RE: Recommendation for Land Records Software

Dear Brenda;

After much discussion, cost calculations, reference checking, function comparisons, equipment review, demonstrations and visits to other clerks' offices, the committee has come to the conclusion that Tyler Eagle Recording system and its components would be the best fit for replacing the Thomson Reuters Aumentum system that we currently have.

Sincerely,

A handwritten signature in blue ink that reads "Nancy E. Rister". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
