Terms and Conditions on following page(s)

- 1. SERVICES RENDERED; WASTE MATERIALS.** Customer grants to Company the exclusive right, and Company through itself and its subsidiaries and corporate affiliates, shall furnish equipment and services, to collect and dispose of and/or recycle all of Customer's Waste Materials at Customer's Service Address(es) listed on the Service Summary. Customer represents and warrants that the materials to be collected under this Agreement shall be only "Waste Materials" as defined herein. For purposes of this Agreement, "Waste Materials" means all non-hazardous solid waste, organic waste and Recyclable Materials (as defined in Section 12 below) generated by Customer or at Customer's Service Address. Waste Materials includes Special Waste, such as industrial process wastes, asbestos-containing wastes, petroleum contaminated soils, treated/de-characterized wastes, and demolition debris, for which Customer shall complete a Special Waste Profile sheet to be approved by Company in writing. Waste Materials excludes, and Customer agrees not to deposit or permit the collection of: any waste fires, radioactive, volatile, corrosive, flammable, explosive, biomedical, infectious, bio-hazardous, regulated waste or hazardous waste, toxic substance or material, as defined by, characterized or listed under applicable federal, state, or local laws or regulations, any materials containing information protected by federal, state or local privacy and security laws or regulations (unless tendered to Company an additional Exhibit L to this Agreement), or Special Waste not approved in writing by Company (collectively, "Excluded Materials"). Title to and liability for Excluded Material shall remain with Customer at all times. Title to Customer's Waste Materials is transferred to Company upon Company's receipt or collection unless otherwise provided in this Agreement or applicable law.
- 2. TERM.** The Term of this Agreement is set forth on the Service Summary of this Agreement. Unless otherwise specified on the Service Summary, the Term shall automatically renew for the period set forth therein unless either party gives to the other party written notice (See Section 11(e)) of termination at least ninety (90) days, but not more than one hundred eighty (180) days, prior to the termination of the then-existing term. Notice of termination received at any other time will be considered ineffective and the contract will be considered automatically renewed upon completion of the then-existing term.
- 3. SERVICES GUARANTY; CUSTOMER TERMINATION.** If the Company fails to perform the services described within five business days of its receipt of a written demand from Customer (See Section 11(e)), Customer may terminate this Agreement with the payment of all monies due through the termination date. If Company increases the Charges payable by Customer hereunder for reasons other than as set forth in Section 4 below, Customer shall have the right to terminate this Agreement by written notice to the Company no later than thirty (30) days after Company notifies Customer of such increase in Charges in writing. If Customer so notifies Company of its termination of this Agreement, such termination shall be of no force and effect if Company withdraws or removes such increase within fifteen (15) days after Customer provides timely notification of termination. Absent such termination, the increased Charges shall be binding and enforceable against Customer under this Agreement.
- 4. CHARGES; PAYMENTS; ADJUSTMENTS.** Upon receipt of an invoice, Customer shall pay any and all charges, fees and other amounts payable under this Agreement for the services and/or equipment (including repair and maintenance) furnished by Company ("Charges"). Company reserves the right to increase the Charges payable by Customer during the Term: (a) for any changes to, or differences between, the actual equipment and services provided by Company to Customer and those specified on the Service Summary; (b) for any change in the composition of the Waste Materials or if the average weight per yard of Customer's Waste Materials exceeds the amount specified on the Service Summary; (c) for any increase in or other modification to the Company's Fuel Surcharge, Regulatory Cost Recovery Charge, Recycle Material Offset, Environmental Charge, and/or any Fees/Charges included in the Service Summary; (d) to cover any increases in disposal and/or third party transportation costs, including fuel surcharges; (e) to cover increased costs due to uncontrollable circumstances, including, without limitation, changes in local, state or federal laws or regulations, imposition of taxes, fees or surcharges or acts of God such as floods, fires, hurricanes and natural disasters; and (f) no more often than annually from the Effective Date (or if specified on the Service Summary, Customer's Last Annual Price Increase ("API") Date) for increases in any Consumer Price Index or components thereof applicable to the Services provided under this Agreement plus four percent of the then current Charges. Any increase in Charges enumerated in clauses (a) through (e) above may include an amount for Company's operating or profit margin. Company also reserves the right to charge Customer additional charges if additional services are provided as needed to Customer, including, but not limited to: container relocation or removal; gate, enclosure or roll out services; account resume services; and extra trip charges. In the event Company adjusts the Charges as provided in this Section 4, the parties agree that this Agreement as so adjusted will continue in full force and effect. Increases for reasons other than as specified herein are subject to Customer's rights under Section 3.
