RE: Williamson County – Forest North Drainage Improvements
Drainage Easement and Temporary Construction Easement at 9306
Meadowheath Drive

Dear Mr. and Mrs. Tyrone:

I am again writing on behalf of Williamson County, Texas regarding the Forest North Drainage Improvement Project. I am glad that we have been able to reach an agreement for the acquisition of the enclosed easements on your property at 9306 Meadowheath Drive (the "Easements"). Please allow this letter to set out our agreement for the County's purchase of the Easements.

In return for granting the Easements, the County will pay you the total sum of \$2,400.00.

As we discussed, the enclosed easements reflect the most recent plan you discussed with the County, which allows for all of your trees to remain on the property.

If this meets with your understanding, please execute this letter where indicated and return it to me. Please also execute the Easements with a notarized signature and return them to me.

In order to process your payment, the County also needs a completed W-9 tax form. Please complete the enclosed W-9 and return it to me.

Upon receipt of this letter and the Easements signed by you, we will have the letter executed by the County Judge and processed for payment as quickly as possible. I will return a copy of the fully executed letter to you. The Easements will not be recorded until I have delivered the payment to you.

Please feel free to contact me at any time if you have any questions or concerns. It has been a pleasure working with you to resolve these issues.

Sincerely,

Brian J. Knowles

KNOW ALL BY THESE PRESENTS:

That ROBERT C. TYRONE AND MELISSA J. TYRONE, and their successors and assigns (hereinafter referred to as "Grantor"), for and in consideration of the sum of One and No/100 Dollars (\$1.00) and other good and valuable consideration paid by WILLIAMSON COUNTY, TEXAS (hereinafter referred to as "Grantee"), the receipt and sufficiency of which is hereby acknowledged, does hereby GRANT, SELL and CONVEY unto Grantee a Temporary Construction Easement, in, upon, over, under, above and across the following described Property of Grantor, to-wit:

See Exhibit "A" note, describing a proposed T.C.E. being a 1,425 square foot tract of land situated in the Elisha Allen Survey, Williamson County, Texas, being a portion of Lot 273, of Forest North Estates Phase Two, a subdivision according to the plat thereof recorded in Cabinet B, Slide 278-281 of the plat records of Williamson County, Texas, and being conveyed to Robert C. Tyrone and Melissa J. Tyrone by instrument recorded in Document No. 9660897 of the Official Records of Williamson County, Texas, attached hereto and made a part hereof for all intents and purposes.

Such temporary construction easement shall be for the purpose of allowing Grantee, or its agents, to construct, install, maintain, inspect, reconstruct, rebuild, repair, abandon in place, and remove drainage lines and associated facilities, appurtenances and grading on adjacent property within permanent easement areas or right of way held or owned by Grantee, and generally in accordance with the notes, details, specifications or other requirements or restrictions as shown on the plan sheets attached as Exhibit "B" and incorporated herein. This conveyance is made and accepted subject to any and all conditions and restrictions, if any, relating to the hereinabove described property, to the extent, and only to the extent, that the same may still be in force and effect, shown of record in the office of the County Clerk of Williamson County, Texas.

Grantee shall have the right and privilege at any and all times to enter said premises, or any part thereof, for the purpose of construction, maintenance, abandonment and/or removal of drainage line and related improvements and grading in the adjacent permanent easement or right of way areas, and for making connections therewith; all upon the condition that upon completion of construction of the improvements and connections referenced herein, Grantee shall repair and restore the surface of said premises and improvements as nearly as is reasonably possible to the condition which the Property was in before the work was undertaken given the uses of the Property, including repair or replacement of any fencing, landscaping, ornamental trees, driveway, walkway, irrigation, or other vegetative material.

At no time during the grant of this easement shall Grantor be denied reasonable driveway ingress and egress to its property for the purposes to which the parent tract is currently being put, unless there is an agreement between Grantor and Grantee in advance.

This Temporary Construction Easement shall expire upon the earlier of (1) twelve (12) months after the date the Grantee, its agents or assigns first take possession of the property for the purposes identified herein, or (2) December 31, 2017.

Grantee hereby covenants and agrees:

- (a) To the extent allowed by law, Grantee shall indemnify Grantor against any loss and damage which shall be caused by the exercise of the rights of ingress and egress or by any wrongful or negligent act or omission of Grantee's agents or employees in the course of their employment.
- (b) Grantor also retains, reserves, and shall continue to enjoy the surface of such Temporary Construction Easement for any and all purposes which do not interfere with and prevent the use by Grantee of the Temporary Construction Easement.

TO HAVE AND TO HOLD the rights and interests described unto Grantee and its successors and assigns, forever, and Grantor does hereby bind itself, its successors and assigns, and legal representatives, to warrant and forever defend, all and singular, the above-described Temporary Construction Easement and rights and interests unto Grantee, its successors and assigns, against every person whomsoever lawfully claiming, or to claim same, or any part thereof.
