1. RESPONSE FORMAT AND SUBMISSION

1.1 Introduction

Each Proposal submitted in response to this RFP should clearly reference those numbered sections of this RFP that require a response. Failure to arrange the Proposal as requested may result in the disqualification of the Proposal.

Though there is not a page limit for Proposals, to save natural resources including paper, and to allow Williamson County staff to efficiently evaluate all submitted Proposals, Williamson County requests that Proposals be orderly, concise, but comprehensive in providing the requested information. Conciseness and clarity of content are emphasized and encouraged. If mailed or delivered in person, please limit additional, non-requested information.

Please provide your Proposal response using:

- 3 8 ½" x 11" pages, inclusive of any cover letter or supporting materials

Failure to provide the required information may result in the disqualification of the Proposal. All pages of the Proposal should be numbered and the Proposal should contain an organized, paginated table of contents corresponding to the sections and pages of the Proposal.

acceptance, may at Williamson County's sole discretion, be rejected as non-responsive.);

I. If the Proposal being submitted will have an effect on air quality for Williamson County (as it relates to any state, federal, or voluntary air quality standard), then the Respondent is encouraged to provide information in narrative indicating the anticipated air quality impact.

The Transmittal Letter should be signed by a person legally authorized to bind the Respondent to the representations in the Transmittal Letter and Proposal. In the case of a joint Proposal, each party must sign the Transmittal Letter.

1.4 Executive Summary

The Respondent should provide an Executive Summary of its Proposal that asserts that the Respondent is providing in its response all of the requirements of this RFP. The Executive Summary must represent a full and concise summary of the contents of the Proposal.

The Executive Summary should not include any information concerning the cost of the Proposal.

The Respondent should identify any services and/or goods that are provided beyond those specifically requested. If the Respondent is providing services and/or goods that do not meet the specific requirements of this RFP, but in the opinion of the Respondent are equivalent or superior to those specifically requested, any such differences should be noted in the Executive Summary. However, the Respondent must realize that failure to provide the services specifically required may, at Williamson County's sole discretion, result in disqualification of the Proposal.

The Respondent also should indicate why it believes that it is the most qualified Respondent to provide the services described in this RFP. The Successful Respondent must demonstrate extensive experience in and understanding required in order to carry out the intent of this project. The Respondent should describe in detail the current and historical experience the Respondent and its subcontractors have that would be relevant to completing the project. References must contain the name of key contacts and a telephone number. The Respondent should briefly state why it believes its proposed services and/or goods best meet Williamson County's needs and RFP requirements, and the Respondent also should concisely describe any additional features, aspects, or advantages of its services and/or goods in any relevant area not covered elsewhere in its Proposal.

1.5 Conflict of Interest

No public official shall have interest in a contract, in accordance with Vernon's Texas Codes Annotated, Local Government Code Title 5, Subtitle C, Chapter 171, as amended. As of January 1, 2006, Respondents are responsible for complying with Local Government Code Title 5, Subtitle C, Chapter

Similarly, any personal or business relationship between the Respondent, the principals, or any affiliate or subcontractor, with any employee or official of Williamson County or its suppliers must be disclosed. Any such relationship that might be perceived or represented as a conflict must be disclosed. Failure to disclose any such relationship or reveal personal relationships with Williamson County employees or officials may be cause for termination. Williamson County will decide if an actual or perceived conflict should result in Proposal disqualification.

By submitting a Proposal in response to this RFP, all Respondents affirm that they have not given, nor intend to give, at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a Williamson County public servant or any employee, official or representative of same, in connection with this procurement.

Each Respondent must provide a Conflict of Interest Statement in accordance with this RFP.

2.1 Ambiguity, Conflict, or other Errors in the RFP

If Respondent discovers any ambiguity, conflict, discrepancy, omission or other error in this RFP, Respondent shall immediately notify Williamson County Purchasing Department of such error in writing and request modification or clarification of the document. Modifications will be made by issuing Addenda. If the Respondent fails to notify Williamson County prior to the date and time fixed for submission of Proposals of an error or ambiguity in the RFP known to Respondent, or an error or ambiguity that reasonably should have been known to Respondent, then Respondent shall be deemed to have waived the error or ambiguity or its later resolution.