- Any Customer invoice balance not paid within thirty (30) days of the date of invoice is subject to a late charge, and any Customer check returned for insufficient funds is subject to a Non Sufficient Funds fee, both to the maximum extent allowed by applicable law. Customer acknowledges that any late charge charged by the Company is not to be considered as interest on debt, is not a penalty, and is a reasonable charge for late payment. In the event that payment is not made when due, Customer retains the right to suspend service until the past due balance is paid in full. If Company reinstates suspended services after receipt of an outstanding balance, Customer shall pay a reactivation charge. In the event that service is suspended in excess of fifteen (15) days, Company may terminate this Agreement for such default and recover any equipment and all amounts owed hereunder, including liquidated damages under Section 7.
- 5. CHANGES.** Changes in the frequency of collection service, schedule, number, capacity and/or type of equipment, and any changes to amounts payable under this Agreement, may be agreed to orally, in writing, by payment of the invoice or by the actions and practices of the parties. If Customer changes its Service Address during the Term, this Agreement shall remain valid and enforceable with respect to services rendered at Customer's new service location if such location is within Company's service area.
- 6. EQUIPMENT, ACCESS.** All equipment furnished by Company shall remain its property; however, Customer shall have care, custody and control of the equipment and shall be liable for all loss or damage to the equipment and for its contents while at Customer's location. Customer shall not overload, move or alter the equipment or allow a third party to do so, and shall use it only for its intended purpose. At the termination of this Agreement, Customer shall return the equipment to Company in the condition in which it was provided, normal wear and tear excepted. Customer shall provide safe and unobstructed access to the equipment on the scheduled collection day. Company may suspend services or terminate this Agreement in the event Customer violates any of the requirements of this provision. Customer shall pay, if charged by Company, an additional fee for any service modifications caused by or resulting from Customer's failure to provide access. Customer warrants that Customer's property is sufficient to bear the weight of Company's equipment and vehicles and that Company shall not be responsible for any damage to the Customer's pavement or any other surface resulting from the equipment or Company's services.
- 7. LIQUIDATED DAMAGES.** In the event Customer terminates this Agreement prior to the expiration of the Initial or Renewal Term ("Term") for any reason other than as set forth in Section 3, or in the event Company terminates this Agreement for Customer's default, Customer shall pay the following liquidated damages in addition to the Company's legal fees, if any: (a) if the remaining Term (including any applicable Renewal Term) under this Agreement is six or more months, Customer shall pay the average of its six most recent monthly Charges (or, if the Effective Date is within six months of Company's last invoice date, the average of all monthly Charges) multiplied by six; or (b) if the remaining Term under this Agreement is less than six months, Customer shall pay the average of its six most recent monthly Charges multiplied by the number of months remaining in the Term. Customer shall pay liquidated damages of \$100 for every Customer waste tire that is found at the disposal facility. Customer acknowledges that the actual damage to Company in the event of termination is impractical or extremely difficult to fix or prove, and the foregoing liquidated damages amount is reasonable and commensurate with the anticipated loss to Company resulting from such termination and is an agreed upon fee and is not imposed as a penalty.
- 8. INDEMNIFY.** The Company agrees to indemnify, defend and save Customer, its parent, subsidiaries, and corporate affiliates, harmless from and against any and all liability which Customer may be responsible for or pay out as a result of bodily injuries (including death), property damage, or any violation or alleged violation of law, to the extent caused by any negligent act or omission or willful misconduct of the Company or its employees, which occurs (a) during the collection or transportation of Customer's Waste Materials, or (b) as a result of the disposal of Customer's Waste Materials in a facility owned by the Company or a Waste Management company, provided that the Company's indemnification obligations will not apply to occurrences involving Excluded Materials. Customer agrees to indemnify, defend and save the Company, its parent, subsidiaries, corporate affiliates and their joint venture partners, harmless from and against any and all liability which the Company may be responsible for or pay out as a result of bodily injuries (including death), property damage, or any violation or alleged violation of law to the extent caused by Customer's breach of this Agreement or by any negligent act or omission or willful misconduct of the Customer or its employees, agents or contractors or Customer's use, operation or possession of any equipment furnished by the Company. Neither party shall be liable to the other for consequential, incidental or punitive damages arising out of the performance or breach of this Agreement.
