasonably withheld.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

Evidence of the manufacturer's warranty reserve shall be included as part of the project submittals for the Roof Consultant's approval.

PART 2 - PRODUCTS

2.1 GENERAL

- A. All components of the specified roofing system shall be products of the following approved manufacturers:
 - 1. Carlisle-Syntec
 - 2. Firestone Building Products
 - 3. Pre-bid approved equivalent.
- B. All products (including insulation, fasteners, fastening plates and edgings) must be manufactured and supplied by the roofing system manufacturer and covered by the warranty. Any products required by the Project not manufactured by the roofing system manufacturer shall be approved for use, in writing, by the roofing systems manufacturer.

2.2 MEMBRANE

- A. Furnish .060" (60-mil) thick, white reinforced TPO (Thermoplastic Polyolefin) membrane as needed to complete the roofing system. Membrane thickness over the reinforcing scrim (top-ply thickness) shall be nominal .015" thick (15-mil).

2.3 INSULATION/UNDERLAYMENT

- A. The rigid insulation board shall be as specified in Section 07220.

2.4 ADHESIVES AND CLEANERS

All products shall be furnished by the primary membrane manufacturer, and specifically formulated for the intended purpose.

- A. Bonding Adhesive
- B. Edge Sealant
- C. Water Cut-Off Mastic and Sealant
- D. Pocket Sealant
- E. Membrane Cleaner

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

2.5 FASTENERS AND PLATES

- A. Seam Fastening Plates at Concrete Walls: 1-1/4" long expansion anchor with a zinc plated steel drive pin, 8 inches on center maximum, with 3" diameter round galvanized plate.

PART 3 - EXECUTION

3.1 GENERAL

- A. Inspect the deck and verify preparation to provide an acceptable surface for the installation of the membrane system.
- B. Comply with the manufacturer's published instructions for the installation of the membrane roofing system including proper substrate preparation, jobsite considerations and weather restrictions.
- C. Position sheets to accommodate contours of the roof deck and shingle splices to avoid bucking water.

3.2 MEMBRANE PLACEMENT AND ATTACHMENT

- A. Unroll and position membrane without stretching. Provide and secure both perimeter and field membrane sheets in accordance with the manufacturer's most current specifications, details, the Contract Document Specifications and Drawings, and FM 1-75.
- B. Secure the membrane with bonding adhesive, in strict accordance with the manufacturer's requirements to qualify for a Twenty (20) Year NDL system warranty.
- C. Install adjoining membrane sheets in the same manner in accordance with the manufacturer's specifications.

3.3 MEMBRANE SPLICING/HOT AIR WELDING PROCEDURES

- A. Perform calibration test of the automatic hot air welding machine or hot air hand welder in accordance with the manufacturer's specifications, with Roof Consultant present prior to commencing installation. Record calibration test in Daily Logs.
- B. Hot air weld the membrane using the calibrated automatic hot air welding machine or hot air hand welder in accordance with the manufacturer's specifications. At all splice intersections, roll the seam with a silicone roller prior to membrane seam cooling.
- D. Probe all seams once the hot air welds have thoroughly cooled (approximately 30 minutes). Document in Daily Log that all seams have been probed and the results of probes. Provide a minimum of two (2) side lap seam "tear" samples, indicating compliant seaming as indicated by exposed scrim in lap "tear". Date and retain samples including one (1) dated sample for Roof Consultant's Field Observer.
- E.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- D. Repair all seam deficiencies the same day they are discovered. Document in Daily Log when deficient seams are discovered and repaired.
- E. Apply cut edge sealant on all cut edges of reinforced membrane (where the scrim reinforcement is exposed) after seam probing is complete.

3.4 FLASHING

- A. Flashing of parapets, curbs, expansion joints and other parts of the roof must be performed using reinforced TPO membrane.
- B. Non-reinforced TPO membrane can be used for flashing pipe and tube penetrations, sealant pockets, scuppers, as well as inside and outside corners, only when the use of pre-fabricated accessories is not feasible, in accordance with the membrane manufacturer, Contract Document requirements, and if approved by Roof Consultant in writing.

3.5 WALKWAYS

- A. Install walkway pads where shown in the Drawings, and as required by the membrane manufacturer.
- B. Hot air weld walkway pads to the membrane in accordance with the manufacturer's specifications.

3.6 DAILY SEAL

- A. On phased roofing, when the completion of flashings and terminations is not achieved by the end of the work day, a daily seal must be performed to temporarily close the membrane to prevent water infiltration.
- B. Complete an acceptable membrane seal in accordance with the manufacturer's requirements.

3.7 CLEAN UP

- A. Perform daily clean-up to collect all wrappings, empty containers, paper, and other debris from the project site. Remove all debris from roof on a daily basis. Overnight storage of debris is prohibited. Upon completion, all debris must be disposed of in a legally acceptable manner.
- B. Prior to the manufacturer's inspection for warranty and request for Substantial Completion site visit, the applicator must perform a pre-inspection to review all work and to verify all flashing has been completed as well as the application of all caulking. Submit pre-inspection report to Architect and Roof Consultant no later than three (3) calendar days following inspection.

END OF SECTION

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

SECTION 076000 FLASHING AND SHEET METAL

PART I - GENERAL

1.1 WORK INCLUDED

- A. Install flashing and sheet metal as indicated on Drawings and in these specifications as required for a complete and proper installation. The following items are included:
 - 1. Curb Flashing.
 - 2. Counter flashing.
 - 3. Counter flashing and termination bars, roof mounted mechanical equipment, vent stacks, and other terminations.
 - 4. Coping cap metal.

1.2 RELATED WORK

- A. Section 07015 – Preparation for Reroofing
- B. Section 06100 – Rough Carpentry
- C. Section 07220 – Roof And Deck Insulation
- D. Section 07530 – Fully Adhered Single Ply Membrane System

1.3 SUBMITTALS

- A. Submit shop drawings and product data under provisions of Section 01300.
- B. Describe material profile, jointing pattern, jointing details, fastening methods, and installation details.
- C. Submit samples under provisions of Section 01300.
- D. Provide full sized sample of metal flashing and post supports illustrating typical seam, external corner, internal corner, material, and finish.

1.4 QUALITY ASSURANCE

- A. Perform work in accordance with SMACNA and NRCA standard details and requirement.

1.5 QUALIFICATIONS

- A. Company specializing in sheet metal flashing work with a minimum of 10-years documented experience.

1.6 STORAGE AND HANDLING

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- A. Stack pre-formed materials to prevent twisting, bending, or abrasion, and to provide ventilation.
- B. Prevent contact with materials during storage that may cause discoloration, staining, or damage. "White rust" is considered damage and is cause for rejection.
- C. Deliver materials to the job site in the manufacturer's original, unopened packages and containers bearing manufacturer's name and label.

1.7 WARRANTY

- A. Sheet Metal work and accessories to be included in Two-Year Contractor's Warranty.
- B. Provide pre-finished metal manufacturer's twenty-year coating guarantee.
- C. Provide pre-finished metal manufacturer's twenty-year galvanized steel guarantee.

PART 2 - PRODUCTS

2.1 SHEET METALS

- A. Sheet metal flashing: 24 gauge galvanized steel.
- B. Sheet metal flashing:
 - 1. Base Bid: 24 gauge galvanized steel, TPO coated metal.
- C. Pre-finished metal: 24 gauge galvanized steel, Kynar 500.
- D. Lead: FS QQ-L-171e, hard lead, containing no less than 4 percent or more than 6 percent antimony.

2.2 SHEET METAL COMPONENTS (as applicable)

- A. Counterflashing: 24 gauge galvanized steel.
- B. Edge flashing, Expansion Joint Covers, Coping, Conductor heads, Gutters, and Downspouts: Pre-finished 24 gauge galvanized steel.
- C. Two-piece fascia extension is required whenever fascia vertical height exceeds 8 inches.
- D. Downspout Hangers: Minimum 1/8-inch by 1-inch galvanized steel.
- E. Cover Plates, End Caps and Miscellaneous Sheet Metal: Same materials, gauge and profile as edge metal or expansion joint material.
- F. Cleats: 22 gauge galvanized steel.
- G. Tubular Penetration Sleeves and Rain Hoods: Minimum 24 gauge galvanized steel.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- H. Lead Sleeves: Minimum 2 1/2-pound lead.
- I. Splash Block: Pre-cast concrete at ground level, where downspout discharges on surfaces other than asphalt or concrete only.
- J. Termination Bar: 1/8-inch by 1-inch galvanized bar with pre-drilled holes minimum 8- inches on center.

2.3 ACCESSORIES

- A. Solder: ANSI/ASTM B 32 50/50 type.
- B. Elastomeric Membrane: 30 mil-thick PVC vinyl water barrier.
- C. Ice and Water Shield: as manufactured by W. R. Grace and Company, or approved equivalent.
- D. Clamping Collar: Stainless steel of size necessary to fit over vent or pipe circumference, as applicable.
- E. Self-Sealing Moisture Barrier Sheet: Heat resistant, self –adhering moisture barrier.

2.4 SEALANT

- A. Type I: Application exposures to sunlight, ASTM C-920-87, Federal Specification TT-S- 00230-C one component gun-grade polyurethane sealant suitable for continuous immersion and resistant to asphalt products.
- B. Type II: Applications not exposed to sunlight, butyl rubber based.
- C. Hot vent sealant: one component neutral moisture curing silicone sealant.

2.5 SCHEDULE OF FASTENERS

- A. Exposed fasteners: Shall be non-ferrous stainless steel with stainless steel bonded neoprene or EPDM washers.
- B. Fasteners shall be compatible to all materials to which they come in contact.
- C. Cleat, Counter-flashing, and Surface Fastened Components.
 - 1. Wood Substrate: No. 10 non-ferrous stainless steel wood screws with stainless steel bonded neoprene washers of length necessary to penetrate wood substrate one inch.
 - 2. Metal Substrate: Minimum No. 10 non-ferrous stainless steel sheet metal screws or as necessary to suit application with stainless steel bonded neoprene washers.
- D. Blind Pop-Rivets: Non-ferrous Stainless steel.

2.6 FABRICATION

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- A. Form sections to match existing profiles, true to shape, accurate in size, square, and free from distortion or defects.
- B. Fabricate continuous cleats and starter strips of same material as sheet, inter-lockable with sheet.
- C. Form pieces in longest practical lengths.
- D. Hem exposed edges of metal 1/2-inch; miter and seam corners.
- E. Form materials with cover plate seam.
- F. Fasten and seal metal joints.
- G. Fabricate corners from one piece with minimum 18-inch and maximum 36-inch long legs; fasten for rigidity, seal with sealant.
- H. Fabricate vertical faces with bottom edge formed outward 1/4-inch and hemmed to form drip.
- I. Form edge metal/fascia as existing profiles as specified herein and as shown on Drawings.
- J. Form sections square, true, and accurate in size, in maximum possible lengths and free of distortion or defects detrimental to appearance or performance. Allow for expansion at joints
- K. Enlarge holes for fastening counter flashing, coping, and pressure bars as necessary to allow for thermal expansion and contraction. Cover exposed holes with appropriate washers.
- L. All fabrication and installation of sheet metal shall be in accordance with the latest published SMACNA and NRCA guidelines and recognized roofing and sheet metal industry standards.

PART 3 - EXECUTION

3.1 EXAMINATION

- A. Verify roof openings, curbs, pipes, sleeves, ducts, or vents through roof are solidly set, and cant strips in place, and nailing strips located.
- B. Verify membrane termination and base flashings are in place, sealed, and secure.
- C. Beginning of installation means acceptance of existing conditions.

3.2 PREPARATION

- A. Field measure site conditions prior to fabricating work.
- B. Apply bituminous protective backing on surfaces in contact with dissimilar materials.
- C. Tie-ins or contact with dissimilar metals: Install separation layer of elastomeric membrane between metal surfaces.

3.3 INSTALLATION - GENERAL

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- A. Provide flashings of materials indicated on Drawings at all junctures of the roof with perimeters, curbs, mechanical, electrical equipment, etc., that a completely watertight installation is achieved.
- B. Fabricate and install sheet metal work with lines, arises and angles sharp and true, and plane surfaces free from warps and buckles. Bead or return all exposed edges. Tin metal for full area of contact on soldered seams and joints. Do soldering slowly with well heated coppers, thoroughly heating seams and completely filling them with solder.
- C. Prime all sheet metal to receive roofing plies or to be set in mastic.
- D. Submit details not covered in Drawings for approval by Owner or Roof Consultant.
- E. Install starter and edge strips, and cleats before starting installation.
- F. Secure flashings in place using concealed fasteners. Use exposed fasteners only in locations approved by Roof Consultant.
- G. Lock and seal all joints.
- H. Fit flashings tight in place. Make corners square, surfaces true and straight in planes, and lines accurate to profiles.
- I. Fasten sheet metal with approved fasteners at a minimum of 12 inches on centers unless otherwise specified in these Specifications or the Drawings.

3.4 TWO-PIECE COUNTERFLASHING INSTALLATION

- A. Secure counterflashing receiver over base flashing to substrate with appropriate fasteners. Secure counterflashing to receiver with stainless steel screws with bonded neoprene washers spaced 12-inches on centers.
- B. Pop-rivet and solder all seams.

3.5 CLEAT INSTALLATION

- A. Install cleats for edge/coping flashing with appropriate fasteners on eight-inch centers.

