Re: A drainage improvement project in the Forest North residential subdivision, spanning seven zones of the subdivision, an approximate 145 acre project area bounded by FM 620 to the north, Parmer Lane on the east, Anderson Mill Road on the south and US 183/Research Blvd. on the west. Construction activities total approximately 6.6 acres of the project area and have potential to encounter previously undetected karst features with theoretical/possible impacts to karst habitat; WCCF file #20160715.

Dear Judge Gattis:

The following determination of fees relates to the referenced project as a condition of participation under the Williamson County Regional Habitat Conservation Plan (RHCP). A review of the proposed project has been conducted in accordance with the RHCP and is based on supporting documents from the application Environmental Due Diligence Documentation. Accordingly, the Williamson County Conservation Foundation makes the following determination as to this application:

- 1. The enrollment fee for participation for the referenced project will be \$700.00. (Seven Hundred and No Hundredths Dollars). This fee is calculated using the acreage in the Edwards Limestone geological karst zone, which totals approximately 6.6 disturbance acres. (6.6 acres x \$100/acre rounded up to the nearest acre).**
- 2. Please notify this office as soon as possible – by email to wccf@wilco.org or by fax to 512-943-1931 – of agreement to these participation terms.**
- 3. A Participation Agreement based on the terms outlined in this Letter will be delivered to you for execution upon receipt of the participation fee. Please have the appropriate individuals sign where indicated.**
- 4. A portion of the Participation Agreement (“Memorandum of Participation”) is to be filed in the deed records of Williamson County. Please return a signed copy of the Participation Agreement to us. If you wish the WCCF to handle filing and to bill you for the associated fee, please indicate in the space at the bottom of this letter. Otherwise, please contact this office for filing instructions.**

Subsequent to WCCF’s receipt of the original recorded copy, this office will 1) provide a copy for your file, and, upon request, 2) prepare and mail a participation

certificate. Although the certificate is not an official document, it may be posted at the project site as notification to interested parties of participation in the Williamson County RHCP.

Should you have any questions about this letter, please contact WCCF.

Sincerely,

Gary D. Boyd
Director, Environmental Programs
Williamson County Conservation Foundation
