***In re:           Notice of Contract Termination (Steri-Safe)***

To Whom It May Concern:

As you are aware, Williamson County EMS is currently in a contract with your company for disposal services. The Williamson County Commissioners Court, as the legislative body for the county, has decided to make changes in this category of services, including the present contract. Pursuant to the Addendum for Paragraph 2 of the contract document, which allows for termination with a sixty (60) day notice:

**Either party may terminate this agreement for convenience and without cause or further liability upon sixty (60) days written notice ...**

Therefore, the purpose of this letter is to give you official notice that Williamson County elects to terminate the agreement between the parties, and such termination will be effective in sixty (60) calendar days.

Thank you for your prompt attention and assistance in this regard.

Sincerely,

---