Williamson County may also modify the RFP, no later than 48 hours prior to the date and time fixed for submission of Proposals, by issuance of an Addendum. All addenda will be numbered consecutively, beginning with 1.

2.2 Notification of Most Current Address

2.3 Proposal Preparation Cost

Cost of developing Proposals is entirely the responsibility of Respondents and shall not be charged to Williamson County.

2.4 Signature of Respondent

A Transmittal Letter, which shall be considered an integral part of the Proposal, shall be signed by an individual who is authorized to bind the Respondent contractually.

If the Respondent is a Limited Partnership, the name of the Limited Partner's General Partner shall be provided with the signature of the officer authorized to sign on behalf of the General Partner.

If the Respondent is a Sole Proprietor(s) (individual), each Sole Proprietor(s) shall sign. If signature is by an agent, other than the Sole Proprietor(s) or an officer of a Corporation, Limited Liability Company, General Partner or a member of a General Partnership, a power of attorney or equivalent document must be submitted to the Williamson County Purchasing Department prior to contract award.

2.6 Economy of Presentation

Proposals should not contain promotional or display materials, except as they may directly answer in whole or in part questions contained in the RFP. Such exhibits shall be clearly marked with the applicable reference number of the question in the RFP. Proposals must address the technical requirements as specified in the RFP. All questions posed by the RFP must be answered concisely and clearly. Proposals that do not address each criterion may be, at the sole discretion of Williamson County, rejected and not considered.

2.7 Proposal Obligation

The contents of the RFP, Proposal and any clarification thereof submitted by the Successful Respondent shall become part of the contractual obligation and incorporated by reference into the Contract and any ensuing agreement.

2.8 Compliance with RFP Specifications

It is intended that this RFP describe the requirements and the response format in sufficient detail to secure comparable Proposals. Failure to comply with all provisions of the RFP may, at the sole discretion of Williamson County, result in disqualification.

2.9 Evaluation

Williamson County reserves the right to use all pertinent information (also learned from sources other than disclosed in the RFP process) that might affect Williamson County's judgment as to the appropriateness of an award to the best evaluated Respondent. This information may be appended to the Proposal evaluation process results. Information on a Respondent from reliable sources, and not within the Respondent's Proposal, may also be noted and made part of the evaluation file. Williamson County shall have sole discretion for determining the reliability of the source. Williamson County reserves the right to conduct written and/or oral discussions/interviews after the Proposal opening. The purpose of such discussions/interviews is to provide clarification and/or additional information to make an award that is in the best interest of Williamson County.

2.10 Withdrawal of Proposal

The Respondent may withdraw its Proposal by submitting a written request over the signature of an authorized individual, as described herein above, to the Williamson County Purchasing Department any time prior to the submission deadline. The Respondent may thereafter submit a new Proposal prior to the deadline. Withdrawal of a Proposal after the deadline will be subject to written approval of the Williamson County Purchasing Agent.

2.11 Responsibility

It is expected that a Respondent will be able to affirmatively demonstrate Respondent's responsibility. Respondent should be able to meet the following requirements:

- a) have adequate financial resources, or the ability to obtain such resources as required;
- b) be able to comply with the required or proposed delivery schedule;

2.13 Silence of Specifications

The apparent silence of any RFP specifications as to any detail or to the apparent omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

Respondent hereby agrees and acknowledges that venue and jurisdiction of any suit, right, or cause of action arising out of or in connection with this RFP, the Contract and any ensuing Agreement shall lie exclusively in either Williamson County, Texas or in the Austin Division of the Western Federal District of Texas, and the parties hereto expressly consent and submit to such jurisdiction. Furthermore, except to the extent that this RFP, the Contract and any ensuing Agreement is governed by the laws of the United States, this RFP, the Contract and any ensuing Agreement shall be governed by and construed in accordance with the laws of the State of Texas, excluding, however, its choice of law rules.

3.2.2 Incorporation by Reference and Precedence

The Contract shall be derived from (1) the RFP and its Addenda; and (2) the Respondent's Proposal. In the event of a dispute under the Contract, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) the RFP and its Addenda; and (2) the Respondent's Proposal.