3.4 COPING CAP INSTALLATION

- A. Fabricate and install these flashings according to the latest published SMACNA and NRCA guidelines and in accordance with recognized roofing and sheet metal industry standards.
- B. All horizontal joints shall have a 1" standing seam as shown in the Drawings.
- C. Vertical flanges shall have a minimum height of three (3) inches. High side (outside) shall be cleated continuously; other side mechanically fastened as shown on the drawings.
- D. All corners shall be shop mitered, and all shall not be more than two feet beyond a corner in either direction.

END OF SECTION

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

SECTION 09 96 53 ELASTOMERIC COATINGS

Part 1 - GENERAL

1.1 Related Documents

- A. Drawings and general provisions of the Contract, including General and Supplementary Conditions and Division 01 Specification Sections, apply to this Section.

1.2 Summary

- A. Section includes surface preparation and application of water-based, elastomeric waterproofing coating.

1.3 Submittals

- A. Product Data: For each type of product indicated.
- B. Samples for Initial Selection: For each type of Wall coating indicated.
- C. Product List: For each product indicated, including the following:
 - 1. Cross-reference to coating system and locations of application areas. Use same designations indicated on Drawings and in schedules.
 - 2. Manufacturer's recommended spreading rate for each separate coat, including primers and block fillers for each type of substrate as applicable.

1.4 Quality Assurance

- A. Mockups:
 - 1. Install at Project site or pre-selected area of building an area for field sample, minimum 4 feet by 4 feet (1.2m by 1.2m), using specified material.
 - 2. Apply material in accordance with manufacturer's written application instructions.
 - 3. Manufacturer's representative or designated representative will review technical aspects; surface preparation, repair, and workmanship.
 - 4. Field sample will be standard for judging workmanship on remainder of Project.
 - 5. Maintain field sample during construction for workmanship comparison.
 - 6. Do not alter, move, or destroy field sample until Work is completed and approved by Owner.
 - 7. Obtain Owners written approval of field sample before start of material application, including approval of aesthetics, color, texture, and appearance.
 - 8. Perform adhesion test in accordance with ASTM D3359, Method A. Minimum adhesion rating of 4A required on 0 to 5 scale.

1.5 Delivery, Storage and Handling

- A. Store materials not in use in tightly covered containers in well-ventilated areas with ambient temperatures continuously maintained at not less than 45°F.
 - 1. Maintain containers in clean condition, free of foreign materials and residue.
 - 2. Remove rags and waste from storage areas daily.

1.6 Project Conditions

- A. Do not Apply coatings only when temperature of surfaces to be coated and ambient air temperatures are below 40° or expected to be below 40° within 24 hours after application.
- B. Do not apply coatings in snow, rain, fog, or mist; when relative humidity exceeds 85% or to damp or wet surfaces or when rain is expected within 24 hours of application.
- C. Allow wet surfaces to dry thoroughly and attain temperature and conditions specified before starting or continuing coating operation.
- D. Do not apply over moving cracks, control or expansion joints.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- E. Do not apply on Horizontal Surfaces that will receive traffic.
- F. Apply according to manufactures application instructions and recommendations.

Warranty

- G. Manufacturer's single source standard form warranting material within specified warranty period.

Warranty Period: Ten years from date of Substantial Completion.

Part 2 – PRODUCTS

2.1 Manufacturers:

- A. Provide products from the following manufacturers:
BASF Corporation
Tremco Commercial Sealants & Waterproofing

- 2.2 Ensure all Wall Coatings and Exterior Joint Sealants are provided from a single source.

2.3 Materials:

- A. Water-based, 100% acrylic waterproof coating.
 - 1. Products: Subject to compliance with requirements, provide the following:
 - a. MasterProtect EL 750 (formerly Thorolastic) by BASF Construction Chemicals
 - b. Tremco; Vulkem TREMGard E
 - 2. Surface Profile: Smooth.
 - 3. VOC Content: 100 g/L or less.
- B. Substitutions: Submit for approval prior to bid.

2.4 Other Materials

- A. Crack Fillers: Wall coating manufacturer's recommended crack fillers or sealants, including crack filler primers, compatible with substrate and other materials indicated; VOC content complying with limits of authorities having jurisdiction.
- B. Joint Sealants: Single or multi-component polyurethane sealants, supplied by coating manufacturer.
 - 1. BASF: MasterProtect FL 746; MasterProtect FL 748; MasterSeal NP1
 - 2. TREMCO: Tremflex 834; Dymonic FC; Dymeric 240FC
- C. Primer: Wall coating manufacturer's recommended, factory-formulated, alkali-resistant primer compatible with substrate and other materials indicated.
 - 1. BASF (check with manufacturer)
 - 2. TREMGard H/P

Primer Part 3 – EXECUTION

3.1 Examination

- A. Protection: Protect adjacent Work areas and finish surfaces from damage during coating application.
- B. Prepare surfaces in accordance with manufacturer's instructions.
- C. Pressure wash all stucco surfaces to remove dirt, algae, and loose paint to ensure that substrate is sound, clean, dry, and free of dust, dirt, oils, grease, laitance, efflorescence, mildew, fungus, biological residues, and other contaminants that could prevent proper adhesion. Allow surface to dry before proceeding.
- D. Repair holes and spalled and damaged concrete with repair materials approved by coating manufacturer.
- E. Remove protruding concrete accessories and smooth out irregularities.

JIM WHITTEN ROOF CONSULTANTS, LLC
WILLIAMSON COUNTY ANNEX

ROOF/STUCCO FAÇADE IMPROVEMENTS-2015
DECEMBER 28, 2015

- F. Remove blisters and delaminated areas and sand edges to smooth rough areas and provide transition to existing paint areas.
- G. Check adhesion of existing paint in accordance with ASTM D 3359, measuring adhesion by Tape Method A.
- H. Treat cracks greater than 1/32 inch (0.8mm) with approved patching compound or Approved Tremco Sealant.
- I. Treat cracks greater than 1/4 inch (6mm) as expansion joints and fill with sealant approved by coating manufacturer.
- J. Prepare and treat cracks in accordance with manufacturer's instructions.

3.2 Preparation

- A. Comply with manufacturer's written instructions applicable to substrates and coating systems indicated.

3.3 Application

- A. Apply coatings according to manufacturer's written instructions per the project.
 - 1. Use equipment and techniques best suited for substrate and type of material being applied.
 - 2. Coat surfaces behind movable items the same as similar exposed surfaces.
 - 3. Apply as a 2 coat system according to manufacturer's written instructions
 - 4. Maintain proper uniform wet-film thickness during application to ensure performance characteristics desired.
 - 5. Apply coating using consistent application techniques to achieve uniform color and texture.
- B. Primers: Apply at a rate to ensure complete coverage.
- C. Mixing: Mix coating in accordance with manufacturer's instructions to ensure uniform color and aggregate disbursement and to minimize air entrapment.
- D. In multi-pail applications, mix contents of each new pail into partially used pail to ensure color consistency and smooth transitions from pail to pail.

3.4 Cleaning and Protection

- A. At end of each workday, remove rubbish, empty cans, rags, and other discarded materials from Project site.

SECTION 15000 INCIDENTAL MECHANICAL WORK

PART 1 - GENERAL

1.01 DESCRIPTION

For those Projects requiring incidental Mechanical Work; includes installation of temporary mechanical work, disconnects, reconnects, and other incidental mechanical, and plumbing work, not specified herein but necessary for the successful execution of the Work as set forth in the Contract Documents.

PART 2 - PRODUCTS

2.1 MATERIAL AND WORKMANSHIP

- A. All materials and equipment required shall be:
 - 4. Installed by mechanics skilled in their trades, working under the direct supervision of competent experienced foremen or superintendents.
 - 5. Installed in compliance with all applicable Occupational Safety and Health Administration Rules and Regulations.
 - 6. Installed in compliance with all applicable local, Ventilating, Air Conditioning, and Plumbing Codes.
- B. Prior to conducting any mechanical work, perform a complete survey of all roof top mechanical equipment with the Owner's representative to verify the functional condition of the equipment. Document the survey in writing, signed by the Owner's representative and the Contractor. Provide a copy to the Roof Consultant.

2.2 TIMELY PLACEMENT OF MATERIALS AND EQUIPMENT

- A. Install items specified in Paragraph 2.1 of this Section at the proper time during progress of construction. Coordinate work operations with other trades as necessary.

PART 3 - EXECUTION

3.01 GENERAL

- A. Install temporary mechanical work necessary to comply with the work of other Sections.
- B. Remove temporary mechanical work necessary to comply with other Sections at completion of Project and correct any damage to property.
- C. At the end of the Project, any non-functional mechanical equipment (not noted on the survey list) will be the responsibility of the Contractor to restore to functional working order.

SECTION 16010 INCIDENTAL ELECTRICAL WORK

PART 1 - GENERAL

1.01 DESCRIPTION

- A. For those Projects requiring incidental Electrical Work: Included installation of temporary power, disconnects, reconnects, lightning arrestor systems, and other incidental electrical work necessary to perform the Work of the Contract Documents.

PART 2 - PRODUCTS

2.1 MATERIALS AND WORKMANSHIP

- A. All materials and equipment required shall be:
 - 5. Approved by Underwriters Laboratories and so labeled.
 - 6. For wire and cable, marked as required by Article 310-1- National Electrical Code.
 - 7. Installed by mechanics skilled in their trades, working under the direct supervision of competent experience foremen or superintendents.
 - 8. Installed in compliance with all applicable Occupational Safety and Health Administration and applicable local electrical codes.
- B. Prior to conducting any electrical work, perform a complete survey of all roof top electrical lines and service with the Owner's representative to verify the functional condition of the electrical service. Document the survey in writing, signed by the Owner's representative and the Contractor. Provide a copy to the Roof Consultant.

2.2 TIMELY PLACEMENT OF MATERIALS AND EQUIPMENT

- A. Install items specified in Paragraph 2.01 of this Section at the proper time during progress of construction. Coordinate work operations with other trades as necessary.

PART 3 - EXECUTION

3.01 GENERAL

- A. Provide temporary electrical power as required to perform the Work of the Contract Documents.
- B. Remove all temporary electrical items at completion of Project and correct any damage to property.

GENERAL NOTES

1. READ THE PROJECT MANUAL.
2. VERIFY ALL DIMENSIONS AND COORDINATE ALL DRAWINGS WITH ACTUAL FIELD CONDITIONS PRIOR TO BIDDING ON THE PROJECT. NOTIFY ROOF CONSULTANT OF ANY DISCREPANCIES PRIOR TO BIDDING.
3. COMPLY WITH THE CURRENT EDITION OF THE APPLICABLE BUILDING, PLUMBING, ELECTRIC OR FIRE CODES, OR OTHER LOCAL APPLICABLE CODE, WHICHEVER IS THE MORE STRINGENT.
4. FASTENING OR ATTACHMENT OF WOOD BLOCKING, NAILERS, STEEL ANGLES, DECKING AND SHEET METAL SHALL BE IN ACCORDANCE WITH THE REQUIREMENTS FOR THE LATEST EDITION OF FACTORY MUTUAL BULLETIN 1-49.
5. ALL WOOD BLOCKING AND LUMBER SHALL BE KILN-DRIED AFTER TREATMENT (KDAT) AND SHALL BE SCREWED TO ANCHORING SUBSTRATE. STAGGER JOINTS WHEN STACKING LUMBER IN MULTIPLE LAYERS.
6. INSTALL A 1/2" PER FOOT MINIMUM BEVELED OR SLOPED KDAT WOOD SURFACE TO THE TOP OF COPINGS AND EXPANSION JOINTS FOR DRAINAGE. SLOPE THE TOP OF THE COPING TOWARDS THE ROOF SIDE OF THE BUILDING.
7. USE HOT DIPPED GALVANIZED FASTENERS FOR TREATED LUMBER, UNLESS SPECIFIED OTHERWISE.
8. FURNISH AND INSTALL PLYWOOD IN ACCORDANCE WITH THE AMERICAN PLYWOOD ASSOCIATION.
9. SHEET METAL WORK SHALL COMPLY WITH SMACNA.
10. PROVIDE CONTINUOUS 22 GA. GALVANIZED STEEL CLEATS WITH FASTENERS SPACED 8" O.C. AT ALL SHEET METAL FASCIA AND COPING. FOR METALS OTHER THAN GALVANIZED STEEL, INSTALL CONTINUOUS CLEAT ONE GAUGE HEAVIER THAN SHEET METAL COMPONENT BEING ATTACHED. STAGGER CLEAT JOINTS FROM JOINTS OF ATTACHED COMPONENTS.
11. PROVIDE BACK-UP PLATES AND COVER PLATES AT ALL COPING CAP.
12. PROVIDE CONTINUOUS WATERPROOFING MEMBRANE BETWEEN SHEET METAL AND TREATED LUMBER.
13. HEM ALL EXPOSED SHEET METAL EDGES A MINIMUM OF ½".
14. PROVIDE SHEET METAL COMPONENT CORNERS, INTERSECTIONS, AND TERMINATIONS WITH JOINTS SPACED A MINIMUM OF 18" IN EITHER DIRECTION.
15. SOLDER ALL VERTICAL GALVANIZED STEEL SHEET METAL JOINTS, EXCEPT FOR PRE-FINISHED GALVANIZED STEEL. POP-RIVET AND SEAL ALL VERTICAL JOINTS OF PRE-FINISHED GALVANIZED STEEL.
16. DO NOT INSTALL WATER DISCHARGE POINTS OVER DOORS, WINDOWS OR SIDEWALKS. IF THE DRAWINGS CONFLICT WITH THE ABOVE REQUIREMENT, CONTRACTOR IS RESPONSIBLE FOR NOTIFYING ROOF CONSULTANT FOR DIRECTION PRIOR TO INSTALLING.
17. PROVIDE TAPERED CRICKETS ON THE UP-SLOPE SIDE OF ALL CURBS WIDER THAN 18" PERPENDICULAR TO THE ROOF SLOPE DIRECTION.
18. MINIMUM INSULATION THICKNESS IS 1.5", UNLESS OTHERWISE SPECIFIED OR SHOWN IN DRAWINGS.
19. PROVIDE A MINIMUM BASE FLASHING HEIGHT OF 8" ABOVE THE PLANE OF THE FINISHED ROOF FOR ALL CURBS. CONTRACTOR IS RESPONSIBLE FOR VERIFYING IF GREATER THAN 8" BASE FLASHING HEIGHT IS SPECIFIED OR SHOWN IN DRAWINGS.
20. PROVIDE TWO-PIECE COUNTERFLASHING AND RECEIVER FOR ALL ROOFTOP EQUIPMENT CURBS.
21. PROVIDE WOOD BLOCKING BENEATH ALL EMBEDDED METAL FLASHINGS. WOOD BLOCKING SHALL EXTEND A MINIMUM OF 1-1/2" PAST THE METAL FLANGE OF THE FLASHING.

