Executive Summary

360 Press Solutions is a full-service printing and mailing company. We are your printing partner. We don't just run machines. We ensure that your organization's printed material is error-free, cost-effective, and achieves your goals and objectives.

360 was opened in September of 2009 with one printing press and nine employees in a time when the printing industry was on a downturn. Since then, 360 has grown to be a fully equipped print shop with 26 employees who have many years of experience. Our results have been noticed as our walls are covered with printing industry awards.

What sets 360 apart is its commitment to make the printing process as efficient, innovative, error-free, and cost-effective for the client as possible. 360 builds a variety of premium services into its pricing such that the client, in the end, saves money because the piece is free of errors, has been printed in the most cost-effective way possible, and has been carefully assessed to ensure it meets the client's organizational needs.

- a. 360 provides proofreading services at no extra cost to the customer. We also use the highest quality materials such as plates and inks in the printing process which gives our customers the highest quality product. You will see consistent, sharp images and text from the first piece off the press to the last. From simple folding and stitching to die-cutting and shrink-wrapping, 360 adds the detailed finishing touches that make your project stand out. Whatever your vision, we can make it happen with our impressive array of finishing and binding services.
- b. All of 360's employees have many years of experience at what they do. Your prospective account manager, Gray Mitchell, has 34 years of experience in the graphic design/printing field and has a great understanding of both sides of the graphic arts industry, design and print. We have partnered with the best subcontractors to help us in completing projects.
- c. We believe that 360 can best meet the County's needs on their projects because we consistently produce many like pieces that the County is looking to have printed. 360 also has a sister company, Blackbuck Marketing, which can provide you with top-notch graphic design and marketing ideas.
