Proposal: Williamson County Expo Center Lintel Seals

Subject to the conditions listed below, we propose to furnish and install the following:

# SECTION 083323 OVERHEAD COILING DOORS

Install "Z" lintel brush seals above the following doors only. 1ea, Mark, 103AB.
3ea, Mark, 130AE, 130BB, 130BE.

\$ 2,083.00

Sales tax is excluded. Cost of bond is excluded. We acknowledge addenda 1-3.

### This proposal is based on the following conditions:

- 1. Special insurance requirements may cost additional premiums. Any additional insurance premiums will be added to this proposal amount. Attached is a description of our standard insurance package.
- 2. Protection of our work "in place" is not our responsibility. We will not be responsible for damage to our work caused by other parties or by the improper use of equipment by others.
- 3. We will NOT indemnify or "hold harmless" any party from claims attributable to bodily injury, sickness, disease or death, or to damage or destruction of tangible property, where such claim or damage is caused "in whole" by any other party. We will NOT indemnify any other party from the consequences of their own negligence. If you accept this proposal, then you agree that any such language in your subcontract agreement will be superceded by this proposal.
- 4. In the event that our contract/subcontract agreement is with a general contract or construction management firm, then we will look to same for payment of our work. Any subcontract language which states that payment by owner to contractor shall be a "condition precedent" to payment by contractor to subcontractor will be superceded by this proposal. Nothing in the subcontract agreement shall be construed to require us to continue performance of the work if we do not receive timely payment for properly performed work and for suitable stored materials.
- 5. This bid is conditioned on parties entering into a mutually acceptable subcontract agreement. If the parties do not agree on the form of subcontract, then they will execute an American Institute of Architect's A401-1997 form subcontract.
- 6. Venue of any disputes hereunder or arising from the Project will be in the County where the Project is located.
- 7. The contractor's schedule shall provide time for us to perform our work between the hours of 7:30 a.m. and 6:00 p.m. on weekdays. This proposal does not include provision for our being required to perform overtime work for delays not caused by us.
- 8. Unless noted otherwise, all applicable state and local taxes are not included and should be added.
- 9. All openings to be properly framed by the general contractor and ready to receive our material.
- 10. All finished painting is by others unless material is specifically noted as pre-finished.
- 11. We exclude countertops and sills unless specifically noted otherwise.
- 12. Lead time for this material is approximately 6 weeks after field dimensions.

- 13. We will successfully "Drop Test", with a witness, a counter fire door one time only. Any additional drop tests and re-set of the door will be an additional charge.
- 14. Prices are subject to change if not accepted within 60 days.
- 15. No changes will be performed except on the written order of the Contractor; Subcontractor is entitled to equitable adjustment in the subcontract price and time for such changes.

### This proposal excludes the following:

- 1. We exclude all wire, conduit and wiring for power and controls
- 2. We exclude extension and hook-up of wiring for SS90B release devices, smoke or fire alarms, smoke detectors, photo eyes or sensors, pneumatic or electrical safety edges, etc., that are tied into the building alarm system.
- 3. Alamo Door Systems will not be responsible for wiring of any type unless noted otherwise.
- 4. Alamo Door Systems will make final connections only.

## This proposal is subject to the following terms:

- 1. All orders are subject to credit approval and are C.O.D. unless credit has been approved.
- 2. If credit has not been approved, a 50% deposit will be required with the order with the balance due at the time of the installation.
- 3. Cash, checks and credit cards are accepted.
- 4. Subcontractor will not be required to furnish releases or waivers of bond or lien claims beyond the extent of collected payments.

Very truly yours,