GENERAL NOTES FOR MECHANICAL ROOF PENETRATIONS:

1. INSTALL MECHANICAL EQUIPMENT OR ACCESSORY CURBS TO BEAR ON STRUCTURAL ROOF DECK. ALL ROOFTOP MEP EQUIPMENT SHALL BE SUPPORTED BY KDAT WOOD CURBS WITH MINIMUM 8" BASE FLASHING HEIGHT.
2. INSTALL MECHANICAL EQUIPMENT CURB BASE FLASHING AND SHEET METAL COUNTERFLASHING PRIOR TO SETTING EQUIPMENT ON CURB. PROVIDE MINIMUM 1" CLEARANCE BETWEEN OUTSIDE SURFACE OF CURB AND INSIDE SURFACE OF EQUIPMENT FLANGE. DO NOT INSTALL EQUIPMENT PRIOR TO OBSERVATION AND ACCEPTANCE BY ROOF CONSULTANT.
3. SCOPE OF WORK FOR RAISING MECHANICAL EQUIPMENT CURBS TO SPECIFIED HEIGHTS INCLUDES MODIFYING ALL MECHANICAL, ELECTRICAL AND PLUMBING ASSOCIATED WITH THE EQUIPMENT FOR A COMPLETE OPERATIONAL ASSEMBLY THAT MEETS CURRENT CODE REQUIREMENTS. WORK SHALL BE PERFORMED BY LICENSED INSTALLERS FOR THE APPLICABLE TRADE.
4. SUPPORT ALL ROOF MOUNTED PIPING AND CONDUIT WITH SPECIFIED PIPE HANGERS OR APPROVED EQUIVALENT, SPACED MAXIMUM 10 FEET O.C. COMPLY WITH MANUFACTURER'S INSTALLATION REQUIREMENTS. SUPPORT PIPE AND CONDUIT SO THAT BOTTOM ELEVATION OF PIPE OR CONDUIT IS A MINIMUM OF 6" ABOVE THE PLANE OF THE FINISHED ROOF.

GENERAL SCOPE OF WORK

Note: the below list is intended as a general description. Contractor shall refer to all drawings and specifications for scope items not listed below.

- BASE BID: Scope of Work covered by the Contract Documents includes the following roof improvements at the Project:
1. Install as specified a new roof recover system and associated flashings. System shall meet the minimum requirements of all applicable City of Round Rock, TX Codes and includes the following:
 - (a) Remove existing Sprayed Polyurethane Foam down to the standing seam metal panels and adhere new 3" EPS rigid insulation board R10.8, 1.5" Polyisocyanurate insulation board (R8.0) and ½" HD polyiso rigid insulation board R2.5, to achieve a minimum R-value (LTTR) of 20. On those roof areas that do not have positive drainage, install a minimum ⅜" tapered polyiso to achieve positive drainage.
 - (b) Install ½" per foot slope tapered crickets at the upslope side of all curbs and between scuppers.
 - (c) Fully adhere 60 mil reinforced TPO roof membrane and associated flashings in accordance with the Contract Documents and membrane manufacturer's latest published requirements to achieve a 20-Year No Dollar Limit Roof System Guarantee.
 - (d) Provide new sheet metal flashings and counterflashings.
 2. Install new through-wall scuppers at the new height of the roof surface, immediately above the existing scuppers, and close off existing scupper holes through exterior facade in a watertight manner. Coordinate with stucco contractor as necessary (see Base Bid: Stucco Facade, Item 4).
 3. Remove SPF from ribs of R-panel wall cladding at parapet wall interiors and mechanically fasten ½" HD polyiso coverboard over existing R-panels.
 4. Remove and dispose existing coping cap and install new pre-finished 24-guage coping cap, color to be chosen by owner.
 5. Raise height of existing collector boxes and downspouts to height of new scuppers.
 6. Modify existing downspouts to either side of back door at the patio area to drain away from the door and off the patio.
 7. Pipe supports: Provide and install pipe supports with protection pads as shown on the Drawings.

- BASE BID: STUCCO FACADE
1. Supply necessary equipment for access to work area
 2. Install new plyurethane sealant at all stucco expansion joints, window and door perimeters, and where stucco terminates at dissimilar materials.
 3. Pressure wash all stucco surfaces.
 4. In-fill and stucco over original scupper outlet holes.
 5. Apply two (2) coats of BASF Master Protect EL 750 Elastomeric Wall Coating (or equivalent).
 6. Specified materials warranty shall be ten (10) years.
 7. All work to be performed in accordance with project and manufacturer specifications.

- ALTERNATE BID: In lieu of a fully adhered system:
1. Loose lay the 3" EPS.
 2. Mechanically fasten the 1.5" polyiso and ¾" HD polyiso coverboard in accordance with manufacturer fastening recommendations.
 3. Install 60-mil TPO using an induction welded (Rhino Bond) system, fastened through the purlins.
 4. All else remains the same.

EXISTING ASSEMBLY (Contractor shall field verify):
Trapezoidal Standing Seam Metal Roof secured over structural purlins approximately 5' on center
1" Sprayed Polyurethane Foam Over The Metal Panels

1.0 BID FORMAT AND SUBMISSION

1.1 Organization of Bid Contents for Submittal

Each Bid should be organized and items submitted in the order described in of this IFB.

1.2 Conflict of Interest

No public official shall have interest in a contract, in accordance with Vernon's Texas Codes Annotated, Local Government Code Title 5, Subtitle C, Chapter 171, as amended.

As of January 1, 2006, Bidders are responsible for complying with Local Government Code Title 5, Subtitle C, Chapter 176. Additional information may be obtained from the Williamson County website at the following link:

<http://www.wilco.org/CountyDepartments/Purchasing/ConflictOfInterestDisclosure/tabid/689/language/en-US/Default.aspx>

Each Bidder must disclose any existing or potential conflict of interest relative to the performance of the requirements of this IFB. Examples of potential conflicts may include an existing business or personal relationship between the Bidder, its principal, or any affiliate or subcontractor, with Williamson County or any other entity or person involved in any way in the project that is the subject of this IFB. Similarly, any personal or business relationship between the Bidder, the principals, or any affiliate or subcontractor, with any employee or official of Williamson County or its suppliers must be disclosed. Any such relationship that might be perceived or represented as a conflict must be disclosed. Failure to disclose any such relationship or reveal personal relationships with Williamson County employees or officials may be cause for termination. Williamson County will decide if an actual or perceived conflict should result in Bid disqualification.

By submitting a Bid in response to this IFB, all Bidders affirm that they have not given, nor intend to give, at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a Williamson County public servant or any employee, official or representative of same, in connection with this procurement.

Each Bidder must provide a Conflict of Interest Statement in accordance with this IFB.

1.3 Certificate of Interested Parties

As of January 1, 2016, Bidders are responsible for complying with the Texas Government Code Section 2252.908. The law states that Williamson County may not enter into certain contracts with a Bidder unless the Bidder submits a disclosure of interested parties to Williamson County at the time the Bidder submits the signed contract to Williamson County. The law applies only to a contract of Williamson County that either (1) requires an action or vote by the Commissioners Court before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

By January 1, 2016, the Texas Ethics Commission will make available on its website a new filing application that must be used to file Form 1295. A Bidder must use the application to enter the required information on Form 1295 and print a copy of the form and a separate certification of filing that will contain a unique certification number. An authorized agent of the Bidder must sign the printed copy of the form and have the form notarized. The completed Form 1295 and certification of filing must be filed with Williamson County.

Williamson County must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 and certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from Williamson County.

Information regarding how to use the filing application will be available on the Texas Ethics Commission website by January 1, 2016.

1.4 Ethics

The Bidder shall not accept or offer gifts or anything of value nor enter into any business arrangement with any employee, official or agent of Williamson County.

1.5 Bid Submittal Deadline

The Bid is due no later than the submittal date and time set forth in the 'Public Announcement and General Information' listed above for this IFB. Contents of each Bid shall be submitted in accordance with this IFB.

1.6 Delivery of Bids

Williamson County uses BidSync to distribute and receive bids and proposals Bids can be submitted electronically through BidSync or by hard copy. Refer to www.bidsync.com for further information.

If mailed or delivered in person, Bids and Bid addenda are to be delivered in sealed envelope on or before the submittal deadline, as noted in the 'Public Announcement and General Information' listed above for this IFB, to:

Williamson County Purchasing Department

Attn: **BID NAME AND NUMBER**

901 South Austin Avenue Georgetown, Texas 78626

Williamson County will not accept any Bids received after the submittal deadline, and shall return such Bids unopened to the Bidder. Williamson County will not accept any responsibility for Bids being delivered by third party carriers. Bidder should submit one (1) original, and one (1) copy of their Bid on CD (or other portable storage device). Bids will be opened publicly and read aloud. In the case of an RFP (Request for Proposal) submissions may be recognized in a manner to avoid public disclosure of contents; however, names of Bidders will then be read aloud.

Bidders should list the Bid Number, Bid Name, Name and Address of Bidder, and the Date of the Bid opening on the outside of the box or envelope and note "Sealed Bid Enclosed."

2.1 INSTRUCTIONS AND GENERAL REQUIREMENTS RELATED TO THIS BID

Read this document carefully. Follow all instructions and requirements. You are responsible for fulfilling all requirements and specifications. Be sure you have a clear understanding of this IFB.

General requirements apply to all advertised IFBs; however, these may be superseded, in whole or in part, by the Bid Specifications, Addenda issued as a part of this IFB and Modifications issued as a part of this IFB. Be sure your Bid package is complete.

2.2 Ambiguity, Conflict, or other Errors in the IFB

If Bidder discovers any ambiguity, conflict, discrepancy, omission or other error in this IFB, Bidder shall immediately notify Williamson County Purchasing Department of such error in writing and request modification or clarification of the document.

Modifications will be made by issuing Addenda. If the Bidder fails to notify Williamson County prior to the date and time fixed for submission of Bids of an error or ambiguity in the IFB known to Bidder, or an error or ambiguity that reasonably should have been known to Bidder, then Bidder shall be deemed to have waived the error or ambiguity or its later resolution.

Williamson County may also modify the IFB, no later than 48 hours prior to the date and time fixed for submission of Bids, by issuance of an Addendum. All addenda will be numbered consecutively, beginning with 1.

2.3 Notification of Most Current Address

Bidders in receipt of this IFB shall notify the Williamson County Purchasing Department of any address changes, contact person changes, and/or telephone number changes no later than 48 hours prior to the date and time fixed for submission of Bids.

2.4 Bid Preparation Cost

Cost of developing Bids is entirely the responsibility of Bidders and shall not be charged to Williamson County.

2.5 Signature of Bidder

If the Bidder is a Corporation or Limited Liability Company, the legal name of the Corporation or Limited Liability Company shall be provided together with the signature of the officer or officers authorized to sign on behalf of such entity.

If the Bidder is a General Partnership, the true name of the firm shall be provided with the signature of each partner authorized to sign.

If the Bidder is a Limited Partnership, the name of the Limited Partner's General Partner shall be provided with the signature of the officer authorized to sign on behalf of the General Partner.

If the Bidder is a Sole Proprietor(s) (individual), each Sole Proprietor(s) shall sign.

If signature is by an agent, other than the Sole Proprietor(s) or an officer of a Corporation, Limited Liability Company, General Partner or a member of a General Partnership, a power of attorney or equivalent document must be submitted to the Williamson County Purchasing Department.

2.6 Assumed Business Name

If the Bidder operates business under an Assumed Business Name, the Bidder must have on file with the Williamson County Clerk a current Assumed Name Certificate and provide a file marked copy of same.

2.7 Bid Obligation

The contents of the IFB, Bid, and any clarification thereof submitted by the Successful Bidder shall become part of the contractual obligation and incorporated by reference into the Contract and any ensuing Agreement.

2.8 Compliance with IFB Specifications

It is intended that this IFB describe the requirements and the Bid format in sufficient detail to secure comparable Bids. Failure to comply with all provisions of the IFB may, at the sole discretion of Williamson County, result in disqualification.

