RECITALS

ARIC is a collaborative effort of public safety agencies in Hays, Travis and Williamson Counties. Current Partner Agencies work together to provide resources, expertise, and information to the ARIC. ARIC focuses on regional public safety data analysis. The mission of ARIC is to maximize the ability to detect, prevent, apprehend, and respond to criminal and terrorist activity.

During the summer and fall of 2010, each of the original 10 Partner Agencies' governing bodies ("Original Partner Agencies") approved an interlocal cooperation agreement that established and outlined the intent of the Original Partner Agencies to centralize efforts and co-locate certain intelligence operations (Original ARIC Agreement). Further, the Original ARIC Agreement established a framework for the organization of the ARIC. The Original ARIC Agreement set out a common understanding of the policies and procedures that the ARIC currently follows in providing criminal intelligence and coordination of law enforcement service to the citizens in the Austin-Round Rock metropolitan area.

During the summer and fall of 2012, each of the Original Partner Agencies' governing bodies approved a second Interlocal Cooperation Agreement that established a funding mechanism to sustain the operations of the ARIC (ARIC Sustainment Funding Agreement).

Section XIII of the Original ARIC Agreement and section seven of the ARIC Sustainment Funding Agreement permit these agreements to be amended to add additional partner agencies. Upon approval of an amendment adding a new partner agency or agencies by the Partner Agencies' governing bodies, each New Partner Agency must execute a Counterpart Original ARIC Agreement and a Counterpart ARIC Sustainment Funding Agreement.

The two purposes of this Amendment Two to the Original ARIC Agreement are to add the New Partner Agencies to the Original ARIC Agreement and to authorize the City of Austin to enter into separate collateral agreements with non-governmental entities, as necessary, to provide these non-governmental entities with obligations and benefits equivalent to Partner Agencies.

Legal authority for amending and entering into these Agreements by the Current Partner Agencies and New Partner Agencies is found in the Interlocal Cooperation Act, Texas Government Code Chapter 791 and the Interagency Cooperation Act, Texas Government Code Chapter 771.

NOW, THEREFORE, the New Partner Agencies agree to adopt and be bound by the Original ARIC Agreement as amended by Amendment One. A copy of the fully executed Original ARIC Agreement is attached to this Amendment, and a single executed counterpart copy of Amendment One, which was executed in multiple counterparts, is also attached to this Amendment.

The Partner Agencies all agree to amend the Original ARIC Agreement as amended by Amendment One as follows:

The City of Austin is authorized to enter into separate collateral agreements, as necessary, to allow agencies that are not state agencies, local governments, or other agencies that are authorized to contract with each other under Chapters 771 and 791 of the Government Code (non-governmental agencies) to assume obligations and receive benefits equivalent to Partner Agencies (Partner Equivalent Agencies). To qualify for consideration to become a Partner Equivalent Agency, a nongovernmental agency must utilize a full-service law enforcement component that employs police officers licensed by the State of Texas and vested with full law enforcement powers and responsibilities. Before any non-governmental agency becomes a Partner Equivalent Agency, that non-governmental agency must first be agreed upon by a majority of the Executive Board, with approval by the Chair. Upon approval by the Executive Board and Chair, the approved non-governmental agency is recommended to the City of Austin City Council which must approve each agreement to create a Partner Equivalent Agency before any approved non-governmental agency seeking to become a Partner Equivalent Agency may be offered that agreement. Such an agreement must include the same terms of understanding contained in the Original ARIC Agreement in substantially the same format as the Original ARIC Agreement.
