Subject: Recommendation for Resurface, Milling and Overlay University Blvd – 1611-130

After reviewing all of the pertinent information, it appears that Austin Materials submitted the overall lowest and best offer for the 1611-130 project bid, Resurface, Milling and Overlay on University Blvd from CR 110 to SH 130.

I recommend to the Williamson County Commissioner's Court that they award Austin Materials the contract for the Resurface, Milling and Overlay on University Blvd from CR 110 to SH 130 project.

Please feel free to contact me if you have any questions or concerns.

Sincerely,

Doug Woodall, P.E.
Acting Director of Road & Bridge