2.9 Withdrawal of Bid

The Bidder may withdraw its Bid by submitting a written request over the signature of an authorized individual, as described herein above, to the Williamson County Purchasing Department any time prior to the submission deadline. The Bidder may thereafter submit a new Bid prior to the deadline. Modification of the Bid in any manner will not be considered if submitted after the deadline. Withdrawal of a Bid after the deadline will be subject to written approval of the Williamson County Purchasing Agent.

2.10 Evaluation/Award

Williamson County reserves the right to use all pertinent information (also learned from sources other than disclosed in the BID process) that might affect Williamson County's judgment as to the appropriateness of an award to the lowest and best evaluated Bid. This information may be appended to the Bid evaluation process results. Information on a Bidder from reliable sources, and not within the Bidder's Bid, may also be noted and made part of the evaluation file. Williamson County shall have sole discretion for determining the reliability of the source.

To ensure the proper and fair evaluation of a solicitation, Williamson County prohibits unsolicited communication initiated by the Bidder to the County Official or Employee evaluating or considering the Bids prior to the time an award has been made. Unsolicited communication may be ground for disqualifying the offending Bidder from consideration or award of the solicitation then in evaluation, or any future solicitation.

Communication between Bidder and the County will be initiated by the appropriate County Official or Employee in order to obtain information or clarification needed to develop a proper and accurate evaluation of the solicitation.

To award the lowest responsible bidder in accordance with Texas Government Code and Local Government Code, the County may consider, to the extent allowed by law, the following:

- Price
- Bidder's experience and reputation
- Quality of the Bidder's goods and/or services
- Bidder's safety record
- Bidder's proposed personnel
- Bidder's financial capabilities
- Any other relevant factors specifically listed in the IFB

Consideration of Location of Principal Office

Pursuant to Texas Local Government Code Section 271.905, in purchasing under this title any real property or personal property that is not affixed to real property, if Williamson County receives one or more Bids from a Bidder whose principal place of business is in Williamson County and whose Bid is within three percent (3%) of the lowest bid price received by Williamson County from a Bidder who is not a resident of Williamson County, Williamson County may enter into a contract with: the lowest Bidder; or the Bidder whose principal place of business is in Williamson County if the Williamson County Commissioners Court determines, in writing, that the local Bidder offers Williamson County the best combination of contract price and additional economic development opportunities for Williamson County created by the contract award, including the employment of residents of Williamson County and increased tax revenues to Williamson County.

This consideration does not prohibit Williamson County from rejecting all Bids. It is understood that the Commissioners Court of Williamson County, Texas, reserves the right to accept or reject any and/or all Bids for any or all goods and/or services covered in this IFB, and to waive informalities or defects in the Bid or to accept such Bid it shall deem to be in the best interest of Williamson County.

Awards should be made approximately sixty (60) business days after the Bid opening date. Results may be obtained by viewing the Williamson County vendor portal at the following link:

<http://www.wilco.org/CountyDepartments/Purchasing/SearchforaPastBid/tabid/5213/language/en-US/Default.aspx>

2.11 Responsibility

It is expected that a prospective Bidder will be able to affirmatively demonstrate Bidder's responsibility. A prospective Bidder should be able to meet the following requirements:

- a) have adequate financial resources, or the ability to obtain such resources as required;
- b) be able to comply with the required or proposed delivery schedule;
- c) have a satisfactory record of performance that can be determined thru references provided
- d) have a satisfactory record of performance with Williamson County; and e) be otherwise qualified and eligible to receive an award.

Williamson County may request representation and other information sufficient to determine Bidder's ability to meet these minimum standards listed above.

2.12 Firm Pricing

For unit price items, all of the items listed are to be on a "per unit" basis, stating a firm price per unit or unit quantity of each item. Bidder must submit a firm price that must be good from the date of Bid opening for the fixed period of time set out in this IFB. Unless the IFB expressly states otherwise, this period shall be until the end of the Initial Contract Period. Bids which do not state a fixed price, or which are subject to change without notice, will not be considered. The Court may award a contract for the period implied or expressly stated in the lowest and best Bid.

2.13 Purchase Orders

If required by the Williamson County Purchasing Department, a purchase order(s) may be generated to the Successful Bidder for goods and/or services. If a purchase order is issued, the purchase order number must appear on all itemized invoices and/or requests for payment.

2.14 Silence of Specifications

The apparent silence of these specifications as to any detail or to the apparent omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

2.15 References

Williamson County may require Bidder to supply a list of at least three (3) references where like services and/or goods have been supplied by their firm within the past five (5) years. References should be provided in accordance with this IFB.

3.1 DEFINITIONS, TERMS AND CONDITIONS

3.2 Definitions

- a) "Addenda" – Means any written or graphic instruments issued by Williamson County prior to the consideration of Bids which modify or interpret the Bid Documents by additions, deletions, clarifications, or corrections.
- b) "Agreement" – The Successful Bidder may be required by Williamson County to sign an additional Agreement containing terms necessary to ensure compliance with the IFB and Bidder's Bid. Such ensuing Agreement(s) shall contain the Bid Specifications, Terms and Conditions that are derived from the IFB.
- c) "Contract" – This IFB and the Bid of the Successful Bidder shall become a contract between the Successful Bidder and Williamson County once the Successful Bidder's Bid is properly accepted by the Williamson County Commissioners Court.
- d) "Bid Documents" – The Legal Notice, IFB including attachments, and any Addenda issued by Williamson County prior to the consideration of any Bids.
- e) "Bid" – The completed and signed bid form referred to as the Price Sheet and ALL required forms and documentation listed in the bid package which have been submitted in accordance with the terms and conditions described in the IFB package. A Bid submitted in accordance with this IFB is irrevocable during the specified period for evaluation and acceptance of Bids unless a waiver is obtained from the Williamson County Purchasing Agent.
- f) "Bidder" – A person or entity who submits a Bid in response to this IFB.
- g) "IFB" – Refers to this document, together with the attachments thereto and any future addenda issued by Williamson County.
- h) "Successful Bidder" – The liable Bidder to whom Williamson County intends to award the Contract.

3.2.1 Venue and Governing Law

Bidder hereby agrees and acknowledges that venue and jurisdiction of any suit, right, or cause of action arising out of or in connection with this IFB, the Contract and any ensuing Agreement shall lie exclusively in either Williamson County, Texas or in the Austin Division of the Western Federal District of Texas, and the parties hereto expressly consent and submit to such jurisdiction. Furthermore, except to the extent that this IFB, the Contract and any ensuing Agreement is governed by the laws of the United States, this IFB, the Contract and any ensuing Agreement shall be governed by and construed in accordance with the laws of the State of Texas, excluding, however, its choice of law rules.

3.2.2 Incorporation by Reference and Precedence

The Contract shall be derived from (1) the IFB and its Schedules; and (2) the Bidder's Bid. In the event of a dispute under the Contract, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) the IFB and its Schedules; and (2) the Bidder's Bid.

In the event Williamson County requires that an ensuing Agreement be executed following award and a dispute arises between the terms and conditions of the ensuing Agreement, (2) the IFB, and its Schedules; and (3) the Bidder's Bid, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) terms and conditions of the ensuing Agreement, (2) the IFB; and (3) the Bidder's Bid.

3.2.3 Ownership of Bid

Each Bid shall become the property of Williamson County upon submittal and will not be returned to Bidders unless received after the submittal deadline.

3.2.4 Disqualification of Bidder

Upon signing and submittal of the Bid, a Bidder offering to sell supplies, materials, services, or equipment to Williamson County certifies that the Bidder has not violated the antitrust laws of this state codified in Section 15.01, et seq, Business & Commerce Code, or the Federal Antitrust Laws, and has not communicated directly or indirectly the offer made to any competitor or any other person engaged in such line of business. Any or all Bids may be rejected if Williamson County believes that collusion exists among the Bidders.

3.2.5 Funding

Williamson County intends to budget and make sufficient funds available and authorize funds for expenditure to finance the costs of the Contract. Bidders understand and agree that the County's payment of amounts under the Contract shall be contingent on Williamson County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to make payments under this Contract.

3.2.6 Assignment, Successors and Assigns

The Successful Bidder may not assign, sell, or otherwise transfer the Contract or any other rights or interests obtained under the Contract without written permission of the Williamson County Commissioners Court. The Contract and any ensuing Agreement shall be binding upon and inure to the benefit of the contracting parties hereto and their respective successors and permitted assigns.

3.2.7 Implied Requirements

Products or services not specifically described or required in the IFB, but are necessary to provide the functional capabilities described by the Bidder, shall be implied and deemed to be included in the Bid.

3.2.8 Termination

- a) **Termination for Cause:** Williamson County reserves the right to terminate the Contract and/or any ensuing Agreement for default if the Successful Bidder breaches any of the IFB Specifications, Terms and Conditions, including warranties of Bidder, if any, or if the Successful Bidder becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies Williamson County may have at law or in equity or as may otherwise be provided hereunder. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all other requirements to Williamson County's satisfaction, and/or to meet all other obligations and requirements.
- b) **Termination for Convenience:** Williamson County may terminate the Contract and/or any ensuing Agreement for convenience and without cause or further liability, upon no less than thirty (30) calendar day's written notice to Successful Bidder. Williamson County reserves the right to extend this period if it is in the best interest of the County. In the event Williamson County exercises its right to terminate without cause, it is understood and agreed that only the amounts due to the Successful Bidder for goods, commodities and/or services provided and expenses incurred to and including the date of termination, will be due and payable. No penalty will be assessed for Williamson County's termination for convenience.

3.2.9 Non-Performance

It is the objective of Williamson County to obtain complete and satisfactory performance of the requirements set forth herein. In addition to any other remedies available at law, in equity or that may be set out herein, failure to perform may result in a deduction of payment equal to the amount of the goods and/or services that were not provided and/or performed to Williamson County's satisfaction. In the event of such non-performance, Williamson County shall have the right, but shall not be obligated, to complete the services itself or by others and/or purchase the goods from other sources. If Williamson County elects to acquire the goods or perform the services itself or by others, pursuant to the foregoing, the Successful Bidder shall reimburse Williamson County, within ten (10) calendar days of demand, for all costs incurred by Williamson County (including, without limitation, applicable, general, and administrative expenses, and field overhead, and the cost of necessary equipment, materials, and field labor) in correcting the nonperformance which the Successful Bidder fails to meet pursuant to the requirements set out herein. In the event the Successful Bidder refuses to reimburse Williamson County as set out in this provision, Williamson County shall have the right to deduct such reimbursement amounts from any amounts that may be then owing or that may become owing in the future to the Successful Bidder.

3.2.10 Proprietary Information and Texas Public Information Act

All material submitted to Williamson County shall become public property and subject to the Texas Public Information Act upon receipt. If a Bidder does not desire proprietary information in the Bid to be disclosed, each page must be clearly identified and marked proprietary at time of submittal or, more preferably, all proprietary information may be placed in a folder or appendix and be clearly identified and marked as being proprietary. Williamson County will, to the extent allowed by law, endeavor to protect from public disclosure the information that has been identified and marked as proprietary. The final decision as to what information must be disclosed, however, lies with the Texas Attorney General. Failure to clearly identify and mark information as being proprietary as set forth under this provision will result in all unmarked information being deemed non-proprietary and available to the public. For all information that has not been clearly identified and marked as proprietary by the Bidder, Williamson County may choose to place such information on the County's website and/or a similar public database without obtaining any type of prior consent from the Bidder.

To the extent, if any, that any provision in this IFB or in the Bidder's Bid is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that Williamson County, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to Williamson County as to whether or not the same are available to the public. It is further understood that Williamson County's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that Williamson County, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to Williamson County by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

3.2.11 Right to Audit

Successful Bidder agrees that Williamson County or its duly authorized representatives shall, until the expiration of three (3) years after termination or expiration of the services to be performed, have access to and the right to examine and photocopy any and all books, documents, papers and records of Successful Bidder, which are directly pertinent to the services to be performed or goods to be delivered for the purposes of making audits, examinations, excerpts and transcriptions. Successful Bidder agrees that Williamson County shall have access during normal working hours to all necessary facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. Williamson County shall give Successful Bidder reasonable advance notice of intended audits.

3.2.12 Testing and Inspections

Williamson County reserves the right to inspect and test equipment, supplies, materials and goods for quality and compliance with this IFB, and ability to meet the needs of the user. Demonstration units must be available for review. Should the goods or services fail to meet requirements and/or be unavailable for evaluation, Williamson County can deem the Bidder to be in breach and terminate the Contract and/or any ensuing Agreement(s).

3.2.13 Bid Preparation Cost

Cost of developing Bids is the sole responsibility of Bidders and shall not be charged to Williamson County. There is no expressed or implied obligation for Williamson County to reimburse Bidders for any expense incurred in preparing a Bid in response to this IFB and Williamson County will not reimburse Bidders for such expenses.

3.2.14 INDEMNIFICATION

SUCCESSFUL BIDDER SHALL INDEMNIFY, DEFEND AND SAVE HARMLESS WILLIAMSON COUNTY, ITS OFFICIALS, EMPLOYEES, AGENTS AND AGENTS' EMPLOYEES FROM AND AGAINST ALL CLAIMS, LIABILITY, AND EXPENSES, INCLUDING REASONABLE ATTORNEYS' FEES, ARISING FROM ACTIVITIES OF BIDDER, ITS AGENTS, SERVANTS OR EMPLOYEES, PERFORMED HEREUNDER THAT RESULT FROM THE NEGLIGENT ACT, ERROR, OR OMISSION OF BIDDER OR ANY OF BIDDER'S AGENTS, SERVANTS OR EMPLOYEES, AS WELL AS ALL CLAIMS OF LOSS OR DAMAGE TO THE BIDDER'S AND WILLIAMSON COUNTY'S PROPERTY, EQUIPMENT, AND/OR SUPPLIES.

