SUBJECT MARKERS: 2017 Official Texas Historical Marker SPONSORSHIP APPLICATION

Filing of the application for sponsorship is for the purpose of providing basic information to be used in the evaluation process. The final determination of eligibility and approval for a state marker will be made by the THC. This form is to be used for subject marker requests only. SUBJECT MARKERS

Purpose

Subject markers are educational in nature and reveal aspects of local history important to a community or region. These markers honor topics such as schools, communities, businesses, events and individuals. Subject markers are placed at sites that have historical associations with the topics, but no legal restriction is placed on the use of the property or site, although the THC must be notified if the marker is ever to be relocated.

TEXAS HISTORICAL COMMISSION

Criteria

1. **Age:** Most topics marked with subject markers must date back at least 50 years, although historic events may be marked after 30 years, and individuals of historic importance may be marked, or may be mentioned in a historical marker text, after they have been deceased 10 years. The THC may waive age requirements for topics of overwhelming state or national importance, although exceptions are rarely granted and the burden of proof for all claims and documentation is the responsibility of the narrative author.
2. **Historical significance:** A topic is considered to have historical significance if it had influence, effect or impact on the course of history or cultural development; age alone does not determine significance.

APPLICATION PROCEDURES

Any individual, group or county historical commission (CHC) may apply to the THC to request an Official Texas Historical Marker for what it deems a worthy topic. Only complete marker applications that contain all the required elements can be accepted or processed by the THC. For subject markers, the required elements are sponsorship application form, narrative history and documentation.

- Completed applications must be duly reviewed, verified and approved by the CHC in the county in which the marker will be placed.
- The sponsorship application form, narrative history and documentation must be in the form of Microsoft Word or Word-compatible documents and submitted by email attachments to the THC no later than November 15, 2016. Paper copies of applications, whether mailed or delivered in person, cannot be accepted in lieu of the electronic version. THC email accepts mail no larger than 10 MB. You may split the application and materials into separate emails. Please note this in the email subject line.
- Required font style and type size are a Times variant and 12-point.
- Narrative histories must be typed in a double-spaced (or 1.5-spaced) format and include separate sections on context, overview and significance.
- The narrative history must include documentation in the form of reference notes, which can be either footnotes or endnotes. Documentation associated with applications should be broad-based and demonstrate a survey of available resources, both primary and secondary.
- **The CHC or Marker Chair will forward the application and narrative history to markerapplication@thc.texas.gov.**
- Upon notification of the successful preliminary review of required elements by the THC, a non-refundable application fee of \$100 is required. Please send payment with the invoice which THC provides. Payment of the application fee does not guarantee approval of the historical marker.
- A copy or scan of proof of current ownership is required to verify the property owner information listed on the application (page 6). Both items are due by December 9, 2016 unless the marker will be placed on a TxDOT right-of-way. You may access this information through county appraisal or tax records.

Once marker applications have passed preliminary review and the application fee and signed proof of property ownership have been received by THC, the application will be scored to determine whether the marker will be submitted to the Commissioners of the THC for final approval.