- 9. RIGHT OF FIRST REFUSAL.** Customer grants to Company a right of first refusal to match any offer relating to services similar to those provided hereunder which Customer receives (or intends to make) upon termination of this Agreement for any reason and Customer shall give Company prompt written notice of any such offer and a reasonable opportunity to respond to it.
- 10. DISPUTE RESOLUTION-ARBITRATION AGREEMENT AND CLASS ACTION WAIVER, BINDING ARBITRATION:** Except for those claims expressly excluded below (EXCLUDED CLAIMS), Customer and Company agree that ANY and all existing or future controversy or claim between them arising out of or related to this Agreement or any prior agreements between the parties, whether based in contract, law or equity or alleging any other legal theory, or arising prior to, in connection with, or after the termination of this Agreement or any other agreements, shall be resolved by mandatory binding arbitration (see www.wm.com for details on arbitration procedures). **CLASS ACTION WAIVER:** Customer and Company agree that under no circumstances, whether in arbitration or otherwise, may customer bring any claim against the Company, or allow any claim that the Customer may have against the Company to be asserted, as part of a class action, on a consolidated or representative basis or otherwise aggregated with claims brought by, or on behalf of, any other entity or person, including other customers of the Company. **EXCLUDED CLAIMS:** The following are not subject to mandatory binding arbitration: (A) either party's claims against the other in connection with bodily injury or real property damage and for environmental indemnification, and (B) Company's claims against Customer for collection or payment of Charges, damages (liquidated or otherwise) or any other amounts due or payable to the Company by the Customer under this Agreement or any prior agreements between the parties, but Customer and Company may mutually agree to arbitrate any Excluded Claims.
- 11. MISCELLANEOUS.** (a) Except for the obligation to make payments hereunder, neither party shall be in default for its failure to perform or delay in performance caused by events or significant threats of events beyond its reasonable control, whether or not foreseeable, including, but not limited to, strikes, labor trouble, riots, imposition of laws or governmental orders, fires, acts of war or terrorism, acts of God, and the inability to obtain equipment, and the affected party shall be excused from performance during the occurrence of such events. (b) This Agreement shall be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns. (c) This Agreement represents the entire agreement between the parties and supersedes any and all other agreements for the same services, whether written or oral, that may exist between the parties. (d) This Agreement shall be construed in accordance with the law of the state in which the services are provided. (e) All written notification to Company required by this Agreement shall be by Certified Mail, Return Receipt Requested to Company's address on the first page of the Service Summary. (f) If any provision of this Agreement is declared invalid or unenforceable, then such provision shall be severed from and shall not affect the remainder of this Agreement, however, the parties shall amend this Agreement to give effect, to the maximum extent allowed, to the intent and meaning of the severed provision. (g) In the event the Company successfully enforces its rights against Customer hereunder, the Customer shall be required to pay the Company's attorneys' fees and court costs.
- 12. RECYCLING SERVICES.** The following shall apply to fiber and non-fiber recyclables ("Recyclable Materials") and recycling services:
- (i) Single stream, commingled Recyclable Materials ("Single Stream") will consist of 100% of Customer's clean, dry, paper or cardboard without wax liners, clean, dry and empty aluminum food and beverage containers, ferrous (iron) or steel cans, aerosol cans, and rigid container plastics #1-7, including narrow neck containers and tubs, but excluding foam and film plastics. No individual items may be excluded from Single Stream service. Glass may be included with specific approval of Company. Any material not set forth above, including tissue or paper that had been in contact with food, is unacceptable ("Unacceptable Materials"). Single Stream may contain up to 5% Unacceptable Materials. (ii) Customer shall provide wastepaper in accordance with the most current ISRI Scrap Specifications Circular and any amendments thereto or replacements thereof. (iii) All other Recyclable Materials will be delivered in accordance with the Company specifications that are available at www.recycleamerica.com or such specifications communicated to Customer by Company.
 - Recyclable Materials may not contain Excluded Materials or chemical or other properties that are deleterious or capable of causing material damage to any part of Company's property, its personnel or the public or materially impair the strength or the durability of the Company's structures or equipment. Company may reject in whole or in part Recyclable Materials not meeting the specifications, and Customer shall reimburse Company for all losses incurred with respect to such Recyclable Materials including costs of transportation and disposal.