FURTHERMORE, WILLIAMSON COUNTY, ITS OFFICIALS, EMPLOYEES, AGENTS AND AGENTS' EMPLOYEES SHALL NOT BE LIABLE FOR DAMAGES TO THE SUCCESSFUL BIDDER ARISING FROM ANY ACT OF ANY THIRD PARTY, INCLUDING, BUT NOT BEING LIMITED TO THEFT. SUCCESSFUL BIDDER FURTHER AGREES TO INDEMNIFY, DEFEND AND SAVE HARMLESS WILLIAMSON COUNTY FROM, ITS OFFICIALS, EMPLOYEES, AGENTS AND AGENTS' EMPLOYEES AGAINST ALL CLAIMS OF WHATEVER NATURE ARISING FROM ANY ACCIDENT, INJURY, OR DAMAGE WHATSOEVER CAUSED TO ANY PERSON OR TO THE PROPERTY OF ANY PERSON OCCURRING IN RELATION TO SUCCESSFUL BIDDER'S PERFORMANCE OF ANY SERVICES REQUESTED HEREUNDER DURING THE TERM OF THE CONTRACT AND/OR ANY ENSUING AGREEMENT(S).

SUCCESSFUL BIDDER SHALL TIMELY REPORT ALL CLAIMS, DEMANDS, SUITS, ACTIONS, PROCEEDINGS, LIENS OR JUDGMENTS TO WILLIAMSON COUNTY AND SHALL, UPON THE RECEIPT OF ANY CLAIM, DEMAND, SUIT, ACTION, PROCEEDING, LIEN OR JUDGMENT, NOT LATER THAN THE FIFTEENTH (15TH) DAY OF EACH MONTH; PROVIDE WILLIAMSON COUNTY WITH A WRITTEN REPORT ON EACH SUCH MATTER, SETTING FORTH THE STATUS OF EACH MATTER, THE SCHEDULE OR PLANNED PROCEEDINGS WITH RESPECT TO EACH MATTER AND THE COOPERATION OR ASSISTANCE, IF ANY, OF WILLIAMSON COUNTY REQUIRED BY SUCCESSFUL BIDDER IN THE DEFENSE OF EACH MATTER. SUCCESSFUL BIDDER'S DUTY TO DEFEND, INDEMNIFY AND HOLD WILLIAMSON COUNTY HARMLESS SHALL BE ABSOLUTE. IT SHALL NOT ABATE OR END BY REASON OF THE EXPIRATION OR TERMINATION OF THE CONTRACT AND/OR ANY ENSUING AGREEMENT(S) UNLESS OTHERWISE AGREED BY WILLIAMSON COUNTY IN WRITING. THE PROVISIONS OF THIS SECTION SHALL SURVIVE THE TERMINATION OF THE CONTRACT AND SHALL REMAIN IN FULL FORCE AND EFFECT WITH RESPECT TO ALL SUCH MATTERS NO MATTER WHEN THEY ARISE.

IN THE EVENT OF ANY DISPUTE BETWEEN THE PARTIES AS TO WHETHER A CLAIM, DEMAND, SUIT, ACTION, PROCEEDING, LIEN OR JUDGMENT APPEARS TO HAVE BEEN CAUSED BY OR APPEARS TO HAVE ARISEN OUT OF OR IN CONNECTION WITH ACTS OR OMISSIONS OF WILLIAMSON COUNTY, BIDDER SHALL NEVER-THE- LESS FULLY DEFEND SUCH CLAIM, DEMAND, SUIT, ACTION, PROCEEDING, LIEN OR JUDGMENT UNTIL AND UNLESS THERE IS A DETERMINATION BY A COURT OF COMPETENT JURISDICTION THAT THE ACTS AND OMISSIONS OF BIDDER ARE NOT AT ISSUE IN THE MATTER.

SUCCESSFUL BIDDER'S INDEMNIFICATION SHALL COVER, AND SUCCESSFUL BIDDER AGREES TO INDEMNIFY WILLIAMSON COUNTY, IN THE EVENT WILLIAMSON COUNTY IS FOUND TO HAVE BEEN NEGLIGENT FOR HAVING

SELECTED SUCCESSFUL BIDDER TO PER THE WORK DESCRIBED IN THIS REQUEST. THE PROVISION BY SUCCESSFUL BIDDER OF INSURANCE SHALL NOT LIMIT THE LIABILITY OF SUCCESSFUL BIDDER UNDER THE CONTRACT AND/OR ANY ENSUING AGREEMENT.

3.2.15 Waiver of Subrogation

Successful Bidder and Successful Bidder's insurance carrier waive any and all rights whatsoever with regard to subrogation against Williamson County as an indirect party to any suit arising out of personal or property damages resulting from the Bidder's performance under this Contract and any ensuing Agreement.

3.2.16 Relationship of the Parties

The Successful Bidder shall be an independent contractor and shall assume all of the rights, obligations, liabilities, applicable to it as such independent contractor hereunder and any provisions herein which may appear to give Williamson County the right to direct the Successful Bidder as to details of doing work herein covered or to exercise a measure of control over the work shall be deemed to mean that the Successful Bidder shall follow the desires of Williamson County in the results of the work only. Williamson County shall not retain or have the right to control the Successful Bidder's means, methods or details pertaining to the Successful Bidder's performance of the work. Williamson County and the Successful Bidder hereby agree and declare that the Successful Bidder is an independent contractor and as such meets the qualifications of an "Independent Contractor" under Texas Workers Compensation Act, Texas Labor Code, Section 406.141, that the Successful Bidder is not an employee of Williamson County, and that the Successful Bidder and its employees, agents and sub- contractors shall not be entitled to workers compensation coverage or any other type of insurance coverage held by Williamson County.

3.2.17 Sole Provider

The Successful Bidder agrees and acknowledges that it shall not be considered a sole provider of the goods and/or services described herein and that Williamson County may contract with other providers of such goods and/or services if Williamson County deems, at its sole discretion, that multiple providers of the same goods and/or services will serve the best interest of Williamson County.

3.2.18 Force Majeure

If the party obligated to perform is prevented from performance by an act of war, order of legal authority, act of God, or other unavoidable cause not attributable to the fault or negligence of said party, the other party shall grant such party relief from the performance. The burden of proof for the need of such relief shall rest upon the party obligated to perform. To obtain release based on force majeure, the party obligated to perform shall file a written request with the other party.

3.2.19 Severability

If any provision of this IFB, the Contract or any ensuing Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision thereof, but rather the entire IFB, Contract or any ensuing Agreement will be construed as if not containing the particular invalid or unenforceable provision or provisions, and the rights and obligation of the parties shall be construed and enforced in accordance therewith. The parties acknowledge that if any provision of this IFB, the Contract or any ensuing Agreement is determined to be invalid or unenforceable, it is the desire and intention of each that such provision be reformed and construed in such a manner that it will, to the maximum extent practicable, give effect to the intent of this IFB, the Contract or any ensuing Agreement and be deemed to be validated and enforceable.

3.2.20 Equal Opportunity

Neither party shall discriminate against any employee or applicant for employment because of race, color, sex, religion or national origin.

3.2.21 Notice

Any notice to be given shall be in writing and may be affected by personal delivery, or by registered or certified mail, return receipt requested, addressed to the proper party, at the following address:

Williamson County Purchasing Department Purchasing Agent 901 South Austin Avenue Georgetown, Texas 78626

Bidder: Address set out in IFB referred to as the Bid Affidavit.

Notices given in accordance with this provision shall be effective upon (i) receipt by the party to which notice is given, or (ii) on the third

3.2.22 Sales and Use Tax Exemption

Williamson County is a body corporate and politic under the laws of the State of Texas and claims exemption from sales and use taxes under Texas Tax Code Ann. § 151.309, as amended, and the services and/or goods subject hereof are being secured for use by Williamson County.

3.2.23 Compliance with Laws

Williamson County and Successful Bidder shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals in any matter affecting the performance of the Contract and any ensuing Agreement, including, without limitation, Workers' Compensation laws, salary and wage statutes and regulations, licensing laws and regulations. When required, the Successful Bidder shall furnish Williamson County with certification of compliance with said laws, statutes, ordinances, rules, regulations, orders, and decrees above specified.

3.2.24 Incorporation of Schedules, Exhibits, Appendices & Attachments

All of the Schedules, Exhibits, Appendices and Attachments referred to herein are incorporated by reference as if set forth verbatim herein. All of the Schedules, Exhibits, Appendices and Attachments referred to herein are incorporated by reference as if set forth verbatim herein. Any conflicting terms in the contract documents will be resolved at the sole discretion of the Williamson County Commissioners Court.

3.2.25 No Waiver of Immunities

Nothing herein shall be deemed to waive, modify or amend any legal defense available at law or in equity to Williamson County, its past or present officers, employees, or agents, nor to create any legal rights or claim on behalf of any third party. Williamson County does not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

3.2.26 No Waiver

The failure or delay of any party to enforce at any time or any period of time any of the provisions of this IFB, the Contract or any ensuing Agreement shall not constitute a present or future waiver of such provisions nor the right of either party to enforce each and every provision. Furthermore, no term or provision hereof shall be deemed waived and no breach excused unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented. Any consent by any party to, or waiver of, a breach by the other, whether expressed or implied, shall not constitute a consent to, waiver of or excuse for any other, different or subsequent breach.

3.2.27 Current Revenues

The obligations of the parties under the Contract and any ensuing Agreement do not constitute a general obligation or indebtedness of Williamson County for which Williamson County is obligated to levy, pledge, or collect any of taxation. It is understood and agreed that Williamson County shall have the right to terminate the Contract and any ensuing Agreement at the end of any Williamson County fiscal year if the governing body of Williamson County does not appropriate sufficient funds as determined by Williamson County's budget for the fiscal year in question. Williamson County may effect such termination by giving written notice of termination to the Successful Bidder at the end of its then-current fiscal year.

3.2.28 FOB – Destination

To the extent applicable to this IFB, all of the items listed are to be Free On Board to final destination (FOB Destination) with all transportation charges if applicable to be included in the Bid, unless otherwise specified in the Invitation for Bids. The title and risk of loss of the goods shall not pass to Williamson County until receipt and acceptance takes place at the FOB Destination point.

3.2.29 Binding Effect

This Contract and any ensuing Agreement shall be binding upon and inure to the benefit of the parties and their respective permitted assigns and successors.

3.2.30 Assignment

The Successful Bidder's interest and duties hereunder may not be assigned or delegated to a third party without the express written consent of Williamson County.

3.2.31 Safety

Successful Bidder is responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with any services to be provided hereunder. The safety program shall comply with all applicable requirements of the current federal Occupational Safety and Health Act and all other applicable federal, state and local laws and regulations.

3.2.32 General Obligations and Reliance

Successful Bidder shall perform all services and/or provide all goods, as well as those reasonably inferable and necessary for completion and provision of services and/or goods required hereunder. The Successful Bidder shall keep Williamson County informed of the progress and quality of the services. Successful Bidder agrees and acknowledges that Williamson County is relying on Successful Bidder's represented expertise and ability to provide the goods and/or services described herein. Successful Bidder agrees to use its best efforts, skill, judgment, and abilities to perform its obligations in accordance with the highest standards used in the profession and to further the interests of Williamson County in accordance with Williamson County's requirements and procedures. Successful Bidder's duties as set forth herein shall at no time be in any way diminished by reason of any approval by the Williamson County nor shall the Successful Bidder be released from any liability by reason of such approval by Williamson County, it being understood that Williamson County at all times is ultimately relying upon the Successful Bidder's skill and knowledge in performing the services and providing any goods required hereunder.

3.2.33 Estimated Quantities

To the extent applicable to this IFB, the estimated quantity of each item listed in this IFB is only an estimate -- the actual quantity to be purchased may be more or less. Williamson County is not obligated to purchase any minimum amount, and Williamson County may purchase any reasonable amount greater than the estimate for the same unit price. Any limit on quantities available must be stated expressly in the Bid.

3.2.34 Contractual Development

The contents of the IFB and the selected Bid will become an integral part of the Contract, but may be modified, at Williamson County's sole discretion, by provisions of an ensuing Agreement. Therefore, the Bidder must agree to inclusion in an ensuing Agreement of the Bid Specifications, Terms and Conditions of this IFB. If an ensuing Agreement is required under this IFB, information relative to the Agreement will be located in the Special Provisions Section of this IFB.

3.2.35 Survivability

All applicable agreements that were entered into between Successful Bidder and Williamson County under the terms and conditions of the Contract and/or any ensuing Agreement shall survive the expiration or termination thereof for ninety (90) days unless a new contract has been awarded.

3.2.36 Air Quality

In determining the overall best Bid, Williamson County may, to the extent applicable, exercise the following option granted to local governments under the Texas Local Government Code.