In the event Williamson County requires that an ensuing Agreement be executed following award and a dispute arises between (1) terms and conditions of the ensuing Agreement, (2) the RFP, and its Addenda; and (3) the Respondent's Proposal, applicable documents will be referred to for the purpose of

Clarification or for additional detail in the following order of precedence: (1) terms and conditions of the ensuing Agreement and its Addenda, (2) the RFP and its Addenda; and (3) the Respondent's Proposal.

3.2.3 Ownership of Proposal

Each Proposal shall become the property of Williamson County upon submittal and will not be returned to Respondents unless received after the submittal deadline.

3.2.4 Disqualification of Respondent

Upon signing and submittal of the Proposal, a Respondent offering to sell supplies, materials, services, or equipment to Williamson County certifies that the Respondent has not violated the antitrust laws of this state codified in Section 15.01, et seq, Business & Commerce Code, or the Federal Antitrust Laws, and has not communicated directly or indirectly the offer made to any competitor or any other person engaged in such line of business. Any or all Proposals may be rejected if Williamson County believes that collusion exists among the Respondents.

3.2.5 Funding

County intends to budget and make sufficient funds available and authorize funds for expenditure to finance the costs of the Contract. Respondents understand and agree that the County's payment of amounts under the Contract shall be contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to make payments under the Contract.

3.2.6 Assignment, Successors and Assigns

The Successful Respondent may not assign, sell, or otherwise transfer the Contract or any other rights or interests obtained under the Contract without written permission of the Williamson County Commissioners Court. The Contract and any ensuing Agreement shall be binding upon and inure to the benefit of the contracting parties and their respective successors and permitted assigns.

3.2.7 Implied Requirements

Products and services not specifically described or required in the RFP, but which are necessary to provide the functional capabilities described by the Respondent, shall be deemed to be implied and included in the Proposal.

3.2.8 Termination

3.2.8.1 Termination for Cause: Williamson County reserves the right to terminate the Contract and/or any ensuing Agreement for default if the Successful Respondent breaches any of the RFP Specifications, Terms and Conditions, including warranties of Respondent, if any, or if the Successful Respondent becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies Williamson County may have at law or in equity or as may otherwise be provided herein. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all other requirements to Williamson County's satisfaction, and/or to meet all other obligations and requirements.

3.2.8.2 Termination for Convenience: Williamson County may terminate the Contract and/or any ensuing Agreement for convenience and without cause or further liability, upon no less than thirty (30) calendar days written notice to Successful Respondent. Williamson County reserves the right to extend this period if it is in the best interest of the County. In the event Williamson County exercises its right to terminate without cause, it is understood and agreed that only the amounts due to the Successful Respondent for goods, commodities and/or services provided and expenses incurred to and including the date of termination, will be due and payable. No penalty will be assessed for Williamson County's termination for convenience.

3.2.9 Non-Performance

It is the objective of Williamson County to obtain complete and satisfactory performance of the requirements set forth herein. In addition to any other remedies available at law, in equity or that may be set out herein, failure to perform may result in a deduction of payment equal to the amount of the goods

and/or services that were not provided and/or performed to the County's satisfaction. In the event of such non-performance, the County shall have the right, but shall not be obligated, to complete the services itself or by others and/or purchase the goods from other sources. If the County elects to acquire the goods or perform the

services itself or by others, pursuant to the foregoing, the Successful Respondent shall reimburse the County, within ten (10) calendar days of demand, for all costs incurred by the County (including, without limitation, applicable, general, and administrative expenses, and field overhead, and the cost of necessary equipment, materials, and field labor) in correcting the nonperformance which the Successful Respondent fails to meet pursuant to the requirements set out herein. 3.2.10 Proprietary Information and Texas Public Information Act

All material submitted to the County shall become public property and subject to the Texas Public Information Act upon receipt. If a Respondent does not desire proprietary information in the Proposal to be disclosed, each page must be clearly identified and marked proprietary at time of submittal or, more preferably, all proprietary information may be placed in a folder or appendix and be clearly identified and marked as being proprietary.