 - Where Company has agreed in writing to provide a market-based rebate to Customer, the following shall apply. Customer acknowledges that the market value for Recyclable Materials will fluctuate based upon various factors, and such materials may at times have no value or that the value may be negative. Company will establish the value of Recyclable Materials each month based upon such various factors, including but not limited to quantity, quality and location. For recycling services, Company shall pay or charge Customer on or about the last day of each month for Recyclable Materials accepted during the preceding month, after deduction of any Charges owed to Company by Customer. Any invoice shall be payable upon receipt. Where recycling services are provided, Charges may include separate fuel and environmental surcharges as set forth at www.recycleamerica.com.
 - Notwithstanding anything to the contrary set forth above, the Liquidated Damages calculation, set forth in Section 7 of this Agreement, shall not apply to any Customer breach of the Agreement pertaining to services for Recyclable Materials, which have been determined by Company to have a positive value. If a breach occurs under such circumstances, the damages shall be determined by calculating actual damages rather than Liquidated Damages.
 - Service arrangements will be agreed upon between Customer and Company for the service locations set forth in this Agreement. For trailer load quantities, Customer shall load trailers to full visible capacity to achieve 40,000 pounds minimum shipping weight and trailers shall be loaded or caused to be loaded in accordance with the most current ISRI/AF&PA Shipping Guide. Freight and/or adjustments may apply to light loads. Customer shall be responsible for any loss, damage or destruction to equipment including trailers for any cause while located at Customer's location. For baled wastepaper picked up in less than trailer load quantities, minimum quantity for pickup is six (6) bales and for purposes of payment, weights shall be estimated weights. Company reserves the right at its sole discretion upon notice to Customer to discontinue acceptance of any category of Recyclable Materials as a result of market conditions related to such materials and makes no representations as to the recyclability of the materials which are subject to this contract.

No penalty will be assessed for Customer's termination of this Agreement for convenience.
2. **No Indemnification by Customer.** WMI acknowledges and agrees that under the Constitution and the laws of the State of Texas, Customer cannot enter into an agreement whereby Customer agrees to indemnify or hold harmless any other party, including but not limited to WMI; therefore, all references of any in this Agreement to Customer indemnifying, holding or saving harmless any other party, including but not limited to WMI, for any reason whatsoever are hereby deemed void and deleted. However, Customer agrees that it retains responsibility and liability for Excluded Materials per Section 1 of the Agreement.
3. **Venue and Governing Law.** Each party to this Agreement hereby agrees and acknowledges that venue and jurisdiction of any suit, right, or cause of action arising out of or in connection with this Agreement shall lie exclusively in either Williamson County, Texas or in the Austin Division of the Western Federal District of Texas, and the parties hereto expressly consent and submit to such jurisdiction. WMI agrees that Customer shall have access during normal working hours to all necessary WMI facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section so long as Customer shall give WMI reasonable advance notice of intended audits. Customer and WMI shall agree upon a mutually convenient date and time for such audit.
6. **Non-Appropriation and Fiscal Funding.** The obligations of the Customer under this Agreement do not constitute a general obligation or indebtedness of Customer for which Customer is obligated to levy, pledge, or collect any form of taxation. It is understood and agreed that Customer shall have the right to terminate this Agreement at the end of any Customer fiscal year if the governing body of Customer does not appropriate sufficient funds as determined by Customer's budget for the fiscal year in question. If the error is resolved in favor of WMI, WMI shall be entitled to receive interest on the unpaid balance of the invoice submitted by WMI beginning on the date that the payment for the invoice became overdue. If the error is resolved in favor of the Customer, WMI shall submit a corrected invoice that must be paid in accordance within the time set forth above. The unpaid balance accrues interest as provided by Chapter 2251 of the Texas Government Code if the corrected invoice is not paid by the appropriate date.

8. **Relationship of the Parties.** Each party to this Agreement, in the performance of this Agreement, shall act in an individual capacity and not as agents, employees, partners, joint

ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever.

Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that Customer, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to Customer as to whether or not the same are available to the public. It is further understood that Customer's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that Customer, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to Customer by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.
- 11. Execution in Counterparts.** This Agreement may be executed in counterparts, each of which, when executed and delivered, shall be deemed to be an original and all of which together shall constitute one and the same document.
- 12. Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of parties hereto and their respective successors and assigns.