Option – TLGC § 271.907. This option allows Williamson County to evaluate Bids and give preference to goods and/or services of a Bidder that demonstrates that the Bidder meets or exceeds any and all state or federal environmental standards, including voluntary standards, relating to air quality. If the Bid being submitted will have an effect on air quality for Williamson County (as it relates to any state, federal, or voluntary air quality standard), then the Bidder is encouraged to provide information in narrative indicating the anticipated air quality impact. Bidders are expected to meet all mandated state and federal air quality standards.

3.2.37 Entire Agreement

The Contract and any ensuing Agreement shall supersede all prior Agreements, written or oral between the Successful Bidder and Williamson County and shall constitute the entire Agreement and understanding between the parties with respect to the services and/or

3.2.38 Payment

Williamson County's payment for goods and services shall be governed by Chapter 2251 of the Texas Government Code. An invoice shall be deemed overdue the 31st day after the later of (1) the date Williamson County receives the goods under the Contract; (2) the date the performance of the service under the Contract is completed; or (3) the date the Williamson County Auditor receives an invoice for the goods or services. Interest charges for any overdue payments shall be paid by Williamson County in accordance with Texas Government Code Section 2251.025. More specifically, the rate of interest that shall accrue on a late payment is the rate in effect on September 1 of Williamson County's fiscal year in which the payment becomes due. The said rate in effect on September 1 shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

In the event that an error appears in an invoice submitted by Successful Bidder, Williamson County shall notify Successful Bidder of the error not later than the twenty first (21st) day after the date Williamson County receives the invoice. If the error is resolved in favor of Successful Bidder, Successful Bidder shall be entitled to receive interest on the unpaid balance of the invoice submitted by Successful Bidder beginning on the date that the payment for the invoice became overdue. If the error is resolved in favor of Williamson County, Successful Bidder shall submit a corrected invoice that must be paid in accordance within the time set forth above. The unpaid balance accrues interest as provided by Chapter 2251 of the Texas Government Code if the corrected invoice is not paid by the appropriate date.

As a minimum, invoices shall include:

- a) Name, address, and telephone number of Successful Bidder and similar information in the event the payment is to be made to a different address
- b) Williamson County contract, Purchase Order, and/or delivery order number
- c) Identification of items or service as outlined in the Contract
- d) Quantity or quantities, applicable unit prices, total prices, and total amount
- e) Any additional payment information which may be called for by the Contract

Payment inquiries should be directed to the Williamson County Auditor's Office,
Accounts Payable Department: accountspayable@wilco.org , 512-943-1500.

3.2.39 Contractual Formation and Ensuing Agreement

The IFB and the Bidder's Bid, when properly accepted by the Williamson County Commissioners Court, shall constitute a contract equally binding between the Successful Bidder and Williamson County.

If an ensuing Agreement is required by this IFB, that information will be provided in Special Provisions section of this IFB. The Successful Bidder shall be required to execute the Agreement at the Williamson County Purchasing Department approximately ten (10) calendar days after the Successful Bidder is notified of award. The ensuing Agreement shall be in the same form as the Agreement which is attached to the end of this IFB. The only anticipated changes in the ensuing Agreement will be to include additional exhibits, to fill in blanks to identify the Successful Bidder, and terms relating to the compensation, or to revise the Agreement to accommodate corrections, changes in the scope of services, or changes pursuant to Addenda issued. **Bidders should raise any questions regarding the terms of the Agreement in the of written questions or submittals as described in the Public Announcement and General Information portion of this IFB.** Because the signed ensuing Agreement will be substantively and substantially derived from the attached Agreement, each Bidder is urged to seek independent legal counsel as to any questions about the terms, conditions or provisions contained in the Agreement **before** submitting a Bid. Again, the attached Agreement contains important legal provisions and is considered part and parcel of this IFB. Failure or refusal to sign aforesaid Agreement shall be grounds for Williamson County to revoke any award which has been issued, forfeit Bid security, if applicable, and select another Bidder.

3.2.40 Cooperative Purchasing Program

During the term of the Contract resulting from this IFB, Williamson County would like to afford the same prices, terms and conditions to other political subdivisions or public entities. Another entity's participation in the Contract resulting from this Invitation to Bid is subject to a properly authorized Purchasing Cooperative Inter-local Agreement with Williamson County. Any liability created by Purchase Orders issued against the Contract shall be the sole responsibility of the governmental agency placing the order.

3.2.41 Insurance Requirements

To the extent applicable Insurance information will appear in the Special Provisions section of this IFB.

3.2.42 Bidders Bond, Warranty Bond, Performance and Payment Bonds

To the extent applicable Bond information will appear in the Special Provisions section of this IFB.

3.2.43 Legal Liability Information

The Successful Bidder shall disclose all legal liability information by listing any pending litigation or anticipated litigation that your firm is involved in, including but not limited to, potential or actual legal matters with private parties and any local, State, Federal or international governmental entities. Williamson County reserves the right to consider legal liability information in the recommendation of any proposed contract to the Williamson County Commissioners Court.

3.2.44 Inclement Weather

In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal submission deadline, the bid closing will automatically be postponed until the next business day the County is open. If inclement weather conditions or any other unforeseen event causes delays in carrier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the County of their interest in the project if these conditions are impacting their ability to turn in a submission within the stated deadline. The County reserves the right to make the final judgment call to extend any deadline.

CONFLICT OF INTEREST QUESTIONNAIRE**For vendor or other person doing business with local governmental entity****Form CIQ**

This questionnaire is being filed in accordance with chapter 176 of the Local Government Code by a person doing business with the governmental entity.

By law this questionnaire must be filed with the records administrator of the local government not later than the 7th business day after the date the person becomes aware of facts that require the statement to be filed. See Section 176.006, Local Government Code.

A person commits an offense if the person violates Section 176.006, Local Government Code. An offense under this section is a Class C misdemeanor.

OFFICE USE ONLY

Date Received

1 **Name of person doing business with local governmental entity.**

2

Check this box if you are filing an update to a previously filed questionnaire.

☐

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than September 1 of the year for which an activity described in Section 176.006(a), Local Government Code, is pending and not later than the 7th business day after the date the originally filed questionnaire becomes incomplete or inaccurate.)

3

Describe each affiliation or business relationship with an employee or contractor of the local governmental entity who makes recommendations to a local government officer of the local governmental entity with respect to expenditure of money.

	5
	6

4

Describe each affiliation or business relationship with a person who is a local government officer and who appoints or employs a local government officer of the local governmental entity that is the subject of this questionnaire.

Notary Public in and for

The State of

Agreement for Construction Services (Williamson County Round Rock Annex Roof & Stucco Facade Improvements)

This Agreement ("Agreement") between Williamson County, Texas, a political subdivision of the State of Texas ("Owner") and [REDACTED] ("Contractor") is entered into in accordance with the following terms and conditions:

ARTICLE 1 SCOPE OF WORK: The Owner desires to retain Contractor to provide the construction services described herein. The Contractor shall have the overall responsibility for and shall provide complete construction services and furnish all materials, equipment, tools and labor as necessary or reasonably inferable to complete the following described construction services, or any phase of such services, in accordance with the Owner's requirements and the terms of this Agreement (hereinafter collectively referred to as the "Work"):

As described in the Invitation for Bid #1601-044, including the specifications set forth in the attached Exhibit "A", which is incorporated herein as if copied in full.

ARTICLE 2 CONTRACT PRICE: Owner agrees to pay to the Contractor, for the satisfactory performance of the Work, the sum of [REDACTED] (\$) in accordance with the terms and conditions of this Agreement.

ARTICLE 3 PLANS AND SPECIFICATIONS: The Work shall be performed pursuant to and in accordance with the following described plans and specifications, as well as any revisions made thereto:

Additional Work: Should Owner choose to add additional work, such additional work shall be described in a separate written amendment to this Agreement wherein the additional work shall be described and the parties shall set forth the amount of compensation to be paid by Owner for the additional work. Contractor shall not begin any additional work and Owner shall not be obligated to pay for any additional work unless a written amendment to this Agreement has been signed by both parties.

ARTICLE 4 SUBSTANTIAL AND FINAL COMPLETION:

4.1 Commencement of Work. Contractor shall commence the Work upon instruction to do so from the Owner and Construction shall be deemed to have commenced on the date of such instruction.

4.2 Substantial Completion. "Substantial Completion" means the stage in the progress of the Work when the Work, or designated portions thereof, may still require minor modifications or adjustments but, in the Owner's opinion, the Work has progressed to the point such that all parts of the Work under consideration are fully operational and usable for intended purposes, as evidenced by a Certificate of Substantial Completion approved by the Owner. If a Certificate of Occupancy is required by public authorities having jurisdiction over the Work, said certificate shall be issued before the Work or any

portion thereof is considered substantially complete. When the Contractor considers that the Work, or a portion thereof which the Owner agrees to accept separately, is substantially complete, the Contractor shall notify Owner's Designated Representative (sometimes referred to as the "ODR") and request a determination as to whether the Work or designated portion thereof is substantially complete. If the ODR does not consider the Work substantially complete, the ODR will notify the Contractor giving reasons therefore. Failure on the Owner's part to list a reason does not alter the responsibility of the Contractor to complete all Work in accordance with the terms of this Agreement. After satisfactorily completing items identified by Owner's Designated Representative, the Contractor shall then submit another request for the ODR to determine Substantial Completion. If The ODR considers the Work substantially complete, The ODR will prepare and deliver a certificate of Substantial Completion which shall establish the date of Substantial Completion, shall include a punch list of items to be completed or corrected before final completion and final payment, shall establish the time within which the Contractor shall finish the punch list, and shall establish responsibilities of the Owner and the Contractor for security, maintenance, heat, utilities, damage to the Work, warranty and insurance. Failure to include an item on the punch list does not alter the responsibility of the Contractor to complete all Work in accordance with the terms and conditions of this Agreement. The certificate of Substantial Completion shall be signed by the Owner and the Contractor to evidence acceptance of the responsibilities assigned to them in such certificate.

Substantial Completion (as defined in this agreement) for all stages of the Work shall be achieved on or before the following Substantial Completion date:

DATE FOR SUBSTANTIAL COMPLETION: Thirty (30) calendar days after the date of County's Notice to Proceed.

4.3 Final Completion. The Work shall be fully and finally completed within Sixty 60 calendar days the date of County's Notice to Proceed; provided, however, Owner may extend said time period in the event bad weather affects the progress of the Work. Owner shall, at its sole discretion, determine when the Work has been fully and finally completed to its satisfaction.

4.4 Liquidated Damages. For each consecutive calendar day after the date of Substantial Completion that the Work is not Substantially Complete, the Owner may deduct the amount of One Hundred Dollars per day (\$100.00/day) from any money due or that becomes due the Contractor, not as a penalty but as liquidated damages representing the parties' estimate at the time of contract execution of the damages that the Owner will sustain for late completion. The parties stipulate and agree that calculating Owner's actual damages for late completion of the Work would be impractical, unduly burdensome, and cause unnecessary delay and that the amount of daily liquidated damages set forth is reasonable.

ARTICLE 5 PAYMENT:

On or before the first Wednesday of each month, the Contractor shall submit to the ODR a statement showing the total value of the work performed up to and including the last day of the preceding month. The statement shall also include the value of all sound materials delivered on the Work site and to be included in the Work and all partially completed Work, whether bid as a lump sum or a unit item, which in the opinion of the ODR is acceptable. The ODR shall examine and approve or modify and approve such statement. The Owner shall then pay the Contractor on or before the 25th day of the following month the total amount of the approved statement less all previous payments and all further sums that may be retained by the Owner under the terms of this Agreement or under the law.

At any time following the completion of all Work, including all punch list items, cleanup, and the delivery of record documents, the Contractor shall submit a certified application for final payment, including all sums held as retainage if any, to the ODR for its review and approval. Contractor shall submit, prior to or with the application for final payment, final copies of all close out documents, including maintenance and operating instructions, guarantees and warranties, certificates, and all other items required by this Agreement. Contractor shall also submit consent of surety to final payment, an affidavit that all payrolls, bills for materials and equipment, subcontracted work and other indebtedness connected with the Work, except as specifically noted, have been paid or will be paid or otherwise satisfied within the period of time required by Chapter 2251, Texas Government Code. Contractor shall furnish documentation establishing payment or satisfaction of all such obligations, such as receipts, releases and waivers of claims arising out of the Agreement. Owner is entitled to rely upon this affidavit and the Contractor may not submit a claim on behalf of a subcontractor or vendor if that claim has not been noted as an exception in the affidavit.

Owner may deduct from the final payment all sums due from Contractor for any reason, Liquidated Damages and all other deductions authorized by this Agreement. If the certificate of final completion notes any Work remaining incomplete or defects not remedied, the Owner may deduct the reasonable cost of remedying such deficiencies from the final payment. If such deductions are made, Owner shall identify each deduction made and the reason for each deduction, and furnish Contractor with an explanation of the deduction and the amount deducted on or by the 21st day after Owner's receipt of an approved or deemed approved application for final payment.

Final Payment shall become due and payable by Owner, subject to all allowable offsets and deductions, on the 31st day next following Owner's approval of the application for payment. If Contractor disputes any amount deducted by the Owner, Contractor shall give notice of the dispute on or before the 30th day next following receipt of final payment; failure to do so will bar any subsequent claim for payment of amounts deducted.

Final payment shall constitute a waiver of all claims by the Contractor except those specifically identified in writing and submitted to the ODR prior to the application for final payment. Provided, however, that the Work shall not be deemed fully performed by the Contractor and closed until the expiration of all warranty periods.

ARTICLE 6 CONTRACTOR'S GENERAL RESPONSIBILITIES AND COVENANTS:

6.1 Contractor shall perform all services specifically allocated to it hereunder, as well as those services reasonably inferable and necessary for completion of the Work. The Contractor shall keep the Owner informed of the progress and quality of the Work. Contractor agrees and acknowledges that Owner is entering into this Agreement in reliance on Contractor's represented expertise and ability to provide the Work described in this Agreement. Contractor agrees to use its best efforts, skill, judgment, and abilities to perform its obligations in accordance with the highest standards used in the profession and to further the interests of Owner in accordance with Owner's requirements and procedures. Contractor's duties as set forth herein shall at no time be in any way diminished by reason of any approval by the Owner nor shall the Contractor be released from any liability by reason of such approval by the Owner, it being understood that the Owner at all times is ultimately relying upon the Contractor's skill and knowledge in performing the services required hereunder.

6.2 Contractor is responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work. The safety program shall comply with all applicable requirements of the current federal Occupational Safety and Health Act and all other applicable federal, state and local laws and regulations.

6.3 Contractor shall be an independent contractor under this Agreement and shall assume all of the rights, obligations, liabilities, applicable to it as such independent contractor hereunder and any provisions in this agreement which may appear to give Owner the right to direct Contractor as to details of doing the Work herein covered or to exercise a measure of control over the Work shall be deemed to mean that Contractor shall follow the desires of Owner in the results of the Work only. Owner shall not retain or have the right to control the Contractor's means, methods or details pertaining to the Contractor's performance of the Work described herein, nor shall Owner have the power to direct the order in which Contractor's Work is performed under this agreement. Owner and Contractor hereby agree and declare that Contractor is an Independent Contractor and as such meets the qualifications of an Independent Contractor under Texas Worker's Compensation Act, Texas Labor Code, Section 406.141, that the Contractor is not an employee of Owner for purposes of this Agreement, and that the Contractor and its employees, agents and sub-subcontractors shall not be entitled to worker's compensation coverage or any other type of insurance coverage held by Owner.

6.4 As part of Contractor obligation to coordinate the Work, Contract shall:

- a. cooperate with the ODR and endeavor to further the interests of the Owner and the Work;
- b. provide an on-site, full-time superintendent for the duration of the Work;
- c. visit the Work site and inspect the existing facilities, systems and conditions to insure an accurate understanding of the existing conditions as required;
- d. at Owner's request, attend public meetings and hearings concerning the development of the Work;
- e. review all drawings, specifications, and other plans as they are developed by the Owner and/or its architect and advise Owner of any error, inconsistency or omission discovered in the drawings, specifications, and other plans;
- f. review the drawings, specifications, and other plans for compliance with all applicable laws and code requirements;
- g. advise Owner of any tests that should be performed;
- h. organize and maintain a competent, full-time staff at the Work site with clearly defined lines of authority and communication as necessary to coordinate construction activities, monitor and direct progress of the Work;
- i. attend Owner's regularly scheduled Work progress meetings and fully advise the ODR of the Work status including schedule, costs, quality and changes;

- j. assist Owner in obtaining building permits and obtain special permits for permanent improvements as required by law; and
- k. shall coordinate, monitor and inspect the Work of subcontractors to ensure conformance with the drawings, specifications, other plans and with the terms of this Agreement.

6.5 Contractor shall identify every subcontractor it intends to use for the Work to the Owner in writing at least ten (10) days before entering into any subcontract. Contractor shall not use any subcontractor to which Owner has a reasonable objection. If Owner does not object to a particular subcontractor with said ten (10) days, such subcontract may be considered acceptable to Owner. Following Owner's acceptance of a subcontractor, that subcontractor shall not be changed without Owner's written consent, which shall not be unreasonably withheld.

6.6 Contractor's designated representative, which is set forth below Contractor's signature herein below, shall be responsible for the day-to-day management of the Work on behalf of Contractor. The designated representative shall be the Owner's primary contact during the Work and shall be available as required for the benefit of the Work and the Owner. The contractor's designated representative shall be authorized to act on behalf of and bind the Contractor in all matters related to the Work including, but not limited to, execution of Change Orders.

6.7 NO ALTERATIONS OR CHANGES SHALL BE MADE, HOWEVER, EXCEPT UPON THE WRITTEN ORDER OF THE OWNER, OR THE ODR.

6.8 Contractor shall promptly correct any defective Work at Contractor's sole expense, unless the Owner specifically agrees, in writing, to accept the Work.

6.9 Contractor shall maintain and deliver the close out documents that describe changes or deviations from the original drawings, specifications and plans that occurred during construction and that reflect the actual "As Built" conditions of the completed Work.

COMMISSIONING AND WARRANTY RESPONSIBILITIES

6.10 Contractor shall provide commissioning, starting and check-out services for the systems installed as a part of the Work prior to completion and acceptance. Operation manuals and instructions will be provided to the Owner, the systems will be demonstrated and training provided to Williamson County's operators upon completion and prior to acceptance.

6.11 Contractor hereby warrants that the materials and equipment provided for the Work will be of good quality and new unless otherwise required or permitted by the Owner; that the construction will be free from faults and defects; and that the construction will conform with the requirements of the plans, specifications, drawings and the terms of this Agreement.

6.12 Contractor shall provide warranty services for the Work for a full **18 months** (30 months for Work involving mechanical services, if any) following Final Completion and final payment. Just before the warranty period expires, Contractor shall attend an on-site meeting with the Owner to ensure that all warranty issues have been identified and properly remedied.

ARTICLE 7 OWNER'S RESPONSIBILITIES

7.1 The Owner shall:

- a. provide the general schedule for the Work provided Owner is of the opinion such schedule is necessary. The general schedule will set forth the Owner's plan for milestone dates and completion of the Work;
- b. identify a person as its ODR who is authorized to act in the Owner's behalf with respect to the Work. The ODR shall examine the documents submitted by the Contractor and shall render decisions on behalf of the Owner to the extent allowed by Texas law;
- c. at Owner's cost, will secure the services of surveyors, soils engineers, existing facility surveys, testing and balancing, environmental surveys or other special consultants to develop such additional information as may be necessary for the design or construction of the Work;
- d. furnish required information and services and shall render approvals and decisions as expeditiously as is consistent with reasonable skill and care and the orderly progress of the Contractor's services and of the Work;
- e. shall have the right to reject any defective Work. Should Contractor refuse or neglect to correct any such Work within a reasonable time after notice, Owner may have the Work corrected and recover all expenses incurred from Contractor on demand; and
- f. Owner shall furnish to the Contractor a sufficient number of plans, drawings and specifications sets.

ARTICLE 8 INSURANCE AND INDEMNITY

8.1 Insurance. The Contractor shall carry insurance in the types and amounts indicated below for the duration of the Agreement, which shall include items owned by Owner in the care, custody and control of Contractor prior to and during construction. Contractor must also complete and file the declaration pages from the insurance policies with Owner whenever a previously identified policy period expires during the term of the Agreement, as proof of continuing coverage. Contractor shall update all expired policies prior to submission of any payment requests hereunder. Failure to update policies shall be reason for payment to be withheld until evidence for renewal is provided to the Owner.

8.1.1 The Contractor shall provide and maintain, until the Work covered in this Agreement is completed and accepted by the Owner, the minimum insurance coverage in the minimum amounts as described below. Coverage shall be written on an occurrence basis by companies authorized and admitted to do business in the State of Texas and rated A- or better by A.M. Best Company or otherwise acceptable to Owner.

Type of Coverage	Limits of Liability	
a. Worker's Compensation	Statutory	
b. Employer's Liability		
Bodily Injury by Accident	\$500,000 Ea. Accident	
Bodily Injury by Disease	\$500,000 Ea. Employee	
Bodily Injury by Disease	\$500,000 Policy Limit	
c. Comprehensive general liability including completed operations and contractual liability insurance for bodily injury, death, or property damages in the following amounts:		
COVERAGE	PER PERSON	PER OCCURRENCE

Comprehensive General Liability (including premises, completed operations and contractual)	\$1,000,000	\$1,000,000
---	-------------	-------------

Aggregate policy limits: \$1,000,000

- d. Comprehensive automobile and auto liability insurance (covering owned, hired, leased and non-owned vehicles):

COVERAGE	PER PERSON	PER OCCURRENCE
Bodily injury (including death)	\$1,000,000	\$1,000,000
Property damage	\$1,000,000	\$1,000,000
Aggregate policy limits	No aggregate limit	

- e. Umbrella coverage in the amount of not less than \$1,000,000.

8.1.2 The above insurance requirements are not intended to be compounded with the Contractor's standing insurance policies. If the Contractor already has in force insurance policies which provide the required coverage, there is no need to purchase duplicate coverage for this Work.

8.1.3 Policies must include the following clauses, as applicable.

- a. "This insurance shall not be canceled, limited in scope or coverage, or non-renewed until after thirty (30) days prior written notice, or ten (10) days for non-payment of premium, has been given to Williamson County."
- b. "It is agreed that the Contractor's insurance shall be deemed primary with respect to any insurance or self insurance carried by Williamson County for liability arising out of operations under the Agreement with Williamson County."
- c. "Williamson County, its officials, directors, employees, representatives, and volunteers are added as additional insured as respects operations and activities of, or on behalf of the named insured performed under Agreement with the Owner." This is not applicable to the workers' compensation policy.
- d. "The workers' compensation and employers' liability policy will provide a waiver of subrogation in favor of Williamson County."

8.1.4 Workers' Compensation Insurance Coverage:

In the event that Contractor employs any individual to perform any portion of the Work, Contractor shall comply with Texas Labor Code, §406.096, which requires workers' compensation insurance coverage for all employees providing services on a building or construction project for a governmental entity.

- a. Definitions:

(1) Certificate of Coverage ("certificate") - A copy of a certificate of insurance, a certificate of authority to self-insure issued by the Texas Workers' Compensation

Commission, or a coverage agreement (TWCC-81, TWCC-82, TWCC-83, or TWCC-84), showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the Duration of the Work.

(2) Duration of the Work - includes the time from the beginning of the Work until the Work has been completed and accepted by the Owner.

(3) Coverage – Workers' compensation insurance meeting the statutory requirements of the Texas Labor Code, §401.011(44).

(4) Persons providing services relating to the Work ("subcontractor") - includes all persons or entities performing all or part of the services the Contractor has undertaken to perform the Work, regardless of whether that person contracted directly with the Contractor and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services in relation to the Work. "Services" include, without limitation, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the Work, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

b. The Contractor shall provide Coverage, based on proper reporting of classification codes and payroll amounts and filing of any Coverage agreements, which meets the statutory requirements of Texas labor Code, §401.011(44) for all employees of the Contractor providing services in relation to the Work, for the Duration of the Work.

c. The Contractor must provide a Certificate of Coverage to the Owner prior to or contemporaneously with the execution of this Agreement.

d. If the Coverage period shown on the Contractor's current Certificate of Coverage ends during the Duration of the Work, the Contractor must, prior to the end of the Coverage period, file a new Certificate of Coverage with the Owner showing that Coverage has been extended.

e. The Contractor shall obtain from each person providing services in relation to the Work, and provide to the Owner:

(1) a Certificate of Coverage, prior to that person beginning any of the Work, so the Owner will have on file Certificates of Coverage showing Coverage for all persons providing services in relation to the Work; and

(2) no later than seven days after receipt by the Contractor, a new Certificate of Coverage showing extension of Coverage, if the Coverage period shown on the current Certificate of Coverage ends during the Duration of the Work.

f. The Contractor shall retain all required Certificates of Coverage for the Duration of the Work and for one year thereafter.

g. The Contractor shall notify the Owner in writing by certified mail or personal delivery, within 10 days after the Contractor knew or should have known, of any change that materially affects the provision of Coverage of any person providing services in relation to the Work.

h. The Contractor shall post on the Work site a notice, in the text, form and manner prescribed by the Texas Workers' Compensation Commission, informing all persons providing services in relation to the Work that they are required to be covered, and stating how a person may verify Coverage and report lack of Coverage.

i. By signing this Agreement or providing or causing to be provided a Certificate of Coverage, the Contractor is representing to the Owner that all employees of the Contractor who will provide services in relation to the Work and all persons providing services in relation to the Work will be covered by workers' compensation coverage for the Duration of the Work, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or

misleading information may subject the Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

j. The Contractor's failure to comply with any of these provisions is a breach of Agreement by the Contractor which entitles the Owner to declare the Agreement void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the Owner.

8.1.5 The furnishing of the above listed insurance coverage must be tendered prior to execution of the Agreement, and in no event later than ten (10) calendar days from Notice of Award. Failure to provide the insurance in a timely fashion may result in loss of Contractor's bid bond.

8.1.6 The Contractor shall not cause or allow any of its required insurance to be canceled, nor permit any insurance to lapse during the term of the Agreement or as required in the Agreement. If the Contractor fails to obtain, maintain or renew any insurance required by this Agreement, the Owner may, among other remedies available hereunder or at law, obtain insurance coverage directly and recover the cost of that insurance from the Contractor or declare this Agreement void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the Owner.

8.1.7 The Owner reserves the right to review the insurance requirements set forth in this Article during the effective period of the Agreement and to make reasonable adjustments to the insurance coverage and their limits when deemed necessary and prudent by the Owner based upon changes in statutory law, court decisions, or the claims history of the industry as well as the Contractor.

8.1.8 The Owner shall be entitled, upon request, and without expense, to receive complete copies of the policies with all endorsements and may make any reasonable requests for deletion, or revision or modification of particular policy terms, conditions, limitations, or exclusions, except where policy provisions are established by law or regulation binding upon the Parties or the underwriter of any of such policies. Damages caused by the Contractor and not covered by insurance shall be paid by the Contractor.

8.1.9 Contractor shall be responsible for payment of premiums for all of the insurance coverages required under this Agreement. Contractor further agrees that for each claim, suit or action made against insurance provided hereunder, with respect to all matters for which the Contractor is responsible hereunder, Contractor shall be solely responsible for all deductibles and self-insured retentions. **Any deductibles or self-insured retentions over \$50,000 in the Contractor's insurance must be declared and approved in writing by Owner in advance.**

8.1.10 The Contractor shall contractually require each person or entity with whom it contracts to provide services in relation to the Work, to comply with each and every insurance requirement that Contractor must comply with hereunder. More specifically, each person or entity with whom Contractor contracts to provide services on the in relation to the Work must comply with each insurance requirement under this Article 8 just as if such person or entity was the Contractor. Thus, every reference to Contractor under each insurance requirement of this Article 8 shall mean and include each person or entity with whom Contractor contracts to provide services in relation to the Work. If any such person or entity with whom Contractor contracts to provide services in relation to the Work fails to obtain, maintain or renew any insurance required by this Agreement, the Owner may, among other remedies available

hereunder or at law, obtain insurance coverage directly and recover the cost of that insurance from the Contractor or declare this Agreement void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the Owner.

8.2 INDEMNITY.

8.2.1 INDEMNIFICATION - EMPLOYEE PERSONAL INJURY CLAIMS. TO THE FULLEST EXTENT PERMITTED BY LAW, THE CONTRACTOR SHALL INDEMNIFY, DEFEND (WITH COUNSEL OF OWNER'S CHOOSING), AND HOLD HARMLESS OWNER, AND OWNER'S EMPLOYEES, AGENTS, REPRESENTATIVES, PARTNERS, OFFICERS, AND DIRECTORS (COLLECTIVELY, THE "INDEMNITEES") AND SHALL ASSUME ENTIRE RESPONSIBILITY AND LIABILITY (OTHER THAN AS A RESULT OF INDEMNITEES' GROSS NEGLIGENCE) FOR ANY CLAIM OR ACTION BASED ON OR ARISING OUT OF THE PERSONAL INJURY, OR DEATH, OF ANY EMPLOYEE OF THE CONTRACTOR, OR OF ANY SUBCONTRACTOR, OR OF ANY OTHER ENTITY FOR WHOSE ACTS THEY MAY BE LIABLE, WHICH OCCURRED OR WAS ALLEGED TO HAVE OCCURRED ON THE WORK SITE OR IN CONNECTION WITH THE PERFORMANCE OF THE WORK. CONTRACTOR HEREBY INDEMNIFIES THE INDEMNITEES EVEN TO THE EXTENT THAT SUCH PERSONAL INJURY WAS CAUSED OR ALLEGED TO HAVE BEEN CAUSED BY THE SOLE, COMPARATIVE OR CONCURRENT NEGLIGENCE OF THE STRICT LIABILITY OF ANY INDEMNIFIED PARTY. THIS INDEMNIFICATION SHALL NOT BE LIMITED TO DAMAGES, COMPENSATION, OR BENEFITS PAYABLE UNDER INSURANCE POLICIES, WORKERS COMPENSATION ACTS, DISABILITY BENEFITS ACTS, OR OTHER EMPLOYEES BENEFIT ACTS.

8.2.2 INDEMNIFICATION - OTHER THAN EMPLOYEE PERSONAL INJURY CLAIMS. TO THE FULLEST EXTENT PERMITTED BY LAW, CONTRACTOR SHALL INDEMNIFY, DEFEND (WITH COUNSEL OF OWNER'S CHOOSING), AND HOLD HARMLESS OWNER, AND OWNER'S EMPLOYEES, AGENTS, REPRESENTATIVES, PARTNERS, OFFICERS, AND DIRECTORS (COLLECTIVELY, THE "INDEMNITEES") FROM AND AGAINST CLAIMS, DAMAGES, LOSSES AND EXPENSES, INCLUDING BUT NOT LIMITED TO ATTORNEYS' FEES, ARISING OUT OF OR ALLEGED TO BE RESULTING FROM THE PERFORMANCE OF THIS AGREEMENT OR THE WORK DESCRIBED HEREIN, TO THE EXTENT CAUSED BY THE NEGLIGENCE, ACTS, ERRORS, OR OMISSIONS OF CONTRACTOR OR ITS SUBCONTRACTORS, ANYONE EMPLOYED BY THEM OR ANYONE FOR WHOSE ACTS THEY MAY BE LIABLE, REGARDLESS OF WHETHER OR NOT SUCH CLAIM, DAMAGE, LOSS OR EXPENSE IS CAUSED IN WHOLE OR IN PART BY A PARTY INDEMNIFIED HEREUNDER.

8.3 Except for the obligation of Owner to pay Contractor the Contract Price pursuant to the terms of this Agreement, and to perform certain other obligations pursuant to the terms and conditions explicitly set forth herein, Owner shall have no liability to Contractor or to anyone claiming through or under Contractor by reason of the execution or performance of this Agreement. Notwithstanding any obligation or liability of Owner to Contractor, no present or future partner or affiliate of Owner or any agent, officer, director, or employee of Owner, Williamson County, or of the various departments comprising Williamson County, or anyone claiming under Owner has or shall have any personal liability to Contractor or to anyone claiming through or under Contractor by reason of the execution or performance of this Agreement.

ARTICLE 9 BONDS

9.1 Performance Bond. Upon execution of this Agreement, Contractor shall provide a Performance Bond in the amount of 100% of the Contract Price. The surety for a Performance Bond shall meet the requirements of Texas law.

9.2 Payment Bond. Upon execution of this Agreement, Contractor shall provide a Payment Bond in the amount of 100% of the Contract Price, as security for the true and faithful payment in full of all subcontractors and persons performing labor, services, materials, machinery, and fixtures in connection with the Work. The surety for a Payment Bond shall meet the requirements of Texas law.

ARTICLE 10 TERMINATION

10.1 Termination for Cause. If either party commits an Event of Breach (a breach of any of the covenants, terms and/or conditions of this Agreement), the non-breaching party shall deliver written notice of such Event of Breach to the breaching party. Such notice must specify the nature of the Event of Breach and inform the breaching party that unless the Event of Breach is cured within three (3) business days of receipt of the notice, additional steps may be taken to terminate this Agreement. If the breaching party begins a good faith attempt to cure the Event of Breach within three (3) business days, then and in that instance, the three (3) business day period may be extended by the non-breaching party, so long as the breaching party continues to prosecute a cure diligently to completion and continues to make a good faith attempt to cure the Event of Breach. If, in the opinion of the non-breaching party, the breaching party does not cure the breach within three (3) business days or otherwise fails to make any diligent attempt to correct the Event of Breach, the breaching party shall be deemed to be in breach and the non-breaching party may, in addition to seeking the remedies available hereunder and under the law, terminate this Agreement.

10.2 Termination for Convenience. The Owner may terminate this Agreement for convenience and without cause or further liability upon thirty (30) days written notice to Contractor. In the event of such termination, it is understood and agreed that only the amounts due to Contractor for goods, commodities and/or services provided and expenses incurred to and including the date of termination, will be due and payable. No penalty will be assessed for Owner's termination of this Agreement for convenience.

ARTICLE 11 MISCELLANEOUS PROVISIONS

11.1 Interest and Late Payments. Except as otherwise specifically set forth herein, Owner's payment for goods and services shall be governed by Chapter 2251 of the Texas Government Code. Interest charges for any overdue payments shall be paid by Owner in accordance with Texas Government Code Section 2251.025. More specifically, the rate of interest that shall accrue on a late payment is the rate in effect on September 1 of Owner's fiscal year in which the payment becomes due. The said rate in effect on September 1 shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

In the event that an error appears in an invoice/application for payment submitted by Contractor, Owner shall notify Contractor of the error not later than the twenty first (21st) day after the date Owner receives the invoice/application for payment. If the error is resolved in favor of Contractor, Contractor shall be entitled to receive interest on the unpaid balance of the invoice/application for payment submitted by Contractor beginning on the date that the payment for the invoice/application for payment became overdue. If the error is resolved in favor of the Owner, Contractor shall submit a corrected invoice/application for payment that must be paid in accordance within the time set forth above. The unpaid balance accrues interest as provided by Chapter 2251 of the Texas Government Code if the corrected invoice/application for payment is not paid by the appropriate date.

11.2 Assignment; Successors and Assigns. This Agreement is a personal service contract for the services of Contractor, and Contractor's interest in this Agreement, duties hereunder and/or fees due hereunder may not be assigned or delegated to a third party. This Agreement shall be binding upon and inure to the benefit of parties hereto and their respective successors and assigns.

11.3 Captions. The captions of paragraphs in this Agreement are for convenience only and shall not be considered or referred to in resolving questions of interpretation or construction.

11.4 Governing Law and Venue. This Agreement and all of the rights and obligations of the parties and all of the terms and conditions shall be construed, interpreted and applied in accordance with and governed by and enforced under the laws of the State of Texas without reference to its conflicts of law provisions. Williamson County where the Work site is located shall be the sole place of venue for any legal action arising from or related to this Agreement or the project in which the Owner is a party.

11.5 Waivers. No delay or omission by either party in exercising any right or power arising from non-compliance or failure of performance by the other party with any of the provisions of this Agreement shall impair or constitute a waiver of any such right or power. A waiver by either party of any covenant or condition of this Agreement shall not be construed as a waiver of any subsequent breach of that or of any other covenant or condition of the Agreement.

11.6 Interpretation. In the event of any dispute over the meaning or application of any provision of the Contract Documents, the Contract Documents shall be interpreted fairly and reasonably, and neither more strongly for or against any party, regardless of the actual drafter of the Contract Documents.

11.7 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties and their respective permitted assigns and successors.

11.8 Appointment. Owner hereby expressly reserves the right from time to time to designate by notice to Contractor a representative(s) to act partially or wholly for Owner in connection with the performance of Owner's obligations. Contractor shall act only upon instructions from the designated representative(s) unless otherwise specifically notified to the contrary.

11.9 Audits. Contractor agrees that Owner or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Agreement, have access to and the right to examine and photocopy any and all books, documents, papers and records of Contractor which are directly pertinent to the services to be performed under this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions. Contractor agrees that Owner shall have access during normal working hours to all necessary Contractor facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. Owner shall give Contractor reasonable advance notice of intended audits.

11.10 Severability. Should any term or provision of this Agreement be held invalid or unenforceable in any respect, the remaining terms and provisions shall not be affected and this Agreement shall be construed as if the invalid or unenforceable term or provision had never been included.

11.11 No Waiver of Immunities. Nothing in this Agreement shall be deemed to waive, modify or amend any legal defense available at law or in equity to Owner, its past or present officers, employees, or agents, nor to create any legal rights or claim on behalf of any third party. Owner does not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

11.12 Current Revenues. Under Texas law, a contract with a governmental entity that contains a claim against future revenues is void; therefore, each party paying for the performance of governmental functions or services must make those payments from current revenues available to the paying party.

11.13 Compliance with Laws. Contractor shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals in any matter affecting the performance of this Agreement, including, without limitation, Worker's Compensation laws, minimum and maximum salary and wage statutes and regulations, licensing laws and regulations. When required, Contractor shall furnish the County with certification of compliance with said laws, statutes, ordinances, rules, regulations, orders, and decrees above specified.

11.14 Sales and Use Tax Exemption. Owner is a body corporate and politic under the laws of the State of Texas and claims exemption from sales and use taxes under Texas Tax Code Ann. § 151.309, as amended.

11.15 Texas Public Information Act. To the extent, if any, that any provision in this Agreement is in conflict with Tex. Gov't Code 552.001 *et seq.*, as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that Owner, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any information or data furnished to Owner whether or not the same are available to the public. It is further understood that Owner, its officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that Owner, its officers and employees shall have no liability or obligation to Contractor for the disclosure to the public, or to any person or persons, of any software or a part thereof, or other items or data furnished to Owner by Contractor in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

11.16 Force Majeure. If the party obligated to perform is prevented from performance by an act of war, order of legal authority, act of God, or other unavoidable cause not attributable to the fault or negligence of said party, the other party shall grant such party relief from the performance of this Agreement. The burden of proof for the need of such relief shall rest upon the party obligated to perform. To obtain release based on force majeure, the party obligated to perform shall file a written request with the other party.

11.17 Equal Opportunity in Employment. The parties to this Agreement agree that during the performance of the services under this Agreement they will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The parties to this Agreement will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; termination; rates of pay or other forms of compensation, and selection for training, including apprenticeship.

11.18 Reports of Accidents. Within 24 hours after Contractor becomes aware of the occurrence of any accident or other event which results in, or might result in, injury to the person or property of any third person (other than an employee of the Contractor), whether or not it results from or involves any action or failure to act by the Contractor or any employee or agent of the Contractor and which arises in any manner from the performance of this Agreement, the Contractor shall send a written report of such accident or other event to the County, setting forth a full and concise statement of the facts pertaining thereto. The Contractor shall also immediately send the County a copy of any summons, subpoena,
